CITY COMMISSION MEETING
May 10, 2022

ITEM TITLE:

RESOLUTION. A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF CORAL GABLES, FLORIDA, ESTABLISHING A GOAL TO CEASE USE OF GAS OPERATED LEAF BLOWERS BY CITY STAFF AND CITY CONTRACTORS BY 2024 (Sponsored by Mayor Lago) (Sponsored by Commissioner Anderson) (Sponsored by Commissioner Menendez)

BRIEF HISTORY:

The City of Coral Gables has a strong commitment to sustainability and green initiatives. Over the last two years the City has been piloting the use of electric leaf blowers in certain areas where their usage is practical. While the technology is not yet up to the standards needed by City staff and City contractors, the City is hopeful that machinery and technology will continue to progress and if acceptable equipment is available at a later date, the City wishes to transition to electric leaf blowers in 2024.
