NOTICE TO ALL BIDDERS AND PROPOSERS

Definition:

Cone of Silence is defined to mean a prohibition on:

Any communication regarding a particular Request for Proposals (RFP), Request for Qualifications (RFQ), Invitation for Bids (IFB) or any other advertised solicitation between a potential offeror, vendor, service provider, bidder, lobbyist, or consultant and city department heads, their staff, selection committee or evaluation committee members.

Any communication regarding a particular Request for Proposals (RFP), Request for Qualifications (RFQ), Invitation for Bids (IFB) or any other advertised solicitation between the city commissioners and city department heads, the city departments' staff, selection committee or evaluation committee members.

Imposition:

A cone of silence shall be imposed upon each Request for Proposals (RFP), Request for Qualifications (RFQ), Invitation for Bids (IFB) and any other solicitation when advertised.

Termination:

The cone of silence shall terminate at:

- (1) the time of the City Manager's approval of the award, or
- (2) the time of the City Manager's written recommendation to the City Commission is received by the City Clerk, or
- (3) at such time that bids or proposals are rejected by the City Commission or the City Manager.

Violations:

Violation of the cone of silence by a particular bidder or offeror shall render any award to said person voidable by the city commission.

A violation of this section by a particular bidder, offeror, lobbyist or consultant shall subject such person or persons to potential debarment pursuant to the provisions of this chapter.

SECTION 1 –

INTRODUCTION TO INVITATION FOR BIDS (IFB)

Invitation for Bids (IFB) No. 2025-020

1.1. Invitation

Thank you for your interest in this Invitation for Bids (“IFB”). The City of Coral Gables (the “City”), through its Procurement Division invites responses (“Bids”) from Firms (“Bidder”) which offer to provide the goods and/or services described in Section 2.0 “Specifications / Scope of Work”.

Throughout this IFB, the phrases “must”, “shall” and “will” denote mandatory requirements. Any bid that does not meet the mandatory requirements is subject to immediate disqualification.

1.2. Contract Terms and Conditions

The Bidder(s) selected to provide the goods(s) and/or service(s) requested herein (the “Successful Bidder”) shall be required to execute a Contract or a Professional Services Agreement (“Agreement” / “Contract”) with the City in substantially the same form as the Agreement included as part of this IFB, if applicable.

The term(s) of the Agreement shall be for an initial period of three (3) years with an option to renew for two (2) additional one (1) year periods at the sole discretion of the City.

The City shall have the right to terminate this contract pursuant to Section 1.12 of this solicitation. Continuation of the Contract beyond the initial period is a City prerogative, not a right of the Bidder. This prerogative will be exercised only when such continuation is clearly in the best interest of the City.

A. CONDITIONS FOR RENEWAL

Each renewal of this contract is subject to the following:

- (1) Continued satisfactory performance compliance with the specifications, terms and conditions established herein.
- (2) Availability of funds.

B. CONTRACT EXTENSION

The City reserves the right to exercise its option to extend a contract for up to one hundred-eighty (180) calendar days beyond the contract period and will notify the contractor in writing of the extension.

1.3. Additional Information or Clarification

The Bidder must thoroughly examine this entire solicitation. If there is any doubt or obscurity as to the meaning of any part of the IFB, the Bidder may request clarification at the pre-bid conference or by **WRITTEN REQUEST** to INFOR **Supplier Services webpage** prior to the deadline for written questions. Bidder is responsible for downloading and bringing a copy of the IFB for the pre-bid conference as copies will not be provided by the City.

Interpretations or clarifications in response to such questions will be issued in the form of a **WRITTEN ADDENDUM**, which shall be released through INFOR. **Bidders must register via INFOR to ensure receipt of any addendum issued to the solicitation.** Failure to acknowledge receipt of addendum may result in disqualification of bid submitted.

No person is authorized to give oral interpretations of, or make oral changes to the IFB. It will be the bidder’s responsibility to assure receipt and acknowledge all addenda. No person is authorized to give oral interpretations of, or make oral changes to the bid. The issuance of written addendum shall be the only

official method whereby such an interpretation or clarification will be made. Where there appears to be conflict between the IFB and any addenda issued, the last addendum issued shall prevail. Any request for additional information or clarification must be received in writing.

Bidders should not rely on any representations, statements or explanations other than those made in this IFB or in any written addendum to this IFB.

1.4. Method of Award

Award of this project will be made to the lowest responsive, responsible bidder, who bids on all items, and whose bid offers the lowest total price when all items are added in the aggregate. Failure to bid on all items may render your bid non-responsive. The City in its sole discretion will determine if the pricing received is reasonable and if it is in the best interest of the City to move forward with the award.

1.5. Award of an Agreement

Agreements may be awarded to the Successful Bidder(s) by the City Commission or City Manager, as applicable, to one or more bidders deemed the most responsible, responsive Bidder, complying with all the provisions of this Invitation for Bids. In addition to price, other factors when determining the lowest responsive and responsible bidder, include but are not limited to:

1. The ability, capacity, equipment and skill of the bidder to perform the contract.
2. Whether the bidder can perform the contract within the time specified, without delay or interference.
3. The character, integrity, reputation, judgment, experience, efficiency and litigation history of the bidder.
4. The quality of performance on previous contract(s).
5. The previous and existing compliance by the bidder with laws and ordinances relating to the contract.
6. The sufficiency of the bidder's financial resources to perform the contract or to provide the service.
7. The quality, availability and adaptability of the supplies or contractual services to the particular use required.
8. The ability of the bidder to provide future maintenance and service and the financial impact upon the City to receive such future maintenance and service.
9. The number and scope of conditions attached to the bid.

The Bidder shall not be permitted rate increases as a result of a low bid. Non-performance shall result in cancellation of the contract with the Bidder. The City reserves the right to execute or not execute an Agreement with the Successful Bidder(s) if it is determined to be in the best interest of the City.

If the Awarded Bidder(s) fails to perform within the first year of the award, the City has the right to award to the next lowest responsive and responsible Bidder.

1.6. Agreement Execution

By submitting a Response, the Bidder agrees to be bound to and execute the Agreement for this solicitation without diminishing the foregoing, the Bidder may request clarifications to the City for interpretation purposes only.

Failure of the Successful Bidder to execute a contract within thirty (30) days after the notification of award may, at the City's sole discretion, constitute a default. However, the Agreement must be executed no later than one hundred twenty (120) days, based upon the requirements set forth in the IFB through action taken by the City Commission at a duly authorized meeting. If the Bidder first awarded the Agreement fails to enter into the contract as herein provided, the award may be declared null and void, and the Agreement awarded to the next most responsible, responsive Bidder, or re-advertised, as determined by the City.

