Hi Mr. Roman. My name is Tony Moya and I am with Cal Development, Inc. and I am writing regards to the above Case # CE-299889. I am the new project manager on this project and I am trying to get the new handrails completed but do not have the approved drawing from your office. Can you kindly let me know how I can get the drawings to you for approval before I fabricate the handrails? Any information you can give me to get this resolved and in compliance would be very much appreciated. Thank you.
