 Application: **Comprehensive Plan Map Amendment, Zoning Code Map Amendment, Zoning Code Text Amendment, Development Agreement Amendment**  
 Public Hearing: Planning and Zoning Board / Local Planning Agency  
**Date & Time: November 14, 2018; 6:00 – 9:00 p.m.**  
 Location: City Commission Chambers, City Hall,  
 405 Biltmore Way, Coral Gables, Florida 33134

### 1. APPLICATION REQUESTS

1. Comprehensive Plan Map Amendment
2. Zoning Code Map Amendment
3. Zoning Code Text Amendment
4. Development Agreement Amendment

### Location

The University of Miami recently purchased the property located at 6500 Red Road, formerly known as the United Methodist Church. The property is located on the prominent corner of Ponce de Leon Boulevard and Red Road, a five-minute walk to downtown South Miami and the South Miami Metrorail Station. The application package submitted by the Applicant is provided as Attachment A.

The requests include a Small Scale Comprehensive Plan Amendment, Zoning Code Map Amendment, Zoning Code Text Amendment, and Amendment to the first Recital of the Development Agreement between the City of Coral Gables and the University of Miami.

The Applicant has not submitted a site plan for review at this time and has not disclosed any specific plans for the property.

The property has a current Future Land Use designation of Religious / Institutional and is zoned Special Use District (S). The purpose of the request is to allow academic uses to occur on the property as defined in Section 4-202 of the Zoning Code. The proposed amendment to the Zoning Code text requires specific frontages and heights on the property, as required for other streets at the campus edge.

The future Underline is located across Ponce de Leon Boulevard, under the Metrorail immediately to the east of the site. Newly constructed four (4) story mixed-use buildings, Red Road Commons, are across Red Road on west. The property shares the block with 1-story commercial buildings, parking lots, and the six-story Plumer building to the east.

## Summary

The site is a total of 1.591 acres (69,322 sq. ft.) in size. The property currently has two-story church and school buildings and with “Religious / Institutional” land use and Special Use District (S) zoning designations. The Applicant has not submitted plans at this time.

As shown in the Zoning Map, the northern portion of the site is adjacent to University Campus (UCD) zoned parcels given the location next to the University of Miami. The northeastern portion of the site is adjacent to Commercial Limited (CL) zoned parcels and the southeastern portion to Commercial (C).

Once the Applicant submits the site plan for the subject property, Staff will review the plans administratively as a modification to the adopted Campus Master Plan as required in Section 4-202(E)(2) of the Zoning Code. In addition, all plans and elevations will continue to be reviewed for approval by the Board of Architects.

The United Methodist Church located at 6500 Red Road is a Local Historic Landmark, designated in 2009 at the request of the church. Any demolition requests will require a Special Certificate of Appropriateness Application to the Historic Preservation Board with recommendation from the Board of Architects. Any future additions would also require review by the Board of Architects and the Historic Preservation Board. Historic Preservation staff has discussed the process with the Applicant.

## Requests and Public Hearing Process

Requests include change the land use of the property from “Religious / Institutional” to “University Campus;” the zoning from Special Use (S) to University Campus District (UCD); amending the Zoning Code text to include frontages for subject property; and amending the Development Agreement to include property boundaries in the Legal Description of the University.

The request requires three public hearings, including review and recommendation by the Planning and Zoning Board, and 1<sup>st</sup> and 2<sup>nd</sup> Reading before the City Commission.

The Ordinances and Resolution under consideration include the following:

1. *An Ordinance of the City Commission of Coral Gables, Florida requesting an amendment to the Future Land Use Map of the City of Coral Gables Comprehensive Plan pursuant to Zoning Code Article 3, “Development Review”, Division 15, “Comprehensive Plan Text and Map Amendments”, and Small Scale amendment procedures (ss. 163.3187, Florida Statutes), from “Religious / Institutional” to “University Campus” for the property legally described as Lots 1 thru 8 and 34 thru 40, Block 196, Coral Gables Riviera Section 6 (6500 Red Road), Coral Gables, Florida; and, providing for severability, repealer and an effective date.*
2. *An Ordinance of the City Commission of Coral Gables, Florida requesting a change of zoning pursuant to Zoning Code Article 3, “Development Review”, Division 14, “Zoning Code Text and Map Amendments”, from Special Use District (S) to University Campus District (UCD) for the property legally described as Lots 1 thru 8 and 34 thru 40, Block 196, Coral Gables Riviera*