1.7. Unauthorized Work

Any unauthorized work performed by the Successful Bidder(s) shall be deemed non-compensable by the City.

1.8. Changes/Alterations

Bidders may change or withdraw a Bid at any time prior to the Bid Submission Deadline through INFOR. Modifications will not be accepted after the Submittal Deadline.

1.9. Discrepancies, Errors, and Omissions

Any discrepancies, errors, or ambiguities in the IFB or addenda (if any) should be reported in writing to the City's Procurement Division in the manner prescribed in the IFB. Should it be necessary, the City will issue a written addendum to the IFB clarifying such conflicts or ambiguities.

1.10. Disqualifications

The City reserves the right to disqualify Bids before or after the submission date, upon evidence of collusion with intent to defraud or other illegal practices on the part of the Bidder. It also reserves the right to waive any immaterial defect or informality in any Bid; to reject any or all Bids in whole or in part, or to reissue an Invitation for Bids.

Any Bids submitted by a Bidder who is in arrears (money owed) to the City or where the City has an open claim against a Bidder for monies owed the City at the time of Bid submission, will be rejected as non-responsive and shall not be considered for award.

1.11. Bidders Expenditures

Bidder(s) understand and agree that any expenditure they make in preparation and submittal of Bids or in the performance of any services requested by the City in connection with the Bids to this IFB are exclusively at the expense of the Bidder(s). The City shall not pay or reimburse any expenditure, or any other expense incurred by any Bidder in preparation of a Bid or anticipation of a contract award or to maintain the approved status of the Successful Bidder(s) if an Agreement is awarded.

1.12. Financial Stability and Strength

The Bidder must be able to demonstrate a good record of performance and have sufficient financial resources to ensure that they can satisfactorily provide the goods and/or services required herein.

In determining a Bidder's responsibility and ability to perform the Contract, the City has the right to investigate and request information concerning the financial condition, experience record, personnel, equipment, facilities, principal business location and organization of the Bidder, the Bidder's record with environmental regulations, and the claims/litigation history of the Bidder. The City reserves the right to consider third party information (e.g., Dun & Bradstreet's Supplier Reports or similar) in determination of capacity.

Bidders may be required to submit financial statements for each of their last two (2) complete fiscal years within five (5) calendar days, upon written request. Such statements should include, at a minimum, Balance Sheets (Statements of Financial Position) and Statements of Profit and Loss (Statement of Net Income). When the bid submittal is from a joint venture, each Bidder involved in the joint venture must submit financial statements as indicated above. Statements shall be certified by an independent Certified Public Accountant.

Any Bidder may be declared non-responsive who, at the time of Bid submission, is involved in an ongoing bankruptcy as a debtor; or in a reorganization, liquidation, or dissolution proceeding, or if a trustee or receiver has been appointed over all or a substantial portion of the property of the Bidder under federal bankruptcy law, or any state insolvency.

1.13. Contract Termination

The City, by written notice, may terminate in whole or part any Agreement resulting from this competitive solicitation, when such action is in the best interest of the City. If the Agreement is so terminated, the City shall be liable only for payment for services rendered prior to the effective date of termination. The City may, by written notice to the Successful Bidder, terminate the Agreement if the Successful Bidder has been found to have failed to perform his/her services in a manner satisfactory to the City. The City may terminate this Agreement for convenience at any time by providing thirty (30) days written notice to the contractor. In the event the Bidder is found to be in default, the Successful Bidder will be paid for all labor and materials provided as of the termination date only after City has completed the work called for by this Agreement with other forces, and has deducted the cost of such work, and any other damages payable to City, from any contract balance otherwise due and owing to the Professional under this Agreement. No consideration will be given for anticipated loss of revenue on the canceled portion of the Contract.

If the contract is terminated prior to the start of work or the conclusion of the project based on the default of the successful Bidder, the Bidder will be subject to re-procurement costs associated with the re-award or completion of the project.

1.14. Definitions

2.1 Purpose

The City of Coral Gables (City) is seeking bids from qualified, experienced and licensed firm(s), hereinafter referred to as the Contractor or Bidder, to provide labor, equipment, materials, transportation and disposal for the cleaning, inspection and maintenance of multiple City-owned catch basins, storm drainage piping, manholes, outfalls, drainage ditches, drainage wells, junction boxes, as well as scheduled and unscheduled (emergency) stormwater infrastructure cleaning for the City, in accordance with the terms, conditions, and specifications contained in this Invitation for Bid (IFB). The storm sewer drainage system is composed of approximately 7,390 drainage structures (including catch basins, manholes, etc.), 55 miles of drainage pipe (incl. perforated pipe), and 167 outfalls. Cleaning of storm drainage structures will occur as directed by the Public Works Department on City owned/operated right-of-way.

2.2 Scope of Work

The work covered by these specifications includes, but is not limited to, providing labor, supervision, equipment, materials, maintenance of traffic, transportation and disposal for the cleaning, inspection and maintenance of City owned stormwater infrastructure including emergency callouts to City's infrastructure. The Public Works Department reserves the right to assign work on an as needed basis. Routine work shall consist of work scheduled monthly to maintain existing level of service from the storm sewer drainage system and to extend the useful life of the system.

2.3 Operational Plan

Contractors shall provide all equipment, transportation, materials, and labor needed to accomplish the work. It is the Contractor's responsibility to identify what equipment is needed to perform the required work, which may vary based on the amount of debris or sediment and the type of infrastructure being cleaned. The City shall have final approval of the Contractor's operational plan and reserves the right to require changes that are in the best interests of the City. The contractor shall comply with all federal, state and local laws, rules, environmental standards, practices and regulations governing the services herein. Operational Plan shall include but is not limited to:

- 2.3.1 Dewatering, turbidity and sediment control, and regulatory permitting, as needed.
- 2.3.2 The contractor shall conform to Occupational Safety and Health Administration (OSHA) requirements, latest version, including Confined Space Entry requirements.
- 2.3.3 The contractor shall provide the City with a list of equipment to be used for stormwater infrastructure cleaning.
- 2.3.4 The contractor shall provide contact information that is available to respond 24 hrs. per day 7 days per week. It is anticipated that all routine maintenance work will be completed during normal business hours.
- 2.3.5 The contractor shall maintain the premises free from accumulation of waste materials and debris resulting from the work. After completion of work, the contractor shall remove all waste materials and debris from the worksite.
- 2.3.6 The Contractor shall assign a supervisor for this work and such supervisor shall always be available.

2.3.7 The contractor shall be solely responsible and liable for injury to persons, and/or property damage caused by operation of the equipment.

