*****COURTESY 2-YEAR NOTICE*****

Notice of Required Inspection for Recertification of 30 Years or Older Building

Dear Property Owner:

Per the Miami-Dade County Property Appraiser's office the above referenced property address is thirty (30) years old, or older, having been built in 1965. In accordance with the Miami-Dade County Code, Chapter 8, Section 8-11(f), a qualified individual must inspect said building and a **completed** Recertification Report ("Report") must be submitted by you to this Department **in 2025**. A completed Report includes 1) Cover letters stating the structure meets (or does not meet) the electrical and structural requirements for recertification, 2) Building Structural Report, 3) Building Electrical Report, 4) Parking Lot Illumination Standards Form 5) Parking Lot Guardrails Requirements Form, and 6) (For threshold buildings only) Self-qualification letters from the inspecting engineers with accompanying DBPR proof of specialization. Submittal of the Report does not constitute recertification; it must be **approved** and the Letter of Recertification must be issued by this Department.

Threshold buildings (i.e. buildings greater than 3 stories or greater than 50 ft tall, or with an Assembly Occupancy > 5000 s.f. & Occupant load > 500 people) shall be recertified by Structural and Electrical Professional Engineers only. Self-qualification letters will be required with proof of DBPR structural and electrical specialization.

Any buildings that are not threshold buildings may be recertified by any Florida Registered Architect or Professional Engineer and self-qualification letters will not be required.

If no deficiencies are identified, the structure will only be recertified once the reports and forms have been submitted and approved.

If deficiencies are identified, they shall be reported to the Building Official within 10 days, or within 24 hours if there is an immediate danger identified. A completed report shall be submitted to this Department. In addition, a structural and/or electrical affidavit from the inspector will be required, with additional affidavits every 180 days, as needed so that the building can continue to be occupied while repairs are carried out. The Building Official is able to grant an extension of one hundred fifty (150) calendar days from the due date or the date the deficiencies were identified (whichever is sooner) to allow time to obtain the necessary permits and perform the repairs. The structure

will only be recertified once a *revised* report and all required information is submitted and approved, and all required permits are closed.

Proprietary or modified recertification forms from the inspectors will not be accepted. Only current municipal recertification forms will be accepted. The Architect or Engineer shall obtain the required Forms from the following link:

<https://www.miamidade.gov/global/economy/building/recertification.page>.

If this is your first time using the online system, please register at the following link:

<https://coralgablesfl-energovpub.tylerhost.net/Apps/selfservice/CoralGablesFLProd#/register>

You can access your online process using the process number provided above at the following link:

<https://coralgablesfl-energovpub.tylerhost.net/Apps/SelfService#/myWork?tab=MyPermits>

The Recertification Report fee of \$500.00 *and* additional document and filing fees shall be paid online at the following link:

<https://coralgablesfl-energovpub.tylerhost.net/Apps/SelfService#/payinvoice>

Failure to submit the required Report within the allowed time will result in **declaring the structure unsafe** and referring the matter to the City's Construction Regulation Board ("Board") without further notice and a \$600.00 administrative fee will be imposed at that time. The Board may impose additional fines of \$250.00 for each day the violation continues, may enter an order of demolition, and may assess all costs of the proceedings along with the cost of demolition and any other required action.

Please contact Douglas Ramirez at dramirez@coralgables.com regarding any questions concerning building recertification.

Thank you for your prompt attention to this matter.

Notice of Required Inspection For Recertification of Building – **OVERDUE NOTICE**
Process Number **RECT-xx-xxxx**

Dear Property Owner:

In a certified letter dated 1/31/2025, this Department notified you the property referenced above requires Building Recertification pursuant to Miami-Dade County Code, Chapter 8, Section 8-11(f). The letter informed you it was necessary to submit to this Department a completed Report prepared by a qualified individual within ninety (90) calendar days certifying the structure meets the requirements for recertification.

Please be advised the submittal of the Report is overdue and the **structure has been deemed unsafe** due to non-compliance. This may result in the revocation of the Certificate of Occupancy, as well as being subject to other penalties as provided in the Code. A completed Report includes 1) Cover letters stating the structure meets (or does not meet) the electrical and structural requirements for recertification, 2) Building Structural Report, 3) Building Electrical Report, 4) Parking Lot Illumination Standards Form 5) Parking Lot Guardrails Requirements Form, and 6) (For threshold buildings only) Self-qualification letters from the inspecting engineers with accompanying DBPR proof of specialization. Submittal of the Report does not constitute recertification; it must be **approved** and the Letter of Recertification must be issued by this Department.