*Section 6 (6500 Red Road), Coral Gables, Florida; and providing for severability, repealer and an effective date.*

3. *An Ordinance of the City Commission of Coral Gables, Florida providing for text amendments to the City of Coral Gables Official Zoning Code by amending Article 4, “Zoning Districts,” “Section 4-202. University Campus District (UCD),” Article 8, “Definitions,” and Section A-89 – “Riviera Section Part 14” amending height and setback requirements for the property legally described as Lots 1 thru 8 and 34 thru 40, Block 196, Coral Gables Riviera Section 6 (6500 Red Road), Coral Gables, Florida; providing for severability, repealer, codification, and an effective date.*
4. *An Ordinance of the City Commission of Coral Gables amending the City of Coral Gables and University of Miami Development Agreement, adopted by Ordinance No. 2010-31 on 09.28.10, pursuant to Zoning Code Article 3, Division 19, entitled “Development Agreements,” for the University of Miami, City of Coral Gables Campus, amending the first Recital to include the property legally described as Lots 1 thru 8 and 34 thru 40, Block 196, Coral Gables Riviera Section 6 (6500 Red Road), Coral Gables, Florida; and providing for severability, repealer and an effective date. (legal description on file).*

**3. APPLICATION SUMMARY**

### Background Information and Location

The University of Miami recently purchased the property located at 6500 Red Road, formerly known as the United Methodist Church. The property is located on the prominent corner of Ponce de Leon Boulevard and Red Road, a five-minute walk to downtown South Miami and the South Miami Metrorail Station.

The subject property occupies roughly half the block and is bounded to the north by Levante Avenue, to the west by Red Road, and to the south by Ponce de Leon Boulevard. The property is legally described as Lots 1 through 8 and 34 through 40, Block 196, Coral Gables Riviera Section #6, Coral Gables, Florida, as shown in the following location map:

*Block, Lot and Section Location Map*

### 4. APPLICATION REQUESTS

### 1. Future Land Use Map Amendment

A comparison of the property’s existing Future Land Use Map designations and the Applicant's requested designation is shown on the following mapping:

*Existing Future Land Use Map*

*Proposed Future Land Use Map*

The current Land Use Classification is Religious / Institutional. The applicant requests a change to University Campus District.

## Findings of Fact

Zoning Code Section 3-1506 provides review standards for Comprehensive Plan amendments:

Standard	Staff Evaluation
1. Whether it specifically advances any objective or policy of the Comprehensive Land Use Plan.	General campus expansion along the multimodal corridor of Ponce de Leon will encourage walking, bicycling, and public transit for students, staff, and guests, as well as effective and proper high quality development. Specific use of the property will be determined when plans are submitted at a later time.
2. Whether it is internally consistent with Comprehensive Land Use Plan.	Expanding the campus along Ponce de Leon is consistent with the University's impact in the community. Specific use of the property will be determined when plans are submitted at a later time.
3. Its effect on the level of service of public infrastructure.	Specific use of the property will be determined when plans are submitted at a later time.
4. Its effect on environmental resources.	The property is currently developed; no significant environmental resources will be impacted.
5. Its effect on the availability of housing that is affordable to people who live or work in the City of Coral Gables.	Specific use of the property will be determined when plans are submitted at a later time.
6. Any other effect that the City determines is relevant to the City Commission's decision on the application.	Specific use of the property will be determined when plans are submitted at a later time.

