Hello Mr. Rodriguez:

I was hoping you can help me with a zoning related question.

I am in the process of requesting a permit for a reconfigured driveway to my home. My first attempt at obtaining the permit was rejected as it was incomplete and I need some guidance on how to proceed to resubmit the application. Please see application number below.

Thank you in advance for your assistance in this matter,
JPS

Thank you for your reply Mr. Rodriguez and Happy Monday.

I spoke with Ms. Darna this morning and she was most helpful. May I consult you on an unresolved issue? Can you direct me to any code/regulations that would pertain to SIDE YARD ACCESS and BOAT/TRAILER parking and access to the street. In short, I have a small boat parked at my side yard and need to have a manner to access it that is in line with CG code.

Thank you in advance for your help,
JPS
