Except as otherwise provided for in this Lease, Tenant shall have no other claims or rights whatsoever to the Premises, and further, waives any and all possible claims, whether present or future, to the Premises.

II. TERM:

The Lease shall be for a term of five (5) years (the "Term" or "Lease Term") commencing on the Effective Date and expiring on the last day of the month following the date being five (5) years from the Effective Date, unless terminated or extended as provided in this Lease. Tenant's

obligations to pay Rent (as defined herein) shall commence on the Effective Date, in accordance with the terms and conditions herein (the "Rent Commencement Date").

All provisions of this Lease shall be in full force and effect upon the Effective Date.

III. CONDITION OF PREMISES "AS IS":

It is acknowledged that Tenant has been in possession of the Premises pursuant to the Original Lease, and Tenant acknowledges and agrees that it has previously inspected the Premises and conducted its own due diligence with regard to the conditions of the Premises and is accepting the Premises in "as is" condition. Landlord makes no representations as to the "Permitted Use" (as hereinafter defined) or suitability of the Premises for the Permitted Use. Tenant further acknowledges and agrees that continued possession of the Premises by Tenant shall be conclusive evidence against Tenant that the Premises are in satisfactory condition.

IV. LOT IMPROVEMENTS:

Following the Effective Date, Landlord shall, at its cost and expense, install lighting on the Premises, as required by applicable law, and to Landlord's satisfaction ("Landlord's Work"). Rent for any partial month of occupancy at the end of the Term will be prorated based on the actual number of days in such partial month. The term "Rent" as used in this Lease shall mean Base Rent, plus sales tax, any and all applicable tax, and all other charges and costs due by Tenant to Landlord under this Lease. Landlord shall have the right to apply any payments made by Tenant first to any deficiency in the payment of the interest and administrative charges hereunder. If Tenant pays Rent late three (3) times in any twelve (12) month period, in addition to Landlord's other remedies, Landlord may cancel this Lease.

C. Commencing on the first full month following the completion of Tenant's Work and continuing each month thereafter until the Reimbursement is paid in full, Landlord shall provide Tenant a rent abatement in the amount of \$200.00.

VI. RENEWAL OPTION:

Provided Tenant has not been in default during the Term of this Lease and is not in default under the terms of this Lease at the time of exercise or commencement of this option, Tenant shall have the right, exercisable not more than twelve (12) months and less than six (6) months prior to the expiration of the initial Lease Term, to provide notice to Landlord (the "Renewal Notice") of its intent to renew this Lease for a period of five (5) years beginning on the first day following the last day of the initial Lease Term and ending on the last day of the fifth anniversary thereof (the "First Renewal Period"), upon the same terms and conditions herein, the total Base Rent payable during the First Renewal Period shall be as follows.

Provided Tenant has not been in default during the First Renewal Period and is not in default under the terms of this Lease at the time of exercise or commencement of this option, Tenant shall have the right, exercisable not more than twelve (12) months and less than six (6) months prior to the expiration of the First Renewal Period, to provide a Renewal Notice to Landlord of its intent to renew this Lease for an additional period of five (5) years beginning on the 1st day following the last day of the First Renewal Period and ending on the last day of the fifth anniversary thereof (the "Second Renewal Period"), upon the same terms and conditions herein, except: the total Base Rent payable during the Second Renewal Period shall be as follows:

LEASE YEAR	BASE RENT PER YEAR/MONTH
Year 11	\$ 1,462.79
Year 12	\$ 1,492.05
Year 13	\$ 1,521.89

Upon receipt of the Renewal Notice, Landlord shall have thirty (30) days to approve or reject Tenant's renewal option.

Tenant's failure to notify Landlord timely of its exercise of the option to renew shall be considered a forfeiture by Tenant of this option to renew.

VII. TERMINATION:

Landlord shall have the right to terminate this Lease, for any necessary reason whatsoever, upon at least sixty (60) days written notice to Tenant, or sooner if the termination is deemed urgent by Landlord. On or before the date being sixty (60) days following the delivery of notice to termination by Landlord, or sooner if the termination is deemed urgent by Landlord, Tenant shall vacate and turn over the Premises to Landlord, whereupon both parties shall be released from all further obligations under this Lease, except those that expressly survive termination hereof.