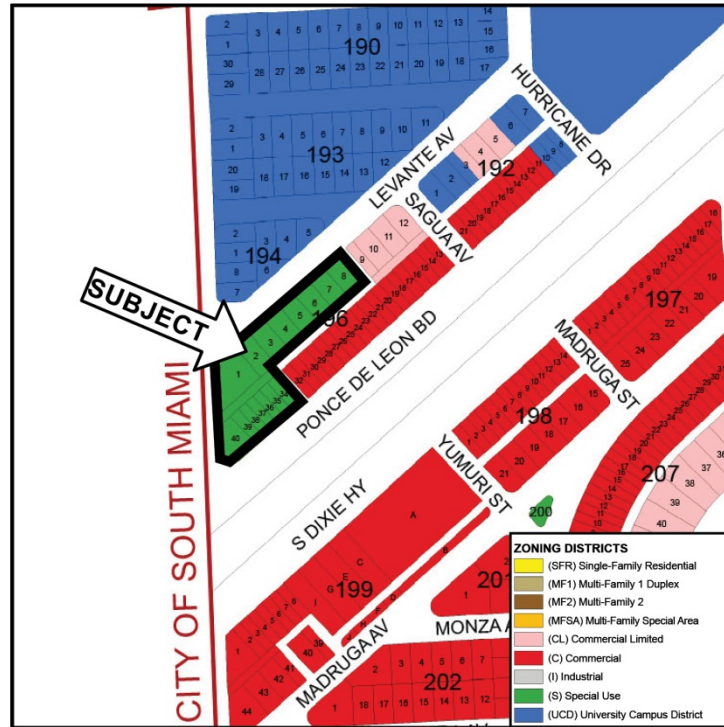

### *Staff comments:*

The proposed University Campus Land Use is appropriate for this location adjacent to the University of Miami. The standards identified in Section 3-1506 for the proposed CP map amendment are **satisfied**.

## **2. Zoning Code Map Amendment**

A comparison of the property's existing Zoning Map designation and the Applicant's requested Zoning Map designation is shown on the following mapping:

Existing Zoning Map

Proposed Zoning Map

The current Zoning District for the 6500 Red Road property is Religious / Industrial. The Applicant requests a change to University Campus.

## Findings of Fact

Zoning Code Section 3-1404 provides review standards for applicant-initiated Zoning Map amendments:

1. *It is consistent with the Comprehensive Plan in that it:*
  - a. *Does not permit uses which are prohibited in the future land use category of the parcel proposed for development.*
  - b. *Does not allow densities or intensities in excess of the densities and intensities which are permitted by the future land use category of the parcel proposed for development.*
  - c. *Will not cause a decline in the level of service for public infrastructure to a level of service which is less than the minimum requirements of the Comprehensive Plan.*
  - d. *Does not directly conflict with any objective or policy of the Comprehensive Plan.*
  
2. *Will provide a benefit to the City in that it will achieve two or more of the following objectives:*
  - a. *Improve mobility by reducing vehicle miles traveled for residents within a one-half (1/2) mile radius by:*
    - i. *Balancing land uses in a manner that reduces vehicle miles traveled.*
    - ii. *Creating a mix of uses that creates an internal trip capture rate of greater than twenty (20%) percent.*
    - iii. *Increasing the share of trips that use alternative modes of transportation, such as transit ridership, walking, or bicycle riding.*
  
  - b. *Promote high-quality development or redevelopment in an area that is experiencing declining or flat property values.*
  - c. *Create affordable housing opportunities for people who live or work in the City of Coral Gables.*
  - d. *Implement specific objectives and policies of the Comprehensive Plan.*
  
3. *Will not cause a substantial diminution of the market value of adjacent property or materially diminish the suitability of adjacent property for its existing or approved use.*

### *Staff comments:*

The request to change the land use from Religious / Industrial to University Campus has not been submitted with an accompanied site plan or expected use of the property. A Concurrency Impact letter was not included in the submittal but will be evaluated when plans are submitted for review. More information is needed to determine the impacts of the proposed zoning change.

The standards identified in Section 3-1404 for the proposed Zoning Map amendment are **satisfied**.

### **3. Zoning Code Text Amendment**

The proposed amendment to the Zoning Code text extends height and setback requirements to the

property located at 6500 Red Road. The property was recently purchased by the Applicant. The portion of the property facing Red Road will have the same height and setback requirements UCD Frontage B. The portions of the property located along Ponce de Leon Boulevard and the south side of Levante Avenue will have heights and setbacks as defined by the new “UCD Frontage F” to reflect the character of development along this street. The proposed amended Zoning Code text is as follows:

#### Article 4 – Zoning Districts

##### Section 4-202(G) Performance Standards.

\*\*\*

##### e. UCD Frontage E.

- i. Setbacks. None.
- ii. Height. Three (3) floors or forty-five (45) feet, whichever is less.

