A Resolution of the City Commission of Coral Gables, Florida granting conditional use approval pursuant to Zoning Code Article 4, “Zoning Districts,” Section 4-206, “Business Improvement Overlay District (BIOD)”, to permit outdoor seating fronting Miracle Mile for a nonrestaurant facility Wolfe’s Wine Shoppe on property legally described as Lots 16 and 17, Block 3 of Crafts Section (124 Miracle Mile); including required conditions; providing for severability, repealer, and an effective date.

The request requires two public hearings, including review and recommendation by the Planning and Zoning Board, and approval via Resolution by the City Commission.

2. BACKGROUND INFORMATION

An application has been submitted by Wolfe’s Wine Shoppe, a 19-year-old commercial business, requesting tables and chairs for open-air seating on Miracle Mile. The Zoning Code was amended per Ordinance No. 2019-34 in October 8, 2019, requiring all non-restaurant facilities to obtain Conditional Use approval to allow open-air seating for non-restaurant facilities on Miracle Mile and Giralda Plaza. The procedure requires public meetings and review/approval by the Development Review Committee (DRC), Board of Architects, Planning & Zoning Board, and City Commission.

Currently, Wolfe’s Wine Shoppe can sell alcoholic beverages by the glass for consumption on the premises by Resolution No. 2017-34 as a non-restaurant establishment. The proposed request will allow this business to serve its patrons on Miracle Mile.

4. FINDINGS OF FACT

This section of the report presents City Staff’s evaluation of the Application and Findings of Facts. The City’s responsibility is to review the Application for consistency with the City’s Comprehensive Plan Goals, Objectives and Policies and compliance with the Zoning Code and City Code.

To provide an overview of the purpose and intent of the Conditional Use provisions, Zoning Code Article 3, “Development Review,” Division 4, “Conditional Uses,” Section 3-401, “Purpose and Applicability” provides for the following:

“The purpose of providing for conditional uses within each zoning district is to recognize that there are uses which may have beneficial effects and serve important public interests, but which may, but not necessarily, have adverse effects on the environment, particularly residential areas, overburden public services, or change the desired character of an area. Individualized review of these uses is necessary due to the potential individual or cumulative impacts that they may have on the surrounding area or neighborhood. The review process allows the imposition of conditions to mitigate identified concerns or to deny the use if concerns cannot be resolved.”

Resolution No. 2017-34

This resolution authorized Wolfe's Wine Shoppe to add the sale of Alcoholic beverages by the glass for consumption on premises. The City Commission approved the resolution after administrative review from the City Manager under Cathy Swanson and Assistant Peter Iglesias.

Wolfe's Wine Shoppe once the resolution was passed has secured the appropriate state licenses and has been utilizing the license since the resolution passed.

Wolfe's Wine Shoppe is requesting the ability to place tables and chairs out on the streetscape in front of 124 Miracle Mile. Applied for outdoor Miracle Mile seating.

The understood intent between the parties, was this resolution allowed Wolfe's Wine Shoppe to take advantage of the increased outdoor capacity after streetscape as well as inside the establishment. Wolfe's Wine Shoppe does not produce food and is only a vehicle for other Coral Gables businesses to deliver take out food to consume on the premises at 124 Miracle Mile. It was this determination with no impact to DERM or WASA and only for Solid Waste which we already contract for to allow this as a win, win for the downtown businesses and Wolfe's Wine Shoppe.

It shall be the permittee's responsibility to immediately remove planters, upon written and/or verbal notice from the City Manager, in case of emergency or other circumstances as provided in this division. Maximum size of planters shall not exceed the following:
 - (A) Rectangular planters: A maximum thirty (30) inches long, by fifteen (15) inches wide by twenty (20) inches high.
 - (B) Round planters: A maximum of twenty-four (24) inches diameter by twenty-four (24) inches high.

- (C) Planters twenty (20) inches or higher shall be on rollers or on rolling bases.
- (D) The combination of planters and plant height should not exceed a table height of thirty-four (34) inches.
- (xv) All Outdoor Dining facilities on public rights-of-way shall be located at the same elevation as the adjoining sidewalk.
- (xvi) Outdoor Dining shall not interfere with the free and unobstructed public access to any bus stop, crosswalks, public seating areas and conveniences, street intersections, alley, service easements, handicap facilities, access to adjacent commercial establishments, fire hydrants and/or other City utilities.
- (xvii) Outdoor Dining shall comply with the standards set forth in Sections 5-119(A)(7) and (B)(10) of the City of Coral Gables Zoning Code.
- (xviii) The Development Review Official may impose conditions, accept proffers and establish bonus programs to address potential harms and nuisances to serve the health, safety and welfare, and in particular, to ensure compatibility of the various uses within the right-of-way and adjoining areas.
- (xix) Plants shall be properly maintained. Distressed plants shall be promptly replaced. Plant fertilizers which contain material that can stain the sidewalks shall not be allowed. Water drainage from any plants onto the sidewalk shall not be allowed. Potted plants shall have saucers or other suitable systems to retain seepage.

b. Outdoor Seating for Nonrestaurant Facilities on Miracle Mile or Giralda Plaza with Approved Retail Beverage and Retail Liquor Store Licenses.

(i) Outdoor Seating for Nonrestaurant Facilities is permitted as a conditional use, if approved under the provisions of Article 3, Division 4, and subject to the standards in this Section and other applicable regulations for nonrestaurant facilities fronting Miracle Mile or Giralda Plaza that have been issued a retail beverage or retail liquor store license pursuant to section 6-4 of the City Code.

