**DEPARTMENT HEAD RECOMMENDATION:**

**BRIEF HISTORY:**

Execution of this Interlocal Agreement and associated Counterparts is necessary for the City of Coral Gables to continue to be a participant, as a Co-Permittee with Miami-Dade County (MDC) on NPDES permit No. FLS000003. Permit compliance for NPDES Permit No. FLS000003 is required by the State of Florida Department of Environmental Protection (FDEP) pursuant to Section 403.0885, Florida Statutes, Rule 62-624, Florida Administrative Code, and the Environmental Protection Agency (EPA).

This Agreement allows for MDC to initiate professional services, on the City's behalf, required to accomplish tasks as set-forth in the NPDES MS4 Operating Permit in the areas of Water Monitoring and Best Management Practices from the Agreement's effective date of October 1, 2022 through its expiration date of September 30, 2027.