##### f. UCD Frontage F

- i. Setbacks. None, except along Red Road where there shall be a 25’ setback.
- ii. Height. Six (6) floors or seventy-two (72) feet, whichever is less.

\*\*\*

#### Article 8 – Definitions

\*\*\*

**University Campus District (UCD) Frontage E** means land within the UCD which has frontage on the following road segments: a) the south side of Levante Avenue from San Amaro Drive to Sagua Avenue; and b) the west side of San Amaro Drive, from Ponce de Leon Boulevard to Levante Avenue.

\*\*\*

**University Campus District (UCD) Frontage F** means land within the UCD which has frontage on the following road segments: a) the north side of Ponce de Leon Boulevard from Red Road to Sagua Avenue, b) the south side of Levante Avenue from Red Road to Sagua Avenue; and c) Red Road from Levante Avenue to Ponce de Leon Boulevard.

\*\*\*

#### **Section A-89 - Riviera Section Part 14.**

\*\*\*

##### C. Height of buildings.

- 1. No buildings or structures shall be constructed or erected on the following described properties to exceed three (3) stories or forty-five (45) feet in height, whichever is less:
  - a. Lots 8 through 21, inclusive, in Block 192.
  - b. Lots 13 through ~~40~~ 33, inclusive, in Block 196.
  - c. Lots 10 through 29, inclusive, in Block 206.
  - d. All Lots in Blocks 206A and 207. (2771)

\*\*\*

5. A structural addition, having a tower ~~and cross~~ of approximately sixty-eight (68) feet in height, ~~to the First Methodist Church of South Miami,~~ may be constructed on Lots 1 through 5, inclusive, Lots 36 through 40, inclusive, Block 196, according to Plat Book 28, Page 32 of the Public Records of Miami-Dade County, Florida.

\*\*\*

## Findings of Fact

Zoning Code Section 3-1405, “Standards for review of text amendments to these regulations and for City-initiated district boundary changes” requires that the Planning and Zoning Board shall recommend approval of Zoning Code text amendments if the amendments satisfy the below standards. Staff evaluation of each standard is provided below.

A. *“Promotes the public health, safety, and welfare.”*

*Staff comments:* The Applicant has not submitted plans for subject parcel but intends to improve the site’s conditions and impact on the surrounding neighborhood. However, the requested zoning designation is appropriate to promote future welfare of the area.

B. *“Does not permit uses the Comprehensive Plan prohibits in the area affected by the district boundary change or text amendment.”*

*Staff comments:* The future use of the property has not been included in the application and will be reviewed when the Applicant submits plans for review. Nevertheless, the permitted uses requested are appropriate for the area.

C. *“Does not allow densities or intensities in excess of the densities and intensities which are permitted by the future land use categories of the affected property.”*

*Staff comments:* Proposed densities and intensities have not been included in the application and will be reviewed when plans have been submitted. However, the “University Campus” land use requested would allow intensities consistent with the other University parcels.

D. *“Will not cause a decline in the level of service for public infrastructure which is the subject of a concurrency requirement to a level of service which is less than minimum requirements of the Comprehensive Plan.”*

*Staff comments:* A Concurrency Impact letter was not included in the submittal but will be evaluated when plans are submitted for review. Nevertheless, staff does not anticipate a significant decline in levels of service.

E. *“Does not directly conflict with an objective or policy of the Comprehensive Plan.”*

*Staff comments:* General campus expansion along the multimodal corridor of Ponce de Leon will encourage walking, bicycling, and public transit for students, staff, and guests, as well as effective and proper high quality development. Specific use of the property will be determined when plans are submitted at a later time.

The standards identified in Section 3-1405 for the proposed Zoning Code text amendments are **satisfied**.

