City Commission Meeting

IT Director Rodulfo: This is a contract that we have been using over the years to purchase hardware and equipment and this year we want to extend the capacity to continue using the contract for the next three years, at an average of \$500,000 per year, that includes all hardware, computers, and this year we needed also for the tablets that we are going to deploy for InterGov, that's one example of the kind of things that we sometimes purchase through this government contract.

Vice Mayor Lago: This is already budgeted for, obviously, correct? Thank you.

Mayor Valdes-Fauli: Do I hear a motion?

Vice Mayor Lago: I make the motion.

Commissioner Keon: Second.
