Mortgagor fully warrants the title to the Mortgaged Property and every part thereof, and will forever defend the same against the claims of all persons whomsoever.

3. Mortgagor shall perform, observe and comply with all provisions hereof, of the Note and of all Loan Documents, and will promptly pay to Mortgagee the principal with interest thereon and all other sums required to be paid by Mortgagor under the Note and pursuant to the provisions of this Mortgage and of all Loan Documents when payment shall become due, all without deduction or credit for taxes or other similar charges paid or payable by Mortgagor.

If at any time the State of Florida shall determine that documentary stamps be affixed to the Note or hereto, or that intangible taxes should thereafter be affixed or paid, the Mortgagor shall pay for the same, together with any interest or penalties imposed in connection with such determination, and the amount of money needed to pay for such stamps or taxes and penalties shall, until such stamps are purchased and affixed and such taxes and penalties paid by Mortgagor, be a portion of the indebtedness secured by this Mortgage and bear interest from the date of such determination at the Default Rate (defined in Paragraph 35 hereof).

Re: REQUEST FOR 150 DAY EXTENSION
10 year recertification
1801 Ponce de Leon Blvd.
Coral Gables, Florida 33134

Dear Mr. Lopez:

By way of this communication I would like to request a 150 day extension of the deadline for the recertification of the above referenced property. I have been a resident of the "city beautiful" since 1973. I have been a business owner in the city since I returned from the military, Marine Corps. I am also a solo practitioner and owner of the above referenced property and would like to explain the reason for my request.

On or about October 2010, the building sustained damage resulting from the work performed by the construction company engaged by the city to do the portion of the sidewalk project which encompassed the excavation and replacement of the drainage and sidewalk for the length of the project. The construction company, Tran Construction, struck dug under the southwest corner of the building on the Ponce de Leon portion and struck and dug under the north face of the building where the drainage was being installed.

In an effort to resolve this issue quickly, amicably and without the need of any judicial intervention, I communicated this both to Tran Construction and to the city. Unfortunately, Tran Construction repudiated any and all liability and the city claimed that it was protected under sovereign immunity. Left with no other alternative, I filed suit against the construction company and the city for the damages caused by their negligence. What should have been a reasonably straight forward case, turned into an "on again off again" legal battle.

In the midst of this litigation, I had a horrific accident which, by all medical accounts, I should not have survived. Thankfully, they were wrong and I did. Unfortunately, I spent about 10 (TEN) months last year and a large part of this year dealing with my convalescence and

recovery as well as continuing potentially permanent physical impairments. The only reason for my candor is to provide you with as much information as I possibly can in order to assist you in making your decision in granting the herein requested extension.

When I was able to return to work, albeit on a severe light duty basis, I once again began to progress the case. Ultimately, I settled with the city and the engineer but the battle remains with the construction company. They have been the impediment to the aforementioned attempt to amicably resolve this matter from the onset. Presently, I am preparing to file a comprehensive summary judgment motion which, I believe will expedite the legal aspect of this issue. Notwithstanding said plan to expedite, Tran Construction will do everything they can to stall the matter.

With regards to the issue of the recertification, I met with Mr. Bill Miner, building director and Mr. Craig Leen, city attorney, in an effort to resolve this matter with the aid of the city. Given Mr. Leen's intimate knowledge of the legal issues, I requested a meeting to discuss what course of action we could take in order to delay the recertification deadline and enable me to finish the action and make the proper repairs to the building. At the meeting, I met and spoke with Mr. Miner and with the aid of Mr. Leen, we explained what had transpired and I then asked what I could do to work with the city in order to comply while giving me the time to finalize the case and make the necessary repairs to the structure. Subsequent to the meeting, Mr. Miner recommended that I formally request this extension from you, the city's building official.

My apologies for any delay in getting this request to you but, as I stated before, I am not out of the dark as of yet; and, being a solo practitioner trying to recover nearly a year's worth of lost income on less physical capacity than before, I have to pace myself.