**Consistency Evaluation of the Comprehensive Plan (CP) Goals, Objectives and Policies**

This section provides those CP Goals, Objectives and Policies applicable to the Application and the determination of consistency:

*Staff Comments:* Staff’s determination that this application is **consistent** with the CP Goals, Objectives and Policies that are identified is based lack of information included in the submittal.

**4. Amendment of Development Agreement**

The City Commission may enter into development agreements in accordance with the provisions of Zoning Code Article 3, Division 19, “Development Agreements” and Chapter 163, Florida Statutes to encourage a stronger commitment to comprehensive and capital facilities planning, ensure the provision of adequate public facilities for development, encourage the efficient use of resources, and reduce the economic cost of development.

*Proposed Legal Descriptions Map*

Zoning Code Section 3-1906 provides the standards for review of a development agreement, as follows:

*“In reaching a decision as to whether or not the development agreement should be approved, approved with changes, approved with conditions, or disapproved, the City Commission and the Planning and Zoning Board shall determine whether the development agreement is consistent with and furthers the*

*goals, policies and objectives of the Comprehensive Plan.”*

The Applicant is proposing to amend the Development Agreement to include the recently acquired property in the Legal Description of the University. The amended legal description is provided in the Applicant’s submittal.

*Staff comments:* The standards identified in Section 3-1906 for the proposed Zoning Code text amendment are **satisfied**. The proposed amendment to the Development Agreement is consistent with and furthers the Goals, Objectives and Policies of the Comprehensive Plan as have been specified and identified in the following section of this report. The proposed amendment to the Development Agreement will include the newly acquired property in the boundaries of the legal description of the University.

**Re: Application Amendment #1  
University of Miami  
6500 Red Road (f/k/a United Methodist Church)  
Proposed Amendments to:**

- **Comprehensive Plan Future Land Use Map**
- **Zoning Code Text**
- **Zoning Code Map**
- **Development Agreement**

Dear Mr. Trias:

Enclosed please find the University of Miami (“University”)’s first amended application (Application Amendment #1) for Comprehensive Plan, Zoning Code, and Development Agreement amendments for the property located at 6500 Red Road (f/k/a United Methodist Church). This amended application is directed to address those helpful comments we received from the Development Review Committee on September 28, 2018 regarding the site-specific zoning on the parcels at issue. Put simply, Application Amendment #1 harmonizes the site-specific zoning requirements to the proposed Zoning Code text amendments.

For your ease of review, we include in this amended application the original application materials together with the proposed revisions addressing the site-specifics. The individual applications are itemized below:

- A. **Comprehensive Plan Future Land Use Map (Small Scale) amendment from Religious / Institutional classification to University Campus classification. Because the property comprises less than ten (10) acres,**

it is eligible for treatment as small scale amendment in accordance with Section 163.3187, Florida Statutes. The proposed amendment is further described in **Exhibit A**.

- B. Zoning Code text amendments to:
- a. Article 4 – “Zoning Districts.” Section 4-202(G)1 to include a description of the new proposed “UCD Frontage F”.
  - b. Article 8 – “Definitions” modify the definition of the existing “University Campus District (UCD) Frontage B” and create a new definition for the proposed “University Campus District (UCD) Frontage F”.
  - c. Appendix A – “Site Specific Zoning Regulations.” Minor modifications to Section A-89-Riviera Section Part 14.

The proposed amendments are further described in **Exhibit B**.

- C. Zoning Map amendment to rezone the property from Special Use District (S) to University Campus District (UCD). The proposed amendment is further described in **Exhibit C**.
- D. Development Agreement amendment to **Exhibit A – Legal Description of Properties within the Main Campus City of Coral Gables, Miami-Dade County, Florida, Areas I and II**. The proposed amendment is further described in **Exhibit D**.

We look forward to working with you and your team and, hopefully, to your favorable recommendation to the proposed amendments.