2.3.8 Payment shall be full compensation for furnishing all equipment, materials, labor, supervision, maintenance of traffic and incidentals necessary to complete all drainage systems cleaning as specified. Mobilization is incidental to the cost of stormwater system cleaning. The Contractor shall be compensated based on the work completed and accepted.

No warranty or guarantee is expressed or implied as to the total quantity of services resulting from this request. Estimated quantities are approximate and subject to variance.

2.4 Permits, Taxes, Licenses and Fees

The successful bidder(s) shall at his or her own expense obtain all necessary permits, pay all license fees and taxes, shall be required to comply with all local ordinances, State and Federal laws and rules and regulations that may apply to the services provided under this contract. National Pollution and Discharge Elimination System (NPDES): The City is a co-permittee of the Miami Dade County Municipal Separate Storm Sewer System (MS4) and as a result the Contractor shall support the requirements of the MS4 NPDES permit and the implementation of appropriate Best Management Practices for preventing or reducing stormwater pollution.

Copies of all required licenses or registrations should be included with bidder's proposal or upon request of the City, and on an annual basis thereafter.

2.5 Employees and Work Vehicles

All employees should be provided identification (uniform, employee badge, business card, etc.) that reflects they are authorized to perform work for the Contractor. Contractor shall provide any and all personal protective equipment (PPE) required for the work being performed, including high-visibility outerwear, in compliance with OSHA regulations. The City reserves the right to stop work should the Contractor fail to provide appropriate PPE.

All Contractors' vehicles must be clearly marked as being a licensed contractor working for the city and employees wearing a uniform that always identifies the company name.

2.6 Equipment

All equipment shall be maintained for efficient and safe operating conditions while performing work under this contract. Equipment shall have all proper safety devices required by law, properly always maintained and in use. Contractor is responsible for providing equipment that will thoroughly clean all debris and materials at the bottom of the catch basins, storm drainage piping, manholes, and junction boxes. Equipment needed will include, but may not be limited to, vacuum trucks, closed circuit television monitoring, hydrojets, and debris and liquid waste hauling vehicles. All equipment shall be clearly marked with the Contractor's company name and phone number, along with a unique truck number or other identifier. All equipment to be used shall comply with Florida Department of Transportation (FDOT) regulations, be free of leaks, shall be covered if hauling any debris and be maintained according to the manufacturer's specifications. The City reserves the right to require the removal and replacement of any vehicle that is found to be improperly functioning, leaking or in poor condition.

2.7 Disposal

Material removed from the stormwater system will be collected and dumped at an approved location. The hauling mileage, tipping fees, and any other costs associated with disposal are incidental and shall be included as part of all stormwater system cleaning except for Slab Covered Trench cleaning. Manifest tickets for material disposed of at an approved facility shall be provided by the Contractor to document Contractor pay requests.

2.8 Emergency Callouts

The Contractor shall be available for emergency callouts 24 hours per day, 7 days per week and be capable of providing at least three (3) vacuum trucks within one (1) hour of City's notification. The cost for an emergency vacuum truck shall be invoiced on a per-hour basis. The Contractor shall make additional vacuum trucks available to the City if requested.

2.9 Root Removal

Should roots be encountered during the cleaning or inspection phases of the project, they are to be removed. Special attention should be exercised during the cleaning operation to ensure complete removal of the roots. Procedures may include the use of mechanical equipment such as cutting/rodding machines, bucket machines, and winches using root cutters and porcupines, and equipment such as high-velocity jet cleaners. Chemical root removers will not be allowed. The costs associated with disposal of removed root material are incidental to the pay item for Root Removal.

2.10 Dewatering

When water is present, the contractor may de-water as necessary to facilitate cleaning. This could be accomplished using air bag plugs and by-pass pumping downstream. The cost to dewater shall be included in the cost of stormwater system cleaning.

2.11 Maintenance of Traffic

All lane closures shall have the prior approval of the Public Works Department. While performing work, the Contractor will be required to provide the necessary Maintenance of Traffic (MOT) plan to warn motorists of work being performed. Maintenance of traffic must conform to the current edition of the Florida Department of Transportation (FDOT) Roadway and Traffic Design and the Manuals on Uniform Traffic Control Devices (MUTCD), as a minimum criterion. The Contractor's employees shall be fully aware of these provisions, especially those applicable to the use of barricades, cones, signage, etc., to provide a safe working environment.

All costs associated with Maintenance of Traffic shall be included in the cost of stormwater cleaning which includes setup for all traffic control operations during cleaning work. A setup is defined as the placement of cones, barricades, arrow boards, flagmen, and any ancillary items to ensure traffic safety.

2.12 Drainage Pipe, Catch Basin & Manhole

2.12.1 Cleaning

Work shall consist of conducting routine mechanical cleaning of storm sewer pipes, catch basins and manholes with truck mounted sewer vacuum/jetting units. The contractor shall remove drainage structure grate or cover (and baffle devices, if necessary), clean drainage structure through the use of a vac-truck to remove all debris, soils, roots, organic matter and other miscellaneous debris, take a picture of the cleaned drainage structure, and reinstall grate or cover.

All storm drainage piping, manholes, and catch basins shall be completely flushed of debris and accumulated sediment. At the end of each workday, a list of storm drainage piping, manholes, and catch basins shall be submitted to the City. When all storm drainage piping, manholes, and catch basins have been cleaned on a location map, a map with the date next to each item indicating when it was cleaned shall be updated reflecting progress and submitted to the City. The contractor will assist and provide necessary information to the City to update the information of the existing infrastructure that is not reflected in the maps provided by the City. The information may include but it is not limited to pipe size, pipe length, pipe material, and pipe direction. The City maps are in Geographic Information System (GIS).

The marked-up location map shall also identify storm drainage piping, manholes and catch basins that cannot be cleaned due to either accessibility or maintenance issues. The City shall be informed of such locations on the same day and may request that the identified structures and pipe be cleaned at a later date. Contractor shall notify the City of any broken or defective structures and pipe at the end of the working day, with photos depicting the defect or damage. Photographs of cleaned catch basins shall be submitted to the City electronically once work is completed, or upon the request of the City. Photographs shall be in electronic JPG format in a media approved by the City. Files shall be labeled with unique identifiers and correspond to the maps.

2.12.3 Equipment

The mechanical storm drainage cleaning operation shall be done in a manner not to damage the storm drainage structures, inlet grates, manhole covers, pipes or pipe joints. The contractor shall use high velocity hydraulic (hydro-cleaning) equipment (vacuum and jetting truck). All high-velocity Storm Sewer cleaning equipment shall be operated at the industry standard for proper cleaning of the City's stormwater infrastructure. All equipment manufacture's recommendations for pressure (PSI rating) and gallons per minute (GPM) shall be adhered to. The nozzles shall be capable of producing a scouring action, in the lines assigned to be cleaned, to remove debris and sand from the flow line. Equipment shall also include a high-velocity jetter for washing and scouring manholes/catch basin walls and floors. The jetter shall be capable of producing flows from a fine spray to a solid stream.

