

**City of Coral Gables**  
**CITY COMMISSION MEETING**  
**September 9, 2008**

**ITEM TITLE:**

Resolution authorizing the City Manager to develop a non-binding Letter of Intent with Green Power, Inc., a Washington based corporation, setting forth all terms and conditions for the installation of Green Power, Inc. Waste-To-Fuel Solution Plants to be operated by the City.

**RECOMMENDATION OF THE CITY MANAGER:**

The City Manager recommends approval of this item.

**BRIEF HISTORY:**

Green Power, Inc., a Washington based corporation, has developed a method that converts unsorted municipal solid waste into high grade diesel fuel, jet fuel, bunker oil, electricity, and kerosene.

City Staff visited a full size working facility located in Washington state to view the operations.

This resolution is for City Staff to further investigate this technology and the feasibility for potential benefits to the City.

Once a draft Letter of Intent has been developed, it will be presented at a future City Commission meeting for approval.