At Mr. Miner's recommendation, I will be meeting with either the company that conducted the 40 year certification sometime close to the year 2000, or I will find a competent substitute and see how far we can go with it. I assure you that any delay has not been intentional but an unfortunate reality.

If for any reason you need additional information would like to personally see the pictures of the damage to the building, please feel free to contact me at your convenience directly on my cell at (786) 399-1985 or at my office. I appreciate your time and thank you in advance for your courtesy. I look forward to hearing from you at your earliest convenience.

Very truly yours,

JOHN HERRERA, ESQ.

CONSTRUCTION REGULATION BOARD**

CITY OF CORAL GABLES,

CASE NO. 15-4458

Petitioner,

vs.

JAK HOLDINGS GROUP, LLC,
a Florida limited liability company,

Respondent.

ORDER DECLARING STRUCTURE UNSAFE

This cause was brought before the Construction Regulation Board ("Board") of the City of Coral Gables ("City"), on November 9, 2015, on the Notice of Unsafe Structure Violation for Failure to Recertify and Notice of Hearing ("Notice"). The Board, having heard the arguments of the parties and having considered the evidence presented, hereby enters this Order Declaring Structure Unsafe ("Order") and finds, concludes, and orders as follows:

Findings of Fact

1. The City properly served the Notice on the owner, Jak Holdings Group, LLC ("Owner"), and any lienholders of record of the one-story office building ("Structure") built in 1924 (90-year recertification required) and located at 1801 Ponce de Leon Boulevard, Coral Gables, FL 33134-4418, legally described as: Lot 3, in Block 6, of REVISED PLAT OF CORAL GABLES SECTION "L", according to the Plat thereof, as recorded in Plat Book 8, at Page 85, of the Public Records of Miami-Dade County, Florida; and having folio number 03-4108-007-0380 ("Property").

2. The Notice alleges that the Structure is unsafe because on April 1, 2014, the City sent the Property Owner a 90-day Notice of Required Inspection requesting an inspection report conforming to the minimum inspection procedural guidelines as issued by the Miami-Dade County Board of Rules and Appeals, pursuant to Section 8-11(f) of the Miami-Dade County Code ("Report").

3. On July 22, 2014 and June 2, 2015, the City sent the Property Owner notices that the Report was past due.

4. To date, the Owner has not a) submitted the Report; b) completed the required repairs and c) submitted a letter from the architect or engineer who prepared the Report stating that the Structure now meets the minimum requirements ("Compliance Report")(collectively referred to as "Required Action").

Conclusions of Law

5. The Structure is presumed and is hereby declared unsafe pursuant to Section 105-186(j)(13) of the City Code for failure to timely comply with the maintenance and recertification requirements of the Florida Building Code or Section 8-11 of the Miami-Dade County Code.

Order

It is, therefore. ORDERED:

6. *Required Action.* The Owner shall take the Required Action as follows: The Owner shall submit, by 4 p.m. on Thursday, November 12, 2015, to the City's Development Services Department a signed and sealed preliminary letter from a licensed architect or engineer stating whether the Structure may safely be occupied ("Letter"). The Owner shall also submit, for comparison, the report regarding the structure that he has prepared for the purposes of litigation relating to damage to the Structure. Moreover, the Building Official shall serve a 10-day notice on the Owner stating that the Building Official will request that the electric utility terminate service to the Structure, unless the Letter establishes that the Structure may safely be occupied. The Building Official, in his sole and absolute discretion, may suspend the termination process, if he determines that the Owner has taken sufficient action to establish that the Structure may safely be occupied. The Board reserves jurisdiction to determine at the next scheduled hearing the reasonable time periods for the Required Action.

7. *Request for compliance inspection.* It is the responsibility of the Owner to contact the Building Official to request an inspection of City records and of the Property, as applicable, to determine compliance with this Order.

