- If not all areas of the event are accessible, signs can direct individuals to the location of accessible entrances, routes, service locations and restrooms.

Communication Accommodations for the Deaf and Hard of Hearing

- If a deaf or hard of hearing participant requests communication assistance to attend an event involving a performance or presentation, the event's Accessibility Coordinator should communicate with the requestor in advance to determine the form of assistance needed: sign language (e.g., American Sign Language (ASL), Signed English, Signed Exact English), real-time captioning, note-taker or other.
- If a sign language interpreter will be located on a stage, a reasonable amount of the seating/viewing area directly in front of the interpreter should be reserved for deaf and hard of hearing individuals and at least one (1) companion.
- Video that is part of the special event should be equipped with captions for participants who are deaf or hard of hearing.
- If amplified sound is used, provide assistive listening devices upon request.

III. SERVICE ANIMALS

Service animals should be permitted to accompany individuals with disabilities at the special event. At the City, a service animal is defined as any dog or miniature horse trained to do work or perform tasks for the benefit of an individual with a disability. These tasks may include, but are not limited to, guiding a person who is visually impaired or blind, alerting a person who is deaf or hard of hearing, pulling a wheelchair, assisting with mobility or balance, alerting and protecting a person who is having a seizure, or retrieving objects.

Individuals attending the event must retain control of their service animals at all times and are responsible for any damage to property or persons caused by their service animals. The Permit Applicant may exclude or remove a service animal from the event if the animal is not controlled, if the animal is not housebroken, or if the animal's behavior causes a direct threat to the health and safety of others. The Permit Applicant is not required to take control of service animals or provide food or water for the animals.
