Leaders,

Good afternoon!

Please find attached a letter of support for extending the Outdoor Temporary Dining Permit Program in the City of Coral Gables.

We request (and recommend) extending this temporary opportunity for our restaurants until May 31, 2022 – the official start of summer.

Thank you for your consideration of this request.

We would also respectfully ask that the attached letter of support from our Chamber of Commerce be read into the record on Tuesday, December 7<sup>th</sup> when item G-7 is heard during public hearing.

Thank you.

Mark