8. *Payment of costs and demolition by City.* The Owner shall pay, within 7 days of the date of this Order, the City's administrative costs to date of \$600, in addition to the costs of recording this Order. If the Owner does not comply with any of the applicable deadlines above, the Building Official may immediately and without further order from this Board, order that the structure be vacated, boarded, secured, and posted (including, but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy and the City may demolish the Structure. The City may sell as salvage or require the demolition contractor to dispose of the contents of the Structure. **Until the Structure is recertified in compliance the terms of this Order, the City shall not issue any further development approvals for the Property, including, but not limited to, building permits, unless the development approval is required to comply with the terms of this Order.**

9. *Lien for costs and notice to subsequent purchasers.* The City shall have a special assessment lien for its administrative costs and the costs of corrective action, including but not limited to, securing the Structure and demolition ("Costs"), against the real and personal property of the Owner, including the Property. The lien for Costs shall have equal dignity with a lien for taxes. In order to have this lien, the City shall record this Order and an affidavit for any

additional Costs, as applicable. Once recorded in the Public Records of Miami-Dade County, Florida, a copy of this Order shall constitute notice to any subsequent purchasers, successors in interest, or assigns, and the findings herein shall be binding upon the Owner and any subsequent purchasers, successors in interest or assigns.

10. *City's remedies are cumulative.* This Order notwithstanding, the City may enforce its code by any other lawful means.

11. **NOTICE:** If the Respondent does not comply with the terms of this Order, the City may issue a Notice of Non-Compliance ("Notice"). The Respondent may request an administrative hearing that shall be strictly limited to determining whether the Respondent complied with the terms of this Order. Requests for a hearing must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134-5717, bgarcia@coralgables.com, tel: (305) 460-5229. Failure to request an administrative hearing within seven (7) days after service of the Notice shall constitute a waiver of the Respondent's right to the hearing. The Respondent shall be liable for the reasonable costs of the administrative hearing, if the Respondent does not prevail at the hearing.

DONE AND ORDERED at the City of Coral Gables, Miami-Dade County, Florida, on this 10 day of November, 2015.

CONSTRUCTION REGULATION BOARD**

CITY OF CORAL GABLES,

CASE NO. 15-4458

Petitioner,

vs.

JAK HOLDINGS GROUP, LLC,
a Florida limited liability company,

Respondent.

ORDER DECLARING STRUCTURE UNSAFE

This cause was brought before the Construction Regulation Board ("Board") of the City of Coral Gables ("City"), on December 14, 2015, on the Notice of Unsafe Structure Violation for Failure to Recertify and Notice of Hearing ("Notice"). The Board, having heard the arguments of the parties and having considered the evidence presented, hereby enters this Order Declaring Structure Unsafe ("Order") and finds, concludes, and orders as follows:

Findings of Fact

1. The City properly served the Notice on the owner, Jak Holdings Group, LLC ("Owner"), and any lienholders of record of the one-story office building ("Structure") built in 1924 (90-year recertification required) and located at **1801 Ponce de Leon Boulevard**, Coral Gables, FL 33134-4418, legally described as Lot 3, Block 6, of REVISED PLAT OF CORAL GABLES SECTION "L", according to the Plat thereof, as recorded in Plat Book 8, Page 85, of the Public Records of Miami-Dade County, Florida; and having folio number 03-4108-007-0380 ("Property").

2. The Notice alleges that the Structure is unsafe because on April 1, 2014, the City sent the Property Owner a 90-day Notice of Required Inspection requesting an inspection report conforming to the minimum inspection procedural guidelines as issued by the Miami-Dade County Board of Rules and Appeals, pursuant to Section 8-11(f) of the Miami-Dade County Code ("Report").

3. On July 22, 2014 and June 2, 2015, the City sent the Property Owner notices that the Report was past due.

4. To date, the Owner has not a) submitted the Report; b) completed the required repairs and c) submitted a letter from the architect or engineer who prepared the Report stating that the Structure now meets the minimum requirements ("Compliance Report")(collectively referred to as "Required Action").