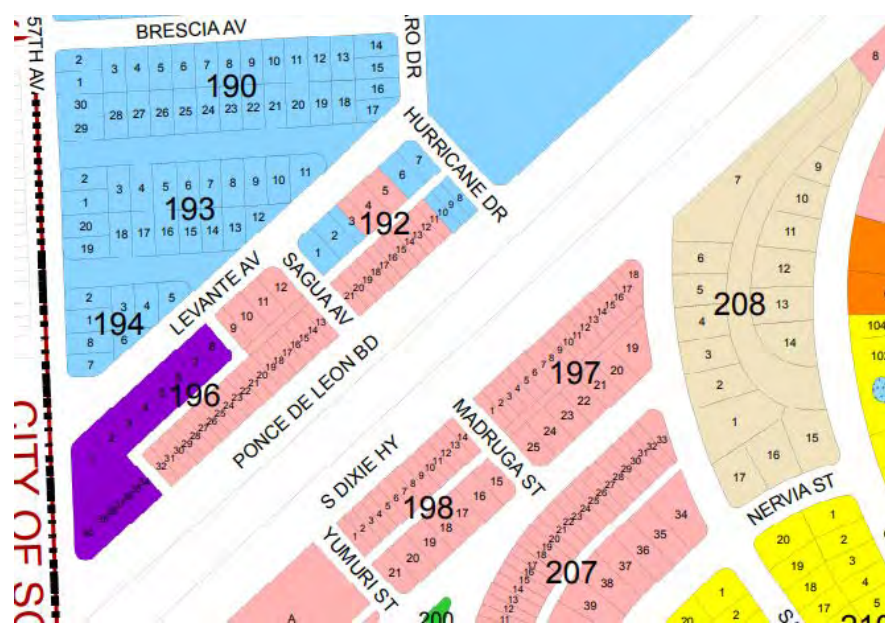

Sincerely,

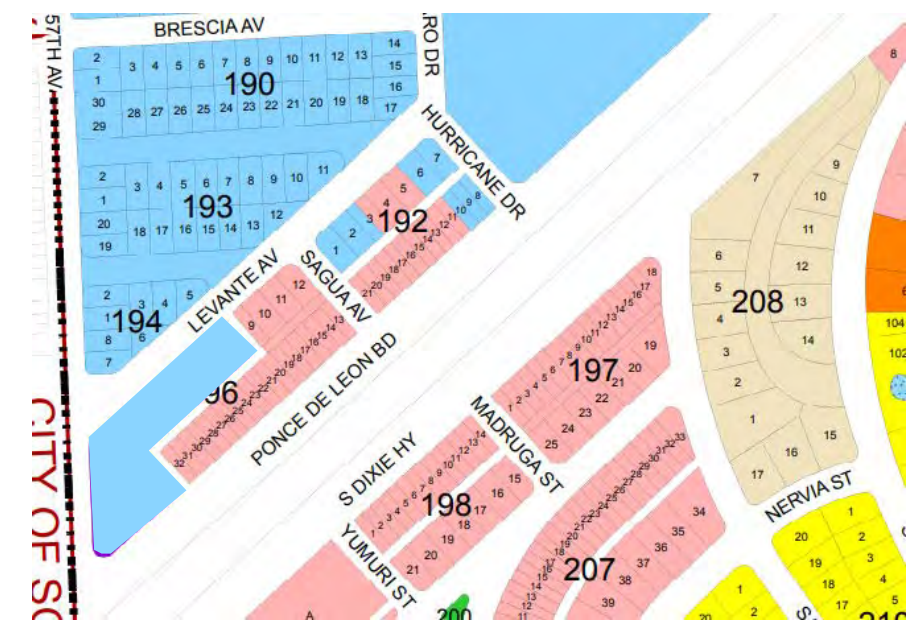

Jeffrey S. Bass  
For the Firm

**Exhibit A**  
**Comprehensive Plan Future Land Use Map Amendment**

The proposed amendment extends the boundary of the University Campus land use classification to the recently purchased property located at 6500 Red Road. The property is adjacent to the University of Miami. The current land use classification of the property is Religious / Institutional.

Existing Land Use Classification: Religious / Institutional

Proposed Land Use Classification: University Campus

### **Zoning Map Amendment**

The proposed amendment extends the boundary of the University Campus District (UCD) zoning to the recently purchased property located at 6500 Red Road. The property is adjacent to the University of Miami. The current zoning is Special Use District (S). The proposed rezoning will allow academic uses to occur on the property as defined in Section 4-202 of the Zoning Code.

