Good Morning,

I have reviewed the officers findings, photo and citation.
It appears he did everything correctly by the evidence.
If you wish to take the citation to a hearing, you may do so.
Please go to our website.

That house is not next to ours, is across a main street and then perpendicular to us. We have no knowledge of whom could have taken that box from our trash (in an alley, not in our pit) and take it to the neighbor's pit.