2.12.4 Closed Circuit Television (CCTV) Inspections

When requested by the City, the contractor shall use Closed Circuit Television (CCTV) inspection of the stormwater pipe system to provide a means of visually assessing the condition of the system. Files shall be labeled with unique identifiers and correspond to the maps. The City may, from time to time, request the Contractor to perform CCTV only inspections of this infrastructure. Contractor shall provide CCTV inspections at the request of the City including video footage in an electronic format acceptable to the City. City will provide Contractor with a written request for CCTV. Contractor shall invoice the City upon completion of the work requested, once approved by City staff.

2.13 Outfall (culvert) Pipe

2.13.1 Cleaning

Culvert cleaning will consist of the removal of silt and/or debris from the culvert barrel and the culvert end sections to restore proper drainage. The contractor shall remove and dispose of material from the culvert barrel. When the silt and/or debris has been removed from the culvert barrel, the entire culvert, including the culvert inverts, shall be free of silt/debris, allowing a normal flow of water.

2.13.2 Equipment

Removal of silt and/or debris from the culvert end sections will require the use of a backhoe or similar type of equipment to remove the undesired material from the culvert end section. The removed silt and/or debris shall be hauled away and properly disposed in accordance with all applicable local, State, and Federal laws and regulations.

2.13.3 Visual Inspection

Before and after cleaning, every culvert shall be inspected by visual inspection with City staff. Re-cleaning of culverts determined to be unacceptable by the City within the time specified at no additional cost.

2.14 Slab Covered Trench

2.14.1 Cleaning

All slab covered trench shall be completely flushed of debris and accumulated sediment. At the end of each workday, a list of all trench segments cleaned that day shall be submitted to the City along with a marked-up location map identifying trench segments that were cleaned and not cleaned due to either accessibility or maintenance issues. The City shall be informed of such locations on the same day and may request that the identified trench segment be cleaned at a later date. Contractor shall notify the City of any collapsed trench section at the end of the working day, with photos depicting the defect or damage. Photographs and/or videos of cleaned trench segments shall be submitted to the City electronically once work is completed, or upon request of the City. Photographs shall be in electronic JPG format in a media approved by the City. Files shall be labeled with unique identifiers and correspond to the maps.

Perform desilting operations in a manner not to damage the trench walls & bottom or surrounding area.

Meet the requirements of Federal, State and local environmental standards and laws when performing all activities.

Grade and sod any disturbed areas caused by the desilting operation. Water source will be City fire hydrants which will require a water meter for construction water use. Contractor to pay for the water and include in the desilting unit pricing.

Repair or replace damage to turf, pavement, signs or structures, etc. due to negligence to the satisfaction of the City at no additional cost. Complete repairs prior to submission of the invoice for work accomplished.

2.14.2 Equipment.

Cleaning equipment shall be either high-velocity hydro cleaning equipment, or mechanical cleaning equipment. Where solids accumulations are such that mechanical cleaning equipment must be used first to remove the major portion of the material within the trench, high-velocity hydro cleaning equipment shall be brought in to finish cleaning at no additional cost to the City. Selection of the equipment used shall be based on the conditions of the trench at the time of work commences. The equipment and methods selected shall be satisfactory to the City.

High-velocity Jet (Hydro cleaning) Equipment: All high-velocity culvert cleaning equipment shall be constructed for ease and safety of operation. The equipment shall have a minimum of 600 feet of high-pressure hose with a selection of two or more high-velocity nozzles. The nozzles shall have a minimum capacity of 60 GPM at a minimum working pressure of 1,200 pounds per square inch (measured at the pump) and shall be capable of producing a scouring action from 15 to 45 degrees in all size lines designated to be cleaned. Equipment shall also include a high-velocity gun for washing and scouring manhole walls and floor. The gun shall be capable of producing flows from a fine spray to a solid stream. The gun capacity shall be at least 10 GPM at 200 pounds per square inch (psi). The equipment shall carry its own water tank, auxiliary engines, pumps, and hydraulically driven hose reel.

Mechanically powered equipment: Bucket machines shall be in pairs with sufficient power to perform the work in an efficient manner. Machines shall be belt operated or have an overload device. Machines with direct drive that could cause damage to the trench will not be allowed. A power rodding machine shall be either a sectional or continuous rod type capable of holding a minimum of 750 feet of rod. The rod shall be specifically heat-treated steel. To ensure safe operation, the machine shall be fully enclosed and have automatic safety clutch or relief valve.

2.14.3 Visual Inspection

Before and after cleaning, every trench shall be inspected by visual inspection with City staff. Re-cleaning of trenches that are determined to be unacceptable by the City within the time specified at no additional cost.

2.14.4 Degree of Blockage.

Trench cleaning will be divided into two categories: trench less than 50% full and trench greater than 50% full. Prior to cleaning, the City's representative and the Contractor would come to a consensus as to what degree of blockage the trench run qualifies based on field depth measurements to determine the following:

Light Trench Cleaning: 0-50% full of silt / debris per LF

Medium Trench Cleaning: 51-100% full of silt / debris per LF

City slab covered trenches are typically 10' deep & 3' wide.

2.15 Measurement and Payment

The work included within this Contract consists of furnishing all supervision, trained/certified/licensed personnel, labor, materials, equipment (included but not limited to any vacuum trucks and ancillary pumping systems) and tools required to perform all operations necessary for hydraulic cleaning and vacuum removal of all foreign material, roots, obstructions, debris, etc. in slab-covered trenches, outfall pipe, drainage pipe and structures. The City reserves the right to decrease, increase or eliminate the cleaning located at or within any area within City limits.

Measurement & Payment will be made under the following:

Item Description	Unit
Catch Basin/MH Cleaning (incl. Disposal)	EA
Pipe Cleaning (incl. Disposal)	LF
Root Removal (incl. Disposal)	HR
Clean Slab Covered Trench – (less than 50% full)	LF
Clean Slab Covered Trench – (50% full or greater)	LF
Disposal of Material at Approved Facility for Slab Covered Trench	CY
CCTV Inspection Pipe	LF
Emergency Vac-Truck Service (incl. operator)	HR

2.16 FEDERAL FUNDING

The Bidder may be tasked with providing the Services solicited herein for which the City will receive Federal financial assistance awarded by the Federal Emergency Management Agency ("FEMA"). In such event, Bidder shall adhere to the latest applicable FEMA policies, procedures, and directives, such as the FEMA Public Assistance Program and Policy Guide (PAPPG) FP 104-009-2 / April 2018 as may be amended, updates or replaced from time-to-time. The Bidder shall also adhere to applicable Federal law, regulations, and executive orders; and State / Local law and regulations. The City reserves the right to contract the Bidder for additional emergency services, as needed, throughout the term of the contract.