See original notice for additional information.

Failure to submit the completed Report within thirty (30) calendar days from the date of this letter will result in forwarding the matter to the City's Construction Regulation Board for further review and determination. A \$600.00 administrative fee will be imposed at that time. The Board may impose additional fines of \$250.00 for each day the violation continues, may enter an order of demolition, and may assess all costs of the proceedings along with the cost of demolition and any other required action.

If this is your first time using the online system, please register at the following link:

Notice of Required Inspection For Recertification of Building – **FINAL NOTICE**

Dear Property Owner:

In a certified letter dated January 31, 2025, this Department notified you the property referenced above requires Building Recertification pursuant to Miami-Dade County Code, Chapter 8, Section 8-11(f). A Second Notice dated May 1, 2025 informed you it was necessary to submit to this Department a completed Report prepared by a qualified individual within thirty (30) calendar days certifying the structure meets the requirements for recertification.

See previous correspondence for additional information.

As of this date, the completed Report has not been submitted and the **structure remains unsafe** due to non-compliance. Please be advised the matter will be forwarded to the City's Construction Regulation Board ("Board"); a \$600.00 Administrative Fee will be imposed once the Case is scheduled. The Board may impose additional fines of \$250.00 for each day the violation continues, may also enter an order of revocation of the Certificate of Occupancy and/or demolition and assess all costs of the proceedings along with the cost of demolition and any other required action for which the City shall have a lien against the Property Owner and the Property. The completed Report may be submitted Monday through Friday, 7:30am to 2:30pm to this Department. Contact Analyn Hernandez at ahernandez2@coralgables.com if any questions regarding building recertification.

Please govern yourself accordingly.

**NOTICE OF UNSAFE STRUCTURE VIOLATION FOR FAILURE TO RECERTIFY
AND NOTICE OF HEARING**

Date: January 22, 2026

Re: 1200 Mariposa Ave, Coral Gables, FL 33134, Lots 1 thru 5 Blk 1 & Lot 7 Blk 2, Royal Caribbean Club Condo, COGA Subdivision PB 78-62, and 03-4130-025-0001 ("Property").

The City of Coral Gables ("City") Building Official has inspected the records relating to the Structure in accordance with Article III, Chapter 105 of the City Code, pertaining to unsafe structures, and Section 8-11 of the Miami-Dade County Code, as applicable in the City, pertaining to existing buildings. **The Structure is hereby declared unsafe** by the Building Official and is presumed unsafe pursuant to Section 105-89 10 (m) of the City Code for failure to timely comply with the maintenance and recertification requirements of the Florida Building Code or Section 8-11 of the Miami-Dade County Code.

Therefore, this matter is set for hearing before the City's Construction Regulation Board ("Board") in the Fairchild Tropical Board Room, 427 Biltmore Way, 1st Floor, Coral Gables, Florida 33134, on February 9, 2026, at 2:00 p.m.

You may appeal the decision of the Building Official to the Board by appearing at the hearing. You have the right to be represented by an attorney and may present and question witnesses and evidence; however, formal rules of evidence shall not apply. Failure to appear at the hearing will result in the matter being heard in your absence. Please be advised that if someone other than an attorney will be attending the hearing on your behalf, he or she must provide a power of attorney from you at the time of the hearing. Requests for continuance must be made in writing to, Analyn Hernandez, at City of Coral Gables, Development Services Department, 427 Biltmore Way, Coral Gables, FL 33134, ahernandez2@coralgables.com, tel: (305) 460-5250. The Development Services Department's hours are Monday through Friday, 7:30 a.m. to 2:30 p.m.

City's Exhibit #5

If the Required Action is not completed before the above hearing date, the Building Official may order that the structure be vacated, boarded, secured, and posted (including but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy until the Required Action is completed. The Building Official may also order demolition of the Structure and the City may recover the costs incurred against the Property and the Owner of record.

