Ms. Blaire stated new set-up truly flowed and it was great. Mr. Martinez stated he has shared pictures taken during other events Ms. Hastings has conducted and utilized them for the Gables monopoly.

Mr. Rodriguez advised there is an option from the Community Recreation department instead of having Adventure Day, perhaps to have a walk. Mr. Rodriguez stated walk would commence on Biltmore Way, then there is a park in front of city hall which will be utilized and incorporate walk into set up there.

Ms. Ward Sando asked why the Community Recreations department wants to change it. Ms. Hastings expressed there are a lot of events, approximately twelve disability affairs vendor events during the year. Ms. Hastings advised throughout the various events, the same audience, and the same vendors are present just at different locations, which seems redundant and makes it less enticing for people to attend events.