Note: All information regarding the specifications/scope of work contained in this section was strictly provided by Public Works for the expressed purpose of soliciting the above outlined scope of work. Any questions regarding information provided in this section should follow the guidelines outlined in the public notice of this document.

SECTION 3 - QUALIFICATION REQUIREMENTS

Experience must include services similar in scope provided to government agencies at the municipal/local government level or higher.
- (2) The Bidder’s Truck Operators must possess valid Commercial Driver’s Licenses (CDLs) with appropriate endorsements for vacuum truck operation. Crews must be trained and certified in OSHA Confined Space Entry, FDOT Maintenance of Traffic (MOT) (as applicable), and be capable of meeting NPDES MS4 co-permittee requirements.

General Qualifications:

The following represent the general qualification requirements for a Bidder to be considered for final award. Failure to provide the following may prohibit the Bidder's submittal continuing in the evaluation process for award consideration.

(C) BIDDER WILL:

- (1) Provide proof of active status or documentation evidencing Bidder is currently seeking active status with the Florida Department of State, Division of Corporation.
- (2) Meet all requirements of the Federal Emergency Management Agency (FEMA) policies, procedures, and directives; Federal law, regulations, and executive orders; and State / Local law and regulations as outlined in the Bidder's Affidavits Schedules A–R.

Note: All license requirements must remain valid and in place throughout the term of this contract or engagement. Failure to maintain a valid license may be cause for termination as to be determined by the City.

SECTION 4 - GENERAL CONDITIONS

Invitation for Bids (IFB) No. 2025-020

4.1 Acceptance/Rejection

The City reserves the right to accept or reject any and/or all Bids or sections thereof, and waive any informalities or technicalities. As a matter of information, the City Commission does not bind itself to accept the minimum specifications stated herein, but reserves the right to accept any Bids which in the judgment of the City will best serve the needs and interest of the City. The City also reserves the right to reject any Bidder(s) who has previously failed to properly perform under the terms and conditions of a contract, to deliver on time any contracts with the City, and who is not in a position to perform the requirements defined in this IFB. This offering of IFB itself does not in any way constitute a contractual agreement between the City of Coral Gables and the Bidder. Additionally, the issuance of this solicitation in no way obligates the City of Coral Gables to proceed with an award of a contract for the goods or services outlined.

4.2 Legal Requirements

The Bidder shall comply with all rules, regulations and laws of the City of Coral Gables, Miami-Dade County, the State of Florida and the Federal Government now in force or hereinafter to be adopted. Lack of knowledge by the Bidder shall in no way be cause for relief from responsibility.

4.3 Non-Appropriation of Funds

In the event that insufficient funds are appropriated and budgeted or funding is otherwise unavailable in any fiscal period for this Agreement, then the City, shall have the unqualified right to terminate the Work Order(s) or Agreement upon written notice to the Contractor, without any penalty or expenses to the City. No guarantee, warranty or representation is made that any particular work or any project(s) will be assigned to any Bidder(s).

4.4 Occupational License Requirements (Business Tax Receipt Requirements)

Any person, firm, corporation or joint venture, with a business location in the City of Coral Gables who is submitting a Bid response under this solicitation, shall meet the City's Occupational License Tax Requirements in accordance with Ordinance No O2005-15 of the City of Coral Gables Code and Chapter 205 of the Florida Statutes.

Others with a location outside the City of Coral Gables shall meet their local Occupational License Tax requirements. Copy of the license must be submitted with the Bid; however, the City may, at its sole option and in its best interest, allow the Bidder to supply the license to the City during the evaluation period, but prior to award.

4.5 Use of Polystyrene Prohibited

Contractor, vendor, lessee, concessionaire agrees to comply with Sec. 2-730 of the City of Coral Gables Code, which prohibits the sale or use of plates, bowls, cups, containers, lids, trays, coolers, ice chests, food containers and all similar articles made from expanded polystyrene within the city or in completing its duties to the city under this contract. (This prohibition does not apply to expanded polystyrene containers used for prepackaged goods that have been filled and sealed prior to receipt by the city contractor, vendor, lessee or concessionaire.) "Expanded polystyrene" is defined as blown polystyrene and expanded and extruded foams that are thermoplastic petrochemical materials utilizing a styrene monomer and processed by any number of techniques including but not limited to fusion of polymer spheres, injection molding, foam molding and extrusion-blown molding. Contractor, vendor, lessee or concessionaire understands that violation of this section shall be deemed a default under the terms of the contract, lease or agreement.

4.6 Use of Single-Use Plastic Beverage Straws and Plastic Stirrers Prohibited

Contractor, vendor, lessee, concessionaire agrees to comply with Sec 2-731 of the City of Coral Gables Code, which prohibits the sale or use of single-use plastic beverage straws and single-use plastic stirrers within the city or in completing its duties to the city under this contract.

Single-use plastic beverage straw is defined as a tube, intended for only one-time use that is made

predominantly of plastic derived from petroleum or a biologically based polymer, including polymers derived from corn or other plant sources, for transferring a beverage to the mouth of the drinker. Single-use plastic beverage straw includes compostable and biodegradable petroleum or biologically based polymer straws, but does not include straws that are made from non-plastic materials such as paper, sugar cane, bamboo, or other similar materials.

Single-use plastic stirrer is defined as a device that is used to mix beverages, intended for only one-time use, and made predominantly of plastic derived from either petroleum or a biologically based polymer, including polymers derived from corn or other plant sources. Single-use plastic stirrer includes compostable and biodegradable petroleum or biologically based polymer stirrers and lid plugs (splash sticks), but does not include stirrers that are made from non-plastic materials such as paper, sugar cane, bamboo, or other similar materials.

Contractor, vendor, lessee or concessionaire understands that violation of this section shall be deemed a default under the terms of the contract, lease or agreement.

4.7 Public Entity Crimes

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a Proposal to provide any goods or services to a public entity, may not submit a Bid with a public entity for the construction or repair of a public building or public work, may not submit Bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in F.S. 287.017 for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendors list.

4.8 Resolution of Protests

Pursuant to Section 2-910 of the City of Coral Gables Code which may be found on the City of Coral Gables Website: <http://www.coralgables.com>, click on Government, City Department, Procurement, Procurement Links, Ordinance No. 2009-53.