Conclusions of Law

5. The Structure is presumed and is hereby declared unsafe pursuant to Section 105-186(j)(13) of the City Code for failure to timely comply with the maintenance and recertification requirements of the Florida Building Code or Section 8-11 of the Miami-Dade County Code.

Order

It is, therefore, ORDERED:

6. *Required Action.* The Owner shall take the Required Action as follows: a) the Owner shall submit the Report within 30 days of the date of this Order; b) the Owner shall apply for all required permits to meet the minimum requirements as noted in the Report ("Permits") within 30 days of the date the Report is submitted, and, in any event, no later than 60 days of the date of this Order; c) the Owner shall obtain all Permits within 30 days from the date that the application is complete and, in any event, no later than 90 days from the date of this Order; and d) the Owner shall pass final inspection on all Permits and shall submit a Compliance Report within 30 days from the date that the Permits are issued and, in any event, no later than 120 days from the date of this Order.

7. *Demolition by Owner.* If the Owner elects instead to demolish the Structure: a) the Owner shall apply for all required permits to totally demolish the Structure within 15 days of the date of this Order ("Demolition Permit"); b) the Owner shall obtain the Demolition Permit within 15 days from the date that the application is complete and, in any event, no later than 30 days from the date of this Order; and c) the Owner shall pass final inspection on the Demolition Permit, including by laying sod on the Property and removing the construction fence, within 15 days from the date that the Demolition Permit is issued and, in any event, no later than 45 days from the date of this Order.

8. *Request for compliance inspection.* It is the responsibility of the Owner to contact the Building Official to request an inspection of City records and of the Property, as applicable, to determine compliance with this Order and to notify the City of any compliance action taken.

9. *Payment of costs and demolition by City.* The Owner shall pay, within 7 days of the date of this Order, the City's administrative costs to date of \$600, in addition to the costs of recording this Order. If the Owner does not comply with any of the applicable deadlines above, the Building Official may immediately and without further order from this Board, order that the structure be vacated, boarded, secured, and posted (including, but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy and the City may demolish the Structure. The City may sell as salvage or require the demolition contractor to dispose of the contents of the Structure. **Until the Structure is recertified in compliance the terms of this Order, the City shall not issue any further development approvals for the Property, including, but not limited to, building permits, unless the development approval is required to comply with the terms of the Order.**

10. *Lien for costs and notice to subsequent purchasers.* The City shall have a special assessment lien for its administrative costs and the costs of corrective action, including but not limited to, securing the Structure and demolition ("Costs"), against the real and personal property of the Owner, including the Property. The lien for Costs shall have equal dignity with a lien for taxes. In order to have this lien, the City shall record this Order and an affidavit for any additional Costs, as applicable. Once recorded in the Public Records of Miami-Dade County, Florida, a copy of this Order shall constitute notice to any subsequent purchasers, successors in interest, or assigns, and the findings herein shall be binding upon the Owner and any subsequent purchasers, successors in interest or assigns.

11. *City's remedies are cumulative.* This Order notwithstanding, the City may enforce its code by any other lawful means.

12. **NOTICE:** If the Respondent does not comply with the terms of this Order, the City may issue a Notice of Non-Compliance ("Notice"). The Respondent may request an administrative hearing that shall be strictly limited to determining whether the Respondent complied with the terms of this Order. Requests for a hearing must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134-5717, bgarcia@coralgables.com, tel: (305) 460-5229. Failure to request an administrative hearing within seven (7) days after service of the Notice shall constitute a waiver of the Respondent's right to the hearing. The Respondent shall be liable for the reasonable costs of the administrative hearing, if the Respondent does not prevail at the hearing.

DONE AND ORDERED at the City of Coral Gables, Miami-Dade County, Florida, on this 16 day of December, 2015.

