

**City of Coral Gables
CITY COMMISSION MEETING
April 29, 2008**

ITEM TITLE:

Ordinance on First Reading. An Ordinance amending Chapter 50 of the "Code of the City of Coral Gables," entitled "Pensions," clarifying the effective date of the five percent employee contribution by firefighter participants; providing for an effective date; and repealing all ordinances inconsistent herewith.

RECOMMENDATION OF THE CITY MANAGER:

The City Manager recommends the adoption of this Ordinance on first reading.

BRIEF HISTORY:

As a result of a meeting among representatives of the State Division of Retirement, the City and the International Association of Fire Fighters Local 1210, there remains one change to section 50-34 of the Code, referencing the appropriate start date for the five percent (5%) employee contribution by firefighter participants. This final revision resolves the open issues between the State and the City. Accordingly the City has been assured that the funds due to the City under chapters 175 and 185 will be released upon the passage of this ordinance on First Reading.