4.9 Determination of Responsiveness

Each Bid will be reviewed by the Procurement Division to determine if it is responsive to the submission requirements outlined in the Formal Solicitation. A "responsive" Bid is one which follows the requirements of the formal solicitation, includes all documentation, is submitted in the format outlined in the formal solicitation, is of timely submission, and has appropriate signatures as required on each document. Failure to comply with these requirements may deem a Bid non-responsive.

4.10 Evaluation of Bids

A. Rejection of Bids

The City may reject a Bid for any of the following reasons:

- 1) Bidder fails to acknowledge receipt of addenda;
- 2) Bidder misstates or conceals any material fact in the Bid;
- 3) Bid does not conform to the requirements of the Formal Solicitation;
- 4) Bid requires a conditional award that conflicts with the method of award;
- 5) Bid does not include required samples, certificates, licenses as required; and,
- 6) Bid was not executed by the Bidder's (s) authorized agent.

The foregoing is not an all-inclusive list of reasons for which a Bid may be rejected. The City may reject and re-advertise for all or any part of the Formal Solicitation whenever it is deemed in the best interest of the City.

B. Elimination From Consideration

- 1) A contract shall not be awarded to any person or firm which is in arrears to the City upon any debt or contract, or which is a defaulter as surety or otherwise upon any obligation to the City. Principal, officer, or stockholder of Bidder shall not be in arrears or in default of any debt or contract involving the City, (as a party to a contract, or otherwise); nor have failed to perform faithfully on any previous contract with the City.

- 2) A contract may not be awarded to any person or firm which has failed to perform under the terms and conditions of any previous contract with the City or deliver on time contracts of a similar nature.
- 3) A contract may not be awarded to any person or firm which has been debarred by the City in accordance with the City's Debarment and Suspension Ordinance.
- 4) A contract may not be awarded to any person or firm with any record of judgments, bankruptcies, pending lawsuits against the City or criminal activities involving moral turpitude, and not have any conflicts of interest that have not been waived by the City Commission.

C. Determination of Responsibility

- 1) Bids will only be considered from entities who are regularly engaged in the business of providing the goods/equipment/services required by the Formal Solicitation. Bidder must be able to demonstrate a satisfactory record of performance and integrity; and, have sufficient financial, material, equipment, facility, personnel resources, and expertise to meet all contractual requirements. The City reserves the right to make pre-award inspections of the Bidder's facilities and/or equipment prior to contract award. The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well-established entity in line with the best industry practices in the industry as determined by the City.
- 2) The City may consider any evidence available regarding the financial, technical and other qualifications and abilities of a Bidder, including past performance (experience) with the City or any other governmental entity in making the award.
- 3) The City may require the Bidder(s) to show proof that they have been designated as an authorized representative of a manufacturer or supplier which is the actual source of supply, if required by the Formal Solicitation.
- 4) Bidder's unsatisfactory performance record, judged from the standpoint of conduct of work, workmanship, progress or standards of performance agreed upon in the Contract as substantiated by past or current work with the City.
- 5) Bidder has previously defaulted in the performance of a public service contract, or has been convicted of a crime arising from the performance of a previous or current public service contract.
- 6) Any other inability, financial or otherwise, to perform the work, based on any reasons deemed proper as determined of Bidder's capability to perform the work.

D. Errors or Mistakes

- 1) Mathematical errors - Errors in extension of unit prices or mathematical calculations may be corrected by the Procurement Specialist or staff assigned to handle the project.
- 2) The correction will be reflected on the final bid tabulation for the project. At no time during the correction of the final tally shall the unit prices be changed.
- 3) If determined by the Chief Procurement Officer, some minor clerical, non-judgmental mistakes of fact may be corrected by a responsive bidder. This determination will be communicated in writing with specific perimeters on the acceptance of an updated response.

E. Voluntary Price Reductions

- 1) The City may accept voluntary price reductions from a low Vendor after bid opening, if such reduction is not conditioned on, nor results in, the modification or deletion of any condition contained in the invitation for bids.
- 2) A voluntary price reduction may NOT be used to ascertain the lowest responsive Vendor. This feature may only be utilized after the lowest, responsive and responsible bidder determination has been made.

4.11 Collusion

The Bidder, by submitting a Bid, certifies that its Bid is made without previous understanding, agreement or connection either with any person, firm, or corporation submitting a Bid for the same services, or with any City Department. The Bidder certifies that its Bid is fair, without control, collusion, fraud, or other illegal action. The Bidder certifies that it is in compliance with the conflict of interest and code of ethics laws. The City will investigate all situations where collusion may have occurred, and the City reserves the right to reject any and all Bids where collusion may have occurred.

4.12 Sub-Contractor(s) / Sub-Consultant

A Sub-Contractor is an individual or firm contracted by the Bidder(s) to assist in the performance of services required under this IFB. A Sub-Contractor shall be paid through Bidder(s) and not paid directly by the City. Sub-Contractors are allowed by the City in the performance of the services delineated within this IFB. Bidder(s) shall clearly reflect in its Bid the major Sub-Contractor to be utilized in the performance of required services. The City retains the right to accept or reject any Sub-Contractor proposed prior to Agreement execution. Any and all liabilities regarding the use of a Sub-Contractor shall be borne solely by the Successful Bidder(s) and insurance for each Sub-Contractor must be maintained in good standing and approved by the City throughout the duration of the Agreement. Neither the Successful Bidder(s) nor any of its Sub-Contractors are considered to be employees or agents of the City. Failure to list all major Sub-Contractors and provide the required information may disqualify any proposed Sub-Contractor from performing work under this IFB.

Bidder(s) shall include in their Bids the requested Sub-Contractor information and include all relevant information required of the Bidder(s).

4.13 Substitutions for Assigned Personnel

The City reserves the right to approve substitutions for assigned personnel proposed for this project. Substitutions may be allowed for staff turnover, sickness or other emergency situations.

4.14 Florida Public Records Law

Sealed bids or proposals received by an agency pursuant to invitation for bids or requests for proposals are exempt from Florida Statutes Section 119.07(1) until such time as the agency provides notice of a decision or intended decision or within 30 days after bid or proposal opening, whichever is earlier.

Records subject to the provisions of Public Record Law, Florida Statutes Chapter 119, shall be kept and maintained in accordance with such Statute and made available for public inspection at the appropriate time. Bidder acknowledges that records and books, not subject to exemption under Chapter 119, may be disclosed and/or produced to third parties by the City in accordance with requests submitted under Chapter 119 or court orders without penalty or reprisal to the City for such disclosure and/or production. Supplier also agrees to assert, in good faith, any relevant exemptions provided for under Chapter 119 for records in its possession on behalf of the City. Furthermore, Supplier agrees to comply with the provisions outlined in Section 119.0701 of the Florida Statutes, the requirements of which are incorporated herein.