(ii) Any conditional use for outdoor seating must, at a minimum, comply with the standards, criteria, and conditions set forth in this Section for Outdoor Dining and any other applicable requirements. The nonrestaurant facility shall at all times be in compliance with all state and local regulations, including, without limitation, any state alcohol licensing requirements. The City Commission may impose additional appropriate conditions to protect the public health, safety, and welfare.

(iii) The conditional use approval granted under this Section may be renewed administratively if (1) there are no proposed changes to the Outdoor Seating; (2) the nonrestaurant facility is in compliance with all requirements of its retail beverage or retail liquor store license under section 6-4 of the City Code and all requirements of its conditional use approval for Outdoor Seating; and (3) no code enforcement citations have been issued to the nonrestaurant facility. - e. f. Outdoor Dining shall be restricted to the frontage of the abutting business property frontage line. The utilization of space extending no more than fifty (50) linear feet on either side of the property frontage line may be authorized and transferable subject to a written consent between the neighboring Property Owners and/or Tenants in front of whose businesses the Outdoor Dining service shall occur. Should obstacles in the public ROW prohibit a restaurant from being able to provide outdoor dining in front of, or adjacent to, their place of business, the Development Review Official may permit the restaurant to use other underutilized outdoor dining areas in close proximity to the restaurant, subject to the same written consent requirements provided above.
- f. g. The City Manager may adopt administrative regulations to implement and enforce the standards for outdoor dining and outdoor seating set forth herein.

February 6th 2017

City of Coral Gables
405 Biltmore Way
Coral Gables, FL 33134

This letter is to act as an informative description of Wolfe's Wine Shoppe's hope to have city approval to be able to have a series increase from our 2APS license to a 2COP license.

As we discussed with the City Manager and staff we would like to offer wine by the glass without becoming a restaurant. With little or no impact to the way we operate our business now we would like to offer a space for people to come and enjoy a glass of wine and order food from an array of Coral Gables businesses that would deliver to our location. Adding high top chairs to our location for people to relax and take advantage of the ability in the shoppe, which will find a new source of needed revenue in the downturn of streetscape. As suggested by staff that when the overpay is completed we would also like to take the opportunity to have seating outside in the newly paved sidewalk.

Respectfully Yours

A handwritten signature in black ink, appearing to read "J. Wolfe". The signature is fluid and cursive, with a long, sweeping underline that extends to the right.

CITY OF CORAL GABLES

- MEMORANDUM -

TO: City Manager
DATE: February 8, 2019
FROM: Ramon Trias,
Assistant Director
Development Services
SUBJECT: Wolfe's Wine Shoppe
(124 Miracle Mile)
Outdoor Seating

The Planning and Zoning Division has reviewed the Wolfe's Wine Shoppe (a retail packaged store) request submitted for outdoor seating utilizing the sidewalk. Pursuant to Resolution No. 2017-34, the City Commission authorized permission to sell alcoholic beverages by the glass for consumption on premises. The original intent of the applicant was to also have tables and chairs available to customers, as indicated in his letter of intent dated February 6, 2017.

Section 4-206, Business Improvement Overlay (BIOD) District, provides outdoor dining for restaurants fronting Miracle Mile and Giralda. Wolfe's Wine Shoppe is a retail store that sells packaged and by-the-glass alcoholic beverages. A special approval would be required to allow outdoor dining for a non-restaurant use.

Staff recommends to either amend Resolution No. 2017-34 to include outdoor seating; adopt administrative regulations pursuant to Section 4-206.B.4(f); or discuss with the City Commission.

If the applicant is granted permission to allow outdoor seating as a retailer, the applicant will complete the Sidewalk Café application process which includes:

1. Obtain approval from the Board of Architects for furniture selection.
2. Complete a Restrictive Covenant for furniture in the right-of-way.
3. Obtain approval from Planning and Public Works for site plan of tables and chairs.
4. Obtain any other required outside approvals.

Attached are documents provided by Wolfe's Wine Shoppe, which include an updated letter of intent; February 2017 letter of intent; Resolution 2017-34; and the Outdoor Dining application and submitted materials.

Staff is available to meet and assist with the submittal of the application and to answer any questions regarding the request.

Should obstacles in the public right-of-way prohibit a restaurant from being able to provide outdoor dining in front of, or adjacent to, their place of business, the Development Review Official may permit the restaurant to use other underutilized outdoor dining areas in close proximity to the restaurant, subject to the same written consent requirements provided above.
4. Outdoor dining furniture shall be located at least ten (10) feet from the storefront or façade of the building. If the building is set back then a ten (10) foot clearance of the sidewalk from the property line shall be maintained.

8. Live entertainment in permitted areas shall comply with noise regulations and hours of operation.
9. Planters within outdoor dining areas shall be set at a minimum of ten (10) feet from the property line. Planters shall not block the normal pedestrian flow or impede handicap accessibility on any sidewalk area or street crossing, including access to on-street parking. Planters shall not enclose portions of the sidewalk but may be used as buffers from vehicular traffic. Artificial planting materials (i.e. fake flowers and plants) shall be prohibited within planters. It shall be the permittee's responsibility to immediately remove planters, upon written and/or verbal notice from the City Manager, in case of emergency or other circumstances.
