Dear Katia,

As requested, Dr. Pamela Deroian, Director of the Counseling Center, Allison DeFinis and Josh Hook will attend the May 25<sup>th</sup> presentation.

The University of Miami's Counseling Center, the Sexual Assault Response Team (SART) and the Counseling Outreach Peer Education Program (COPE) will be donating \$425.00 to the Victims' Fund of Coral Gables Police Department. This money was raised from the event, "Walk a Mile in Her Shoes," a walk to prevent, educate and promote awareness of domestic violence, sexual assault, rape and gender violence. The walk was held on Saturday April 10<sup>th</sup>, 2010. We had over 200 participants in attendance. This money was raised by students who participated in this walk.

We have chosen to give this donation to the Victims' Fund of Coral Gables Police Department because of their of continual support for our students, staff and faculty in the area of sexual assault. We hope that this donation will be used to support victims of crime.

The University of Miami's Counseling Center strives to provide services to all students who request emotional support. In addition to the clinical services we provide, the Counseling Center has several outreach programs specifically targeting the areas of sexual assault, eating disorder awareness, suicide prevention and peer education about mental health services.
