Re: Proposed Amendment to the City Charter of the City of Coral Gables

Dear Mr. Foeman:

On March 26, 2008, I sent to you two (2) proposed Amendments to Article II, Section 8 of the Coral Gables Charter regarding terms of Commissioners. I requested to be on the April 8, 2008 Meeting asking the Commission to adopt one of the two.

I am now informed that in fact this matter will be heard on the Agenda on April 8th. Thank you.

If one of the two Amendments is not adopted by the Commission and proposed to the Electors of the City, we would like to initiate an immediate referendum to accomplish the same. Time is of the essence since we want to get it on the earliest ballot which would be August and missing that then no later than November.

Therefore, I am submitting these two Petitions for Amendment to you for the purpose of obtaining approval of the form. I request that the approval of the form be obtained immediately so that we can begin preparation of the referendum immediately after the Commission Meeting.

I pointed out to you that the Coral Gables Charter and Code of Ordinances contain no provision for Amendment of the Charter by initiative. The only provisions for initiative and referendum are in Section 8.01 of the Charter and have to do with the Electors contesting the adoption of an Ordinance by the Commission and for proposing their own Ordinance. There is no provision for an Amendment of the Charter by initiative and referendum.

I would also point out to you that the only provision in our Charter regarding Charter Amendments is at Section 22-3. It requires that all proposals for Amendment to the City Charter be submitted to the qualified Electors of the City, but it does not provide how it gets to be submitted to the qualified Electors. Therefore, I am proceeding in accordance with State Statute and Miami-Dade Charter to fill the void.

I am, therefore, proceeding pursuant Florida Statutes 166.031.

Florida Statute Section 166.031 simply provides that upon Petition signed by 10% of the Registered Electors as of the last proceeding General Election, the Municipality shall submit to the Electors the proposed Amendment of the Charter. It also provides that it is to be placed on the ballot at the next General Election.

While I do not believe we have any obligation to follow the provisions of the Coral Gables Code respecting initiative and referendum on Ordinances (since this is a Charter Amendment), it, at least, contains some procedural guidelines.

Coral Gables Charter Section 8.01 does not require Commission action. It requires "Approval", but it does not say approval by whom. I assume it is administrative, that is, the City Clerk. I am, therefore, requesting that this approval be given no later than April 30, 2008.

We will then begin the process of obtaining the required signatures and we will present it to the Commission at the appropriate time. Florida Statute 166.031 does not limit the time for obtaining signatures for a Charter Amendment, and the Coral Gables Charter has no provision for a Charter Amendment Petition. But we propose to obtain the same within 60 days of our agreement on the form. The Charter of Miami-Dade so provides for Charter Initiatives and Home Rule would dictate, we follow that provision. At that time, the Commission will place it on the ballot at the next General Election.

As you are aware, from the case of *City of Miami, Walter V. Foeman, Clerk v. Miami Association of Firefighters Local 587*, 744 So.2d 555 (3rd DCA 1999), and *Shulmister v. Larkins*, 856 So.2d 1149 (4th DCA 2000) the single subject provision does not apply to Amendments to Charters.

I will be pleased to meet with you and the City Attorney to work through this matter.

If you will have any problem complying with these dates, please notify me immediately. There is some leeway in these dates, but not much. If I do not get confirmation from you that this can be accomplished within a satisfactory time period, I reserve the right to proceed without approval of the form or to seek redress in the Circuit Court so that we can be assured of getting on the ballot.

I hope this is not necessary and that I can have the cooperation of the City Clerk, City Manager, the City Attorney and hopefully the City Commission.

Yours very truly,

Vincent E. Damian, Jr.

Members of the Commission shall not hold any other public office except that of Notary Public or member of the State Militia. A member of the Commission ceasing to possess any of the qualifications specified in the Charter or, if convicted of a felony while in office, shall immediately and automatically forfeit his office.

We the undersigned, Registered Voters of the City of Coral Gables, do petition the City to place the foregoing Amendment to the Charter of City of Coral Gables on the ballot for consideration by the voters of the City of Coral Gables.
