**TO SUBMIT FORM DBPR ABT – 6003:**

The completed, original application must be submitted, by mail or hand delivery, to a Division District Office serving the location of the licensed premise address at least seven days prior to the first day of the planned event to ensure the permit is issued by the requested event date. **LAWS AND REGULATIONS RELATED TO THE TEMPORARY PERMIT**

**Florida Law for Temporary Permits**

Pursuant to section 561.422, Florida Statutes, upon the filing of an application and payment of a fee of \$25 per permit, the division may issue a permit authorizing a bona-fide nonprofit civic organization, charitable organization, municipality, or county to sell alcoholic beverages for consumption only on premises for a period not to exceed 3 days, subject to any state law or municipal or county ordinance regulating the time for selling such beverages. Any such civic organization, charitable organization, municipality or county may be issued up to twelve temporary permits per calendar year, except in those counties or cities with special acts governing the number of permits allowed annually. Information regarding the cities and counties with applicable special acts can be found at:

<http://www.myfloridalicense.com/DBPR/alcoholic-beverages-and-tobacco/>.

**Purchases of Alcoholic Beverages and Related Records**

The permitted bona-fide nonprofit civic organization, charitable organization, municipality, or county may purchase alcoholic beverages from a distributor or vendor licensed under the beverage law. All records of alcoholic beverage purchases and sales must be retained for examination upon request of the Division of Alcoholic Beverages and Tobacco.

**Sales of Alcoholic Beverages and Related Revenue**

All alcoholic beverage sales transacted under the authority of the permit must be made by responsible members of the permitted organization, only during the permitted time frame, and only at the permitted location. All net profits from sales of alcoholic beverages collected during the permit period must be retained by the permitted nonprofit civic organization or charitable organization. When a temporary permit is issued to a municipality or county, all net profits derived from sales of alcoholic beverages during the permit period must be donated to a nonprofit civic or charitable organization within 90 days after the event.

**Changes to the Permitted Event Date(s) or Event Venue**

If, before the first day of the event date, the permitted event is rescheduled for reasons outside the control of event organizers, the applicant organization must notify the Division within 14 days of the cancellation to be eligible for reissuance of the temporary permit on the rescheduled date(s) at no additional application fee.

If the permitted venue becomes unavailable and a new venue is chosen, the city or county zoning authority serving the new event venue must complete a new Section 4 of this application confirming zoning approval.
