CITY COMMISSION MEETING
February 13, 2018

ITEM TITLE:

A resolution providing the City with an option to extend the Solid Waste Franchise Agreement (Agreement) with Waste Management, Inc. of Florida pursuant to Section 2-764 of the Procurement Code entitled “approval of change orders and contract modifications”, on a month-to-month basis, not to exceed twelve (12) months to provide time to successfully negotiate a renewal agreement or perform the required solicitation to execute a new contract for solid waste and recycling collection services; further modifying the agreement to allow for cancellation by either party with 90 days’ notice at any time during the extension period.

DEPARTMENT HEAD RECOMMENDATION:

Approval.

BRIEF HISTORY:

On December 14, 2010, the City Commission approved a contract for solid waste and recycling collection services with WMIF.

The purpose of the agreement is to provide for the collection of solid waste and recyclable materials from multi-family residences and commercial businesses in the City. The current contract with WMIF expires on September 30, 2018 and the agreement requires a one hundred eight (180) day advance notice to exercise any extension authority.

In order to allow time for staff to successfully negotiate a renewal agreement or perform the required solicitation to execute a contract for the continuation of these services, it is recommended that the City have an option to extend the solid waste franchise agreement with WMIF on a month-to-month basis, not to exceed twelve (12) months, at the current contract rates and that the agreement be modified to allow for cancellation by either party with 90 days’ notice at any time during the extension period.

Under Section 2-764 of the Procurement Code entitled “Approval of Change Orders and Contract Modifications,” the current contract may be extended by the City Commission.
