

WARNING

This filter operates under pressure. Air can enter the system and become pressurized when any part of the filtration system is serviced or air has otherwise been allowed to enter the system. Pressurized air can cause the lid to blow off which can result in severe injury, death or property damage. To avoid this potential hazard, follow instructions exactly.

Como producto de la marca Eco Select™, las luces blancas de spa IntelliBrite 5g usan 98% menos energía que una luz incandescente tradicional.

SERIE ARQUITECTÓNICA INTELLIBRITE® ILUMINACIÓN PARA PISCINAS

CARACTERÍSTICAS PRINCIPALES

- **Ilumina su piscina** con la próxima generación de iluminación LED que incluye efectos de colores sensoriales y dinámicos.
- **Minimiza las áreas de iluminación excesiva y los rincones oscuros**, y mejora la combinación de colores con un lente difusor de alto rendimiento.
- **Modernización de la piscina perfecta** que se puede adaptar fácilmente con los nichos incandescentes actuales a la primera generación de iluminación LED para crear ese oasis en el patio trasero que desea.
- **Obtenga más luz consumiendo menos energía** con la tecnología de iluminación LED que ahorra energía. La última en tecnología nocturna con montos más pequeños en la factura de electricidad.
- **Construcción y materiales de calidad** del líder confiable en iluminación de piscinas por generaciones.
- **Siga su estado de ánimo** y elija entre 5 colores brillantes o 7 espectáculos de luces con cambio de colores.

Cycle de couleurs qui imitent les tropiques et l'été

Mode Party:
Cycle de couleurs qui imitent une soirée de fête

Mode Relax:
Cycle de couleurs qui imitent une soirée relaxante

En tant que produits de marque Eco Select™, les projecteurs à incandescence pour spa IntelliBrite 5g utilisent 98 % moins d'énergie que les projecteurs à incandescence traditionnels.

SÉRIE ARCHITECTURALE INTELLIBRITE® ÉCLAIRAGE DE PISCINE

CARACTÉRISTIQUES PRINCIPALES

- **Illuminez votre piscine** grâce à la nouvelle génération d'éclairage à DEL qui produit des couleurs éblouissantes et dynamiques.
- **Réduisez les points chauds et les coins sombres** et améliorez le mélange des couleurs grâce à une lentille de diffusion haute performance.
- **La mise à niveau parfaite de la piscine** est simple à adapter en gardant les niches à incandescence existantes ou l'éclairage à DEL de première génération pour créer l'oasis de jardin que vous recherchez.
- **Obtenez plus de lumière en consommant moins d'énergie** grâce à la technologie d'éclairage à DEL écoénergétique. La dernière technologie nocturne avec une facture d'électricité réduite.
- **Construction et matériaux de qualité** du chef de file de l'éclairage de piscine depuis des générations.
- **Adaptez l'éclairage à votre humeur** et choisissez parmi 5 couleurs brillantes ou 7 jeux de lumière dynamiques à couleur changeante.
