a. Park suggestions - Pickle Ball

Maite Halley, a board member, began by providing the board members with an overview of the Coral Gables Pickleball Community, which was presented on October 22, 2024, to the city commission. She disclosed the options previously discussed and hard-court sport comparisons in Coral Gables. She went on to give a phase 1 and 2 plan for the Kerdyk Tennis and Pickleball Center at the Biltmore.

Public Comment:

Resident Anne expressed her enthusiasm for pickle ball and suggested that Biltmore Tennis incorporates pickle ball into its offerings. She presented Director Couceyro with a flyer from an external location that contained additional information.

Resident Thomas O. Wells presented to the board members why this is an excellent concept and asked for their support so that the project may proceed to commission.

Board member Ellen Chasens expressed concern regarding the events that have transpired at Biltmore Tennis and Salvadore Park. She is of the opinion that she has previously addressed that inquiry. Additionally, the United States Tennis Association (USTA) takes over numerous of courts. The pickleball association has been established, and it is anticipated that participants will desire to participate in tournaments and engage in competitive activities. What measures will you take to safeguard the pickleball facilities from the takeover? Director Couceyro replied they will take a close look at the facility use policy. A significant issue that this could introduce, according to board member Ellen Chasens, is parking for double the number of people.

THE STUDY WOULD ALSO ADDRESS NOTED CONCERNS OF THE BOARD REGARDING THE HISTORICAL DESIGNATION OF THE SITE, MAXIMIZING THE NUMBER OF PICKLEBALL COURTS WITHOUT COMPROMISING TENNIS AT THE BILTMORE FACILITY AND OFFER PARKING SOLUTIONS TO THE ADDED PARTICIPANT TOTAL THAT ADDITIONAL PICKLEBALL COURTS WOULD BRING WAS MADE BY MAITE HALLEY AND SECOND BY ELLEN CHASENS.