**Re: 10-day notice of termination of electric service at 1801 Ponce de Leon Boulevard
("Property")**

Dear Sir or Madame:

Please be informed that, at a hearing held on Monday, November 9, 2015, the City of Coral Gables's ("City") Construction Regulation Board ("Board") declared the structure on the above-referenced Property ("Structure") unsafe for failure to recertify. A copy of the Board's order ("Order") is attached.

The Order provides that the Owner shall submit, by 4 p.m. on Thursday, November 12, 2015, to the City's Development Services Department ("Department") a signed and sealed preliminary letter from a licensed architect or engineer stating whether the Structure may safely be occupied ("Letter"). The Owner shall also submit, for comparison, the report regarding the Structure that it has obtained for the purposes of litigation relating to damage to the Structure.

Pursuant to the Order, you are hereby notified that I will request that the electric utility terminate service to the Structure within 10 days of the date of this notice, unless the Letter establishes that the Structure may safely be occupied. I may, however, in my sole and absolute discretion, suspend the termination process, if I determine that the Owner has taken sufficient action to establish that the Structure may safely be occupied. **Failure to timely contact the Department and make arrangements that are satisfactory to me to address this matter will result in a request to Florida Power & Light, without any further notice, to immediately disconnect power to the Structure.**

Please contact Virginia Goizueta, Building Services Coordinator, tel.: (305) 460-5250, email: vgoizueta@coralgables.com, or Manuel Z. Lopez, P.E., Building Official, tel.: (305) 460-5242, email: mlopez@coralgables.com. The Department's hours are Monday through Friday, 7:30 a.m. to 3:30 p.m.

Gentlemen:

I, Alfredo Brizuela, having performed an inspection on the above referenced property, hereby attest that to the best of my knowledge, belief and professional judgment, the building structure has suffered minor damage from the vehicle impact, however, **it is safe for occupancy**. The damage observed is in the form of small to hairline cracks on the exterior wall. Nothing observed is creating a dangerous situation for the public or rendered the building structurally unsafe.

In addition, we have received an engagement agreement to proceed to perform a 40 year recertification on the property. Should you have any further questions, please do not hesitate to contact our office.

Sincerely yours,

**Re: Request for extension to obtain permit
For 40/10 year recertification
JAK Holdings, LLC
1801 Ponce de Leon Blvd.
Coral Gables**

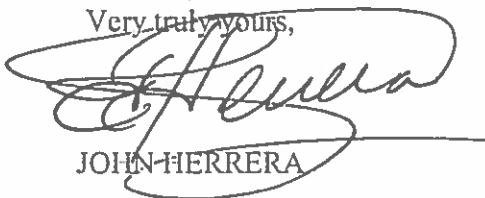

Dear Ms. Garcia,

Please accept this letter as my formal written request for an extension of time in which to obtain the permit for the work needed for the 40 year recertification. I was unaware as to what exactly was needed in order for the building and zoning department to issue the permit. As I briefly explained yesterday when we spoke, I do not know anything about this process. Accordingly, I hired a general contractor to pull permits and do the required work in accordance with codes, etc. As I just became aware of the requirement of drawings and details to submit to the city prior to issuing the permit, I ask that I be granted a short but reasonable extension in which to go back to the department and submit the plans and whatever else is needed.

I spoke with the general contractor after being informed of the denial and made sure to let him know the importance of compliance with all of the department's requirements. Furthermore, I made sure that he understood the issue of the pending deadline and the fact that this entire issue is time sensitive. He assured me that he would do his best to get this done apace. Additionally, he informed me that he was going to meet with the structural engineer in order to ensure that all the drawings and requirements would be complied.

In light of the aforementioned reasons, I respectfully request a 30 (THIRTY) day extension in which to obtain the permit(s) required in order to do the work properly and without further issue. This extension is requested in order to allow the general contractor and the structural engineer collaborate and submit detailed drawings for the department's review and acceptance.

Very truly yours,

JOHN HERRERA
