

2025 Landscape Beautification Advisory Board Awards

City of Coral Gables
Commission Meeting

April 14, 2026

Since its incorporation in 1925, the City's lush, tropical flora has been an integral part of the quality of life shared by Coral Gables residents. Recognizing this, the City's Landscape Beautification Advisory Board has had a long-established tradition of acknowledging the efforts of residential property owners who add to the beauty of their neighborhoods through landscaping. Focusing mainly on botanical improvements, the board bestows Awards of Appreciation every year to the residential properties that contribute the most to the overall beauty of the area.