4.15 Trade Secret, Proprietary or Confidential Information

The Bidder shall not submit any information in response to this Solicitation which the Bidder considers to be a trade secret, proprietary or confidential. The submission of any information to the City in connection with this solicitation shall be deemed conclusively to be a waiver of any trade secret or other protection, which would otherwise be available to the Bidder. In the event the Bidder submits information to the City in violation of this restriction, either inadvertently or intentionally, and clearly identifies that the information in the submittal as protected or confidential, the City may, in its' sole discretion, either (a) communicate with the Bidder in writing in an effort to obtain the Bidder's written withdrawal of the confidentiality restriction or (b) endeavor to redact and return that information to the Bidder as quickly as possible, and if appropriate, evaluate the balance of the submittal. Under no circumstances shall the City request the withdrawal of the confidentiality restriction if such decision, solely based on the City's discretion, would offer the Bidder a competitive advantage over other Bidders. The redaction or return of information pursuant to this clause may render a submittal non-responsive.

4.16 Purchasing Agreements with Other Government Agencies

Any Governmental, not-for-profit or quasi-governmental entity in the State of Florida, may avail itself of this contract and purchase any and all goods and/or services specified herein from the Successful bidder(s) at the contract prices(s) established herein, upon mutual agreement between the Successful bidder(s) and any of the above listed entities.

Each governmental, not-for-profit or quasi-governmental entity which uses a contract(s) resulting here from, will establish its own contract, place its own orders, issue its own purchase orders, be invoiced there from and make its own payments, determine shipping terms and issue its own exemption certificates as required by the Successful Bidder(s).

4.17 Protection of Property / Safety Concerns

The Successful Bidder shall at all times take precautions to avoid any damage or loss of property of the City, and shall replace and repair to the City's satisfaction any loss or damage at Bidder's expense. Bidder shall adhere at all times to all safety concerns regarding employees and visitors to the facility(s).

Precautions shall be exercised at all times for the protection of persons and property. All Bidders and Sub-Contractors shall conform to all OSHA, State and County regulations while performing under the Terms and Conditions of this contract. Any fines levied by the above-mentioned authorities because of inadequacies to comply with these requirements shall be borne solely by the Bidder responsible for same.

4.18 Invoicing & Payment

Invoices shall contain purchase order number, or services performed including, if applicable, service data, number of labor hours for each worker, hourly rate(s) for each worker, total employee hours billed. Copies or invoices or other appropriate documentation shall be provided for each job to support their actual cost prior to reimbursement. The Bidder, upon request by the City, shall supply additional documentation. Bidder may be paid in monthly installments. Payment is made according to the actual number of labor hours worked. Partial or full payment can be withheld until work is completed to the satisfaction of the City.

4.19 Auditing of Records

The Successful Bidder's book and records as they relate to the anticipated contract must be made available for inspection and audit upon receipt of three (3) days prior written notice from the City and remain available for City or other applicable sources for inspection for at least three (3) years following the expiration of the contract.

4.20 One Bid Response

Only one (1) Bid from a Bidder will be considered in response to this Formal Solicitation. Submission of more than one Bid for the same Contract under the same or different names will deem all such duplicated Bids non-responsive and all shall be rejected.

4.21 Award of Contract

The contract will be awarded per the criteria outlined in Section 1.5. All services provided to the City of Coral Gables shall be rendered pursuant to the terms of a "Contract". The City of Coral Gables will not sign any contracts submitted by a proposing Bidder awarded the Contract. The Contract provides that the Bidder will render the requested services to the City as provided for in this document pursuant to the issuance of a Purchase Order through the City's Procurement Division.

4.21.1 Purchase Order: The City of Coral Gables through the Finance Department/Procurement Division will issue a Purchase Order Number to the awarded Contractor, following approval by the city commission and executed Contract. **Neither the Successful Bidder(s) nor any of his/her employees shall perform any work or deliver any goods unless a change order or purchase order is issued and received by the Contractor.**

4.22 Background Screenings

All individuals working for a firm under contract with the City of Coral Gables shall be subject to Level 2 (fingerprint) background screening.

External Contracts – Professional's employees working on the outside (i.e., landscaping, etc.). The successful Bidder will perform level 2 screening, with no reporting requirements to the City.

Internal Contracts – Professional's employees working inside City facilities, in City parks where people congregate, around children, and immediate surrounding areas (i.e., Youth Center, Venetian Pool, temporary hires, etc.). The successful Bidder will perform level 2 screening, and submit the results to Human Resources (HR).

4.23 Estimated Quantities

Estimated quantities or estimated dollars are provided for your guidance only. No guarantee is expressed or implied as to actual quantities during the contract period. The City is not obligated to place an order for any given amount subsequent to the award of this contract. Said estimates may be used by the City for purposes of evaluating a response or determining the most advantageous proposer meeting specifications. The City reserves the right to acquire additional quantities at the prices proposed or at lower prices.

4.24 Unit Prices

When unit pricing is requested and there is a discrepancy between the unit price and any extended prices, the unit price will prevail.

4.25 Continuation of Work

Any work that commences prior to and will extend beyond the expiration date of the current contract period shall, unless terminated by written agreement by the City, will continue until completion at the same prices, terms and conditions.

4.26 Employee Eligibility Verification

Contractor shall execute and submit the affidavit as prescribed by the City, affirming that the Contractor does not knowingly employ any person in connection with the contracted services who does not have the legal right or authorization under federal law to work in the United States as defined in 8 U.S.C. §1324a(h)(3). Contractor shall provide as part of their response the E-Verify affidavit to verify compliance with F.S. 448.095 requirements. To learn more about the program and enroll, please visit: <https://www.e-verify.gov/>

4.27 Lobbyist Registration Form

The Bidder certifies that it understands if it has retained a lobbyist(s) to lobby in connection with this specific competitive solicitation that each lobbyist retained has timely filed the registration or amended registration required under the City of Coral Gables Lobbyist Registration requirement pursuant to Ordinance 2017-44 that requires any individual, corporation, partnership, or other legal entity employed or retained whether paid or not, by a principal who seeks to encourage the approval, disapproval, adoption, repeal, passage, defeat, or modifications of (a) any ordinance, resolution, action or decision of any City Commissioner; (b) any action, decision, recommendation of the City Manager, any city board or committee, including but not limited to Quasi-Judicial, Advisory Board, Trust, Authority, or Council; or (c) any action, decision or recommendation of city personnel during the time period of the entire decision-making process on the action, decision or recommendation which foreseeably will be heard or reviewed by the City Commission, or a city board or committee, including but not limited to Quasi-Judicial, Advisory Board, Trust, Authority, or Council.

