Mr. Patrick G. Salerno, City Manager  
City of Coral Gables  
City Hall  
405 Biltmore Way, 1st Floor  
Coral Gables, FL 33134

Dear Mr. Salerno,

I am writing today to request the permission of the Coral Gables City Commission to place temporary signage above the Coral Gables Museum entrance at 285 Aragon Avenue.

The Museum, with assistance from sign consultant Tom Grabowski, has prepared a signage package that is proceeding through the Historic Preservation Board and the Board of Architects for appropriate approvals. The next meeting of the Historic Preservation Board to hear our request will be in October.

Until the signage has received necessary approvals, the Museum requests special permission from the City Commission to install the words Coral Gables Museum above the entrance according to specifications shown on the attached drawing. The letters will be polyvinyl and affixed with temporary, removal adhesive. The lettering has been designed by Tom Graboski and will be installed by the professional firm Signs for You Inc. which has done much work in the City for Mr. Graboski.

I hope that this request can be considered at the next meeting of the City Commission and perhaps be part of the consent agenda.

Thank you for your help with this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Klindt". The signature is fluid and cursive, with a horizontal line extending to the right from the end of the "t".