VIII. USE:

Tenant acknowledges that Tenant's use and occupancy of the Premises for a public purpose are a material inducement for Landlord to lease the Premises to Tenant. The Tenant will use and

occupy the Premises for the following public use or public purpose and for no other use or purpose: surface parking lot for Tenant's visitors and/or employees. This use defines the use that is permitted on site and is hereinafter considered the "Permitted Use". Under no circumstances shall Tenant be permitted to use or occupy the Premises for any use or purpose that does not constitute a public purpose or charge the public for the use of the Premises.

In the event that Tenant fails to strictly comply with the Permitted Use requirements set forth herein, Landlord shall provide written notice to Tenant stating the nature of the failure and giving Tenant thirty (30) days in which to resolve the matter, failing which, Landlord may, in addition to all other remedies available to it, immediately terminate this Lease or restrain said improper use by injunction, and take retake possession of the Premises. Without the prior written consent of the Landlord, the Premises shall never be closed for use by Tenant's visitors and/or employees more than two (2) weeks continuously and thirty (30) days (in the aggregate) in any calendar year except situations that would be considered "Force Majeure".

Tenant shall not commit any nuisance; nor permit the emission of any objectionable noise or odor, nor burn any trash or refuse within the Premises; nor bring on, deposit or allow to be brought on or deposited on the Premises any hazardous or noxious materials or substances, as the same may be defined by federal, state or local laws, codes, ordinances, rules, or regulations; nor make any use of the Premises or any part thereof or equipment therein which is improper, offensive, a nuisance or contrary to law.

IX. QUIET ENJOYMENT:

Upon payment by Tenant of the Rents herein provided, and upon the observance and performance of all terms and provisions, on Tenant's part to be observed and performed, Tenant shall, subject to all of the terms and provisions of this Lease, peaceably and quietly hold and enjoy the Premises for the Term hereby demised.

Notwithstanding the foregoing, in the event of an emergency, including, without limitation, natural disasters such as hurricanes and floods, the breaking of any electrical or water lines under the Premises, or upon the occurrence of any event that poses a danger to human life and safety, Tenant agrees, upon Landlord's request, to immediately evacuate the Premises.

X. INSURANCE:

Without limiting the Tenant's indemnification of the Landlord, and during the Term of this Lease, Tenant shall maintain, at its own cost and expense, the following types and amounts of insurance with insurers. For Workers' Compensation Insurance, Tenant shall cause all contractors providing services at the Property to maintain, at their own cost and expense, Worker's Compensation insurance as provided in section A. 1. below with insurers with rating of "A-" "VI" or better according to the A.M. Best rating guide as a minimum standard. Such programs and evidence of insurance shall be satisfactory to the Landlord and shall be primary to and not contributing with any other insurance or self-insurance program maintained by

the Landlord. All certificates of insurance or other forms evidencing coverage to the Landlord must be acceptable to the Landlord. The certificate holder should read, and all coverage shall be evidenced to:

The following documents must be provided to Landlord: a certificate of insurance containing the following information: (i) issued to entity contracting with the Landlord; (ii) evidencing the appropriate coverage; (iii) evidencing the required limits of liability required; (iv) evidencing that coverage is currently in force; and (v) language provided in the special provision section of the certificate of insurance affirming that all endorsements required by the Landlord have been endorsed to all of the policies.

Such certificates or other document evidencing all insurance coverage shall be delivered prior to the Effective Date, provided that Tenant's failure to provide such evidence to Landlord shall not extend the Rent Commencement Date. All insurance coverage evidenced to the Landlord shall specifically identify this Lease, and shall contain the express condition that the Landlord is to be given written notice, by receipted delivery, at least thirty (30) days in advance of any cancellation, non-renewal or material change of any insurance policy.