4.28. Financial Consequences

Financial consequences will apply for any non-performance infractions during the execution of services as outlined in this solicitation and subsequent contract. The City reserves the right to withhold payment or implement other appropriate remedies, such as contract termination or non-renewal, when the awarded contractor has failed to comply with provisions of the contract. The consequences for non-performance are not considered penalties. The financial consequences will result in a reduction of payment owed to the Contractor. The specific related tasks and financial consequence if applicable will be outlined separately with performance measures.

SUPPLEMENTARY CONDITIONS

4.29. Compliance with Federal Regulations Due To Use of Federal Funding

Funding for the services solicited herein may be subject to Federal financial assistance awarded by the Federal Emergency Management Agency ("FEMA"). Therefore, the Successful Bidder must adhere to the latest applicable FEMA policies, procedures, and directives, as may be amended, updated or replaced from time-to-time. The Successful Bidder shall also adhere to applicable Federal law, regulations, and executive orders; and State / Local law and regulations.

A. Davis Bacon Act

Since services provided under this IFB may be in conjunction with federal funding, the wage rate paid to all classifications of employees of the Successful Bidder hired under this contract shall not be less than the current prevailing wage rates at time of service for similar classification of work in Dade County, Florida, as established in the Federal Area Wage Decision by the United States Department of Labor. Additionally, all federal regulations and statutes adopted by U.S. Department of Labor as a result of the Davis Bacon Act shall prevail during the term of this contract. The Successful Bidder shall comply with the most current regulations of the Davis Bacon Act, pay wages in accordance with the act, submit to the City certify copies of its payroll whenever requested, allow the City to perform interviews to its work force and allow the City to inspect its payrolls as it may deem necessary. If at any time during the contract period, the Successful Bidder fails to comply with the provisions stated

herein, the City may consider the Successful Bidder in default, terminate the contract, and award to the next lowest responsive and responsible bidder.

- 4.30 Price Adjustments.** Hourly Prices shall remain fixed and firm for the initial three (3) year term of the agreement. Prior to each renewal term of the resulting agreement, Valet Parking hourly prices may be adjusted. However, annual price adjustments must be authorized by the City. The Successful Proposer is responsible for requesting any price adjustment and submitting documentation requesting said adjustment to the Finance Department, Procurement Division. The basis for the price adjustment shall be clearly documented and explained by the Successful Proposer. It shall be further understood that the City reserves the right to negotiate and/or reject any price adjustments. Any allowable price adjustments shall not exceed 5% (increase or decrease).

SECTION 5 – **INDEMNIFICATION, HOLD HARMLESS & INSURANCE** **REQUIREMENTS**

Invitation for Bids (IFB) No. 2025-020

- 5.1 To the fullest extent permitted by Laws and Regulations, the Contractor shall defend, indemnify, and hold harmless the City and its elected and appointed officials, attorneys, administrators, consultants, agents, and employees from and against all claims, damages, losses, and expenses direct, indirect, or consequential (including but not limited to fees and charges of attorneys and other professionals and court and arbitration costs) arising out of or resulting from the performance of the work and caused in whole or in part by any willful, intentional, reckless, or negligent act or omission of Professional, any sub-consultant, or any person or organization directly or indirectly employed by any of them to perform or furnish any of the work or anyone for whose acts any of them may be liable.

In any and all claims against the City and its elected and appointed officials, attorneys, administrators, consultants, agents, or employees by any employee of Contractor, any sub-contractor, any person or organization directly or indirectly employed by any of them to perform or furnish any of the work or anyone for whose acts any of them may be liable, the indemnification obligation under the above paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for Contractor or any such sub-consultant or other person or organization under workers' or workman's compensation acts, disability benefit acts, or other employee benefit acts. Moreover, nothing in this Indemnification and Hold Harmless provision shall be considered to increase or otherwise waive any limits of liability, or to waive any immunity, established by Florida Statutes, case law, or any other source of law.

- 5.2 For any and all claims against the City or any of its elected and appointed officials, attorneys, administrators, consultants, agents, or employees by any employee of Contractor, and sub-contractor, any person or organization directly or indirectly employed by any of them to perform or furnish any of the work or anyone for whose acts any of them may be liable, the indemnification obligation under the above paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation, or benefits payable by or for Contractor or any such sub-contractor other person or organization under workers' or workman's compensation acts, disability benefit acts, or other employee benefit acts. This indemnification and Hold Harmless provision shall survive termination of the Agreement.

- 5.3 The indemnification and hold harmless provision shall include, but not be limited to, all of the following:

- a. Damages awarded to any person or party.
- b. Attorney's fees and costs incurred in defending such claims. The City may use the attorney or law firm of its choice in which event the Contractor will pay such firm the fees it charges the City, provided such fees are reasonable in light of the prevailing market rate for similar legal services. Such fees shall be deemed reasonable if they are no greater than the fees that City pays other counsel for representation in similar cases. If the City Attorney's Office provides the defense, Contractor will reimburse the City at the prevailing market rate for similar legal services.
- c. Attorney's fees and cost of any party that a court orders the City to pay.
- d. Lost time that results from the City or its officials or employees responding to discovery or testifying by deposition or in court. In this regard, for any time the City spends in responding to document requests or public records requests relating to such claims whether from Contractor or any other party, Contractor will reimburse City \$50.00 for each employee work hour spent reviewing or

responding to such requests. For any time spent testifying in court or in depositions, or preparing for such testimony, Contractor will reimburse CITY on a per hour basis as follows:

- For the Mayor or City Commissioner: \$300.00 per hour
- For the City Manager or Deputy City Manager: \$250.00 per hour
- For an Assistant City Manager or Department Director: \$250.00 per hour
- For an Assistant Department Director: \$100.00 per hour
- For City Attorney, Deputy City Attorney or Asst. City Attorney: Prevailing market rates
- For other City employees: \$50.00 per hour

- e. The expenses incurred by City in complying with any administrative or court order that may arise from such claims.
- f. Miscellaneous expenses relating to such claims including expenses of hotels and transportation in trips relating to such claims; and
- g. Any other direct or indirect expense that City would not have incurred but for a claim that arises out of this agreement.

5.4 To the extent applicable, it is the specific intent of the parties hereto that the foregoing indemnification complies with Section 725.06 (Chapter 725), Florida Statutes.

5.5 The Bidder hereby expressly agrees and understands that the indemnification and hold harmless provisions contained in the Agreement resulting from this IFB, will supersede and take precedence over any such provisions contained within the IFB documents.
