RESOLUTION 2024-

A RESOLUTION OF THE CITY COMMISSION OF THE CITY OF CORAL GABLES, FLORIDA, DIRECTING THE CITY MANAGER TO IDENTIFY FUNDING FOR INSTALLATION OF TEMPORARY SPEED TABLES AT ALL LOCATIONS PENDING TRAFFIC CALMING IMPROVEMENTS

WHEREAS, the City of Coral Gables is dedicated to improving the accessibility and quality of life of our neighborhoods through safer streets; and

WHEREAS, pursuant to an Intergovernmental Agency Agreement between Miami-Dade County and the City of Coral Gables, the City assumed the installation and maintenance responsibilities of certain traffic calming devices on certain local municipal streets; and

WHEREAS, the City's Public Works Department has been implementing the City's traffic calming initiative by determining whether certain local municipal streets qualify for traffic calming, designing the installation of certain traffic calming devices, ascertaining whether there is concurrency of residents in the affected neighborhoods, and upon design and determination of concurrency, constructing the approved traffic calming devices; and

WHEREAS, there are currently eight (8) locations that are slated for construction of traffic calming devices after determination of concurrency and an additional fifty-two (52) locations in the City where traffic calming devices have requested and meet the criteria for installation of traffic calming devices, but the design phase and concurrency determination have not yet been completed; and

WHEREAS, given the timeline for design, balloting, and construction of traffic calming devices at all of the pending locations, the City Commission wishes to install temporary speed tables at all such locations and directs the City Manager to identify funding for the installation of such temporary speed tables.
