An Ordinance of the City Commission of Coral Gables, Florida providing for text amendments to the City of Coral Gables Official Zoning Code, by amending Article 5, "Development Standards," Section 5-107, "Playhouse", and Section 109, "Recreational Equipment", clarifying provisions for play structures and recreational equipment; providing for severability clause, codification, and an effective date.

DEPARTMENT HEAD RECOMMENDATION:

Approval.

PLANNING AND ZONING BOARD RECOMMENDATION:

The Planning and Zoning Board at their 05.08.19 meeting discussed the text amendment. The Board at their 01.08.20 meeting recommended approval (vote: 6 – 0).

BRIEF HISTORY:

As directed by the City Commission, Staff has prepared Zoning Code text amendments to clarify provisions for play structures and recreational equipment.

The following has been incorporated after direction from the City Commission at First Reading:

1. No fee zoning permit;
2. 2'-6" rear and side setback; and
3. Landscape screening from a public street.

On January 8, 2020, the Planning & Zoning Board recommended approval (vote: 6-0), with comments to clarify that swing sets and similar recreational equipment are not considered structures and would not require a permit. The Board also recommended to reduce the allowed ground floor dimensions from 120 square feet to 60 square feet. These recommendations have been incorporated into the draft text amendments.

The revised draft Ordinance for the proposed Zoning Code text amendment is provided as Exhibit A.