If the Property owner or other interested party does not take all Required Action or prevail at the hearing, the Construction Regulation Board may impose fines not to exceed \$250 for each day the violation continues past the date set for compliance and may also enter an order of demolition and assess all costs of the proceedings, in an amount not less than \$600, and the costs of demolition and other required action, for which the City shall have a lien against the Property owner and the Property.

Please govern yourself accordingly.

ADA NOTICES

Any person who acts as a lobbyist pursuant to the City of Coral Gables Ordinance No. 2006-11, must register with the City Clerk, prior to engaging in lobbying activities before the city staff, boards, committees and/or the City Commission. A copy of the Ordinance is available in the Office of the City Clerk, City Hall.

Pursuant to Section 286.0105, Florida Statutes, if a person decides to appeal any decision made by the Board, with respect to any matter considered at such hearing or meeting, he or she will need a record of the proceedings, and that, for such purpose, he or she may need to ensure that a verbatim record of the proceedings is made; which record includes the testimony and evidence upon which the appeal is to be based. Although a court reporter usually attends the hearing at the City's cost, the City is not required to provide a transcript of the hearing, which the Respondent may request at the Respondent's cost.

Any person who needs assistance in another language in order to speak during the public hearing or public comment portion of the meeting should contact the City's ADA Coordinator, Jose Rodriguez, Interim Director of Human Resources (E-mail: jrodriguez4@coralgables.com, Telephone: 305-722-8675, TTY/TDD: 305-442-1600), at least three (3) business days before the meeting.

Any person with a disability requiring communication assistance (such as a sign language interpreter or other auxiliary aide or service) in order to attend or participate in the meeting should contact the City's ADA Coordinator, Jose Rodriguez, Interim Director of Labor Relations and Risk Management (E-mail: jrodriguez4@coralgables.com, Telephone: 305-722-8675, TTY/TDD: 305-442-1600), at least three (3) business days before the meeting.

RE: Safety Structural and Electrical Inspection for Building Recertification.

Property Address: 1200 MARIPOSA AVE, CORAL GABLES, FLORIDA.

Folio Number: 03-4130-025-001

Dear Building Official:

I, Reinaldo Remedios, engineer with registration in the State of Florida, having performed the required electrical and structural inspections for recertification on the referenced building on 05/13/2025, hereby attest to the best of my knowledge, belief and professional judgment, that based on the conditions observed on the date of the inspections:

Although the subject building is not suitable for recertification, the building may continue to be safely occupied during repairs under its present occupancy for its specified use, but repairs must start as soon as possible. The building cannot be considered entirely safe, as there is a potential risk of future damage or injury if the identified issues are not addressed.

An extension of 60 days is hereby requested, according to Section 8-11(f)(2)(l) of the Miami Dade County Code of Ordinances.

To avoid possible misunderstandings, nothing in this report should be construed directly or indirectly as a guarantee for any portion of the structure. Stone Building Solutions cannot assume responsibility for any future damage, injuries, or consequences resulting from these unresolved problems.

The building recertification inspection was made in conformity with the minimum inspection procedural guidelines as issued by the Board of Rules and Appeals and represents an accurate appraisal of the present condition of the building based upon careful evaluation of observed conditions, to the extent reasonably possible.

Should you have any questions or need any additional information, please do not hesitate to contact me.

Sincerely,

Reinaldo Remedios, P.E.

Dear Antonio,

You'll find the complete list of deficiencies identified during the inspection in the attached document.

Based on my experience conducting these inspections over the years, the list is relatively short, and the required repairs are not particularly complex. However, these deficiencies must be addressed in order for the building to receive a passing report for recertification.

It's likely that you'll need to hire a contractor to properly address the roof fascia/soffit repairs on the main building, as well as the spalling in the "pool room."

I'm not sure what your past experience has been with contractors, but I wanted to let you know that at Stone, we offer construction management services that can help streamline this process. Our team can prepare a detailed Request for Proposal (RFP) outlining the required repairs, which you can use in a sealed bidding process with two or three contractors—helping to ensure competitive pricing.

In addition, we oversee the quality of the work throughout the project, ensuring the job is done correctly and to standard, with no corners cut.

I look forward to hearing from you soon.

Best regards,

Reinaldo Remedios