Existing Zoning District: (S) Special Use

Proposed Zoning District: (UCD) University Campus District

**Exhibit D**  
**Development Agreement Amendment**

The proposed amendment amends Exhibit A referred to in the first Recital of Development Agreement between the City of Coral Gables (“City”) and the University, approved pursuant to Ordinance No. 2010-31, as amended, to include the property in the boundaries of the Legal Description of the University. The amended legal description follows.

Neighbor Meeting  
October 24, 2018 at Casa Bacardi  
Re: 6500 Red Road

See attached sign-in sheets.  
See attached copies of boards that were presented.

Jeff Bass presented the 4 land use applications that are before the City:

- Comprehensive Plan amendment
- Zoning Code map amendment
- Zoning Code text amendment
- Development Agreement amendment

Questions and comments from audience

- Maria Cruz - Frontage B allows up to 150' in height. Will there be a building there that is 150' in height? Is the property considered historic?

*Jeff Bass (JB) responded that there is no proposed change to increase height to 150'. The proposal was a maximum height of 72' or 6 stories. Janet further clarified that the 150' applies to the center of campus and does not apply to the edges.*

*JB explained that a portion of the church has been deemed historic and that there will be a separate process with the City's Historic Preservation department to determine what is and what isn't historic on the property and what can and can't be modified. The university is not there yet. The condition of the building is something that is currently being reviewed and will be back to the City with a request.*

- Rock Salt - When do we expect the process to be 100% complete? What is the next step in the process? Are there any ideas of what will be built there?

*JB stated that hopefully by the new year, the land use process can be wrapped up. A decision on the use of the property can't be made until the value and condition of the existing buildings have been determined and the historic process has been completed.*

- Sue Kawalerski- Is this the last meeting on the application? Why are we asking for height and setbacks if we don't know what we are going to do?

*JB confirmed that this is the only neighborhood meeting on the application. The university is asking for heights and setbacks based on best professional opinion on what might be there and is consistent with what is already in the area. We consider this to be a reasonable request. Plumer Building is approximately 6 stories. JB provided a brief background history of how the current heights and setbacks were established with the goal of increased flexibility in the center of campus and more regulations at the edges of campus.*

- Mrs. Salt – We must have an idea of what will happen on that property once the historical issues are resolved. How many people, offices, cars do we think will be on that property? Corner of

Alhambra, corner of San Amaro, and 57 Avenue are already very congested. What is the maximum we can build there?

*JB stated that those answers can't be provided right now. The university uses land very differently than an office building because parking and population at what is built can be controlled and limited. People come to campus and park where they are allowed to park and then don't move. We have not begun programming for a new building. University has reduced traffic on north side of campus despite building in the area and new building does not correlate to the generation of traffic. Janet stated that whatever is built on this property will be a part of the total allowable square footage approved for the campus – it will not be net new square footage. Currently, campus is approved for 6.8million square feet, and about 5.6million square exist today. The property does not increase the amount of allowable development.*

- Sue Kawalerski- She expressed concern that, due to proximity to the Metrorail, this could be a TOD and have increased height. What is to stop this from being a TOD and having unlimited height? Very close to Sunset Place and the increased development there.

*JB stated that despite being close to Metrorail, the request was for a zoning code change to University Campus District (UCD) not Transit Oriented Development (TOD). The proposed zoning is very different than a TOD and the property will be part of the uniform UCD zoning. The university is self-limiting on this parcel to 72' in height. We are a university that is not motivated by the same issues that other developers are motivated by. The university did not set out to buy this to build a tower, the opportunity presented itself. The university has moved with steady stewardship to place its lands under a uniform zoning, restrict itself in its asks, and be very disclosing in reporting to the City.*

- Neighbor - Could the University sell the property to a developer?

*Anybody can sell their property at any time. In this case, a buyer would have to live under the requirements of running a university unless they rezoned it. Nothing stops it but it is unlikely based on how the university manages its campus consistent with campus regulations.*

- Not applicable to application:
  - o Maria Cruz brought up that students are parking in the parking spaces on the public right-of-way across from her house on Miller Road and that neighbors receive letters asking to rent parking spaces in residents driveways.
