CITY COMMISSION MEETING
December 3, 2024

ITEM TITLE:

A RESOLUTION OF THE PARKS AND RECREATION ADVISORY BOARD OF CORAL GABLES, FLORIDA REQUESTING THAT THE CITY COMMISSION FUND A PLANNING STUDY MAXIMIZING PICKLEBALL COURTS AT THE BILTMORE TENNIS CENTER WITHOUT THE LOSS OF TENNIS COURTS, AND ENSURING THE STUDY ALSO INCLUDES REVIEW BY THE HISTORIC ADVISORY BOARD.

BRIEF HISTORY:

The Parks and Recreation Advisory Board made a motion to fund and conduct a planning study to incorporate pickleball courts at the Biltmore Tennis Center. The study would also address noted concerns of the Board regarding the historical designation of the site, maximizing the number of pickleball courts without compromising tennis at the Biltmore facility and offer parking solutions to the added participant total that additional pickleball courts would bring. The motion was passed unanimously.
