C-2 2023 Coral Gables Family Literacy Festival (CGFLF) Update (Facilitated by Sam Joseph, Board Member)

Board Member Joseph provided a brief update on the Gables Family Literacy Festival Event. The 2023 event is slated for Saturday, May 20. The event is free for the entire community. Over 40 vendors participated last year. This year's vendor applications opened last week and advertisements for the event were shared. An International Village will be present at this year's event with several consulates already confirmed and a few additional ones pending. Pursuant to the re-opening of the Coral Gables Library, the Literacy Laurette presentations might take place inside the library. Board Member Joseph has also been in communication with the Mayor on the Teacher Awards.

Board Member Slesnick asked for a schedule of events. Board Member Joseph confirmed there will be a schedule of events finalized soon and further encouraged members to volunteer as readers. Board Member Anding inquired about the library opening date and Miracle Mile location.

Chairperson Chang inquired if there is something that can be done to provide students with high grades some sort of discount on the books for sale and the possibility of having a table for the School District to recruit substitute teachers. Board Member Joseph provided details on how people can connect to this event. Board Member Anding mentioned having a workshop for parents with specialist that can talk about kids reading levels.

C-3 Discussion on school start times (Facilitated by Winnie Chang, Chairperson)

Chairperson Chang is thrilled that this topic is finally being discussed. The district was ahead of its time by doing the research which is available at the bell times website. If the current proposed bills pass the implementation would not be immediate. One of the bills has a three-year implementation period written in.

Comments from Martha Montaner via Zoom: Highs Schools should not start before 8:30 am and Middle Schools should not start before 8:00 am. Conversations will continue with all the stakeholders on how to further proceed.

C-4 Discussion on school safety in response to House Bill 543 (Facilitated by Winnie Chang, Chairperson)

Chairperson Chang asked the district to start planning outreach to the community about the change and its effect on school safety. This bill does not impact schools as they are exempt, and weapons or firearms are still not allowed on school campuses. Martha Montaner reconfirmed that firearms are not permissible in school grounds.

C-5 CGPA Minorca Campus Centennial Renovation Update (Facilitated by Sam Joseph, Board Member)

Work is currently being performed on the auditorium. Board Member Joseph was concerned that all the seats had been taken out and he had been told by a worker that they were bringing in brand new seating which conflicts with the historic aspects of the campus. He was disturbed that the historic seats were gone and requested an update from the District.

Dr. Acosta provided an update stating that the seats are being restored and not replaced. The District has been working with the City's Historic department to ensure anything that can be restored will be restored. Board Member Joseph requested that the District provide updates during the summer to keep the community in the loop.

Board Member Slesnick mentioned that the school will be having a centennial gala in September at the Biltmore Hotel. The goal will be to raise \$100k for an outdoor learning space and artificial turf.

D. OLD BUSINESS

D-1 Discussion on substitute teachers (Facilitated by Winnie Chang, Chairperson)

Board Member Chang provided a brief update on the workshop results as summarized in the minutes from Feb. 24. Additional advertising is crucial in making this need known. It is important to eliminate some of the barriers.

D-2 Teacher of the Year Awards Project Review (Facilitated by Sam Joseph, Board Member)

A video from the 2019 pilot event was presented to meeting attendees. It was a great event, although the timing was an issue as it took place during November which didn't allow much time to get the list of teachers from the district. As stated in the pilot program report, there was a cost associated with the event. Board Member Joseph is looking at partners for future events that would take on the costs. He has met with Major Lago to discuss what can be done to honor the teachers. Board Member Joseph stated that Mayor Lago would meet with City Manager Iglesias to discuss additional details on the venue and timing. A request was made for member to share any ideas on how this can be done.