A. The Tenant shall maintain during the Term of this Lease, except as noted, the following insurance:

Workers' Compensation and Employers Liability Insurance covering all employees, subcontractors, and/or volunteers of the contractor and/or vendor engaged in the performance of this Lease. The minimum limits of liability shall be in accordance with applicable state and/or federal laws that may apply to workers' compensation insurance, with the following limits or a self-insurance program that is acceptable to the City:

All applicable policies, except for workers compensation, shall name the Landlord as an additional insured on a primary and non-contributory basis.

All insurance policies evidenced to the Landlord shall contain a waiver of subrogation endorsement in favor of the Landlord.

Tenant will promptly notify Landlord, in writing, of any cancellation, non-renewal or material change of any applicable insurance. All insurance policies evidenced to the Landlord shall contain provisions and/or be endorsed so that the Landlord will receive written notice, by receipted delivery, at least thirty (30) days in advance of any cancellation, non-renewal or material change of any insurance policy that has evidenced to the Landlord. The Landlord will accept the State of Florida statutory notice provisions (including 10-day notice for cancellation due to non-payment of premium) provided such notice is provided to the Landlord in the same manner it is provided to the first named insured, the Tenant. **The standard cancellation language on a certificate of insurance does not meet this requirement.**

Notices of cancellation, non-renewal or material change must be provided to the following address:

CITY OF CORAL GABLES
INSURANCE COMPLIANCE
P.O. Box 100085 – CE
Duluth, GA 30096

Said policies shall contain a “severability of interest or “cross liability” clause without obligation for premium payment of the Landlord. The Landlord reserves the right to request a copy of the required policies directly from their insurance representative for review at any time.

Failure on the part of the Tenant to obtain and maintain all required insurance coverage is a material breach upon which the Landlord may, in its sole discretion, immediately terminate this Lease or obtain such insurance on behalf of Tenant and charge the cost therefor to Tenant, along with a twenty percent (20%) administration fee as additional Rent. Tenant agrees to pay as Rent any increase in Landlord's insurance premiums, resulting from Tenant's activities, whether or not Landlord has consented to such activity.

If Landlord's insurance premiums for any separate insurance carried by Landlord exceed the standard premium rates for similar property because the nature of Tenant's operation results in extra hazardous exposure, then Tenant shall reimburse Landlord, immediately upon receipt of appropriate invoices from Landlord, for such increase in premiums. It is understood and agreed between the parties hereto that any such increase in premiums shall be considered as rent due and shall be included in any lien for Rent.

B. Tenant's contractors and subcontractors, if any, shall provide evidence of insurance, and Tenant shall include or cause to be included in each contract for work to be performed at the Premises on behalf of Tenant the following insurance requirements:

Commercial General Liability insurance with broad form endorsement or equivalent, product liability, contractual liability, personal and advertising injury, severability of interests with cross liability provision, and personal injury and property damage liability with limits no less than \$1,000,000 per occurrence for bodily injury and property damage, and \$2,000,000 in the aggregate, and with a deductible not to exceed Five Thousand Dollars (\$5,000.00). Said policy or policies shall name the Tenant and Landlord as an additional insured on a primary and non-contributory basis and shall reflect the hold harmless provisions contained herein.

Worker's Compensation Insurance for all employees of Contractor including statutory limits for employer's liability insurance contained in Florida Statutes Section 440.

Automobile Liability insurance covering all owned, non-owned and hired vehicles with a Combined Single Limit of no less than one million per occurrence. If vehicles are not owned or leased (long term) by the Contractor, then only hired and non-owned coverage applies.

Evidence of insurance of all contractors and subcontractors working under this Lease, if any, shall be maintained and kept for a period of time no less than the applicable statute of limitations and/or statute of repose for any claim that could be brought against Tenant and/or Landlord and/or for any claim that could be made against the contractor as a result of the work performed. These records must be made available to the Landlord upon request. Evidence of insurance shall include a certificate of insurance and copies of all applicable endorsements evidencing the required coverage. The certificate of insurance alone does not evidence insurance adequately. This includes, but is not limited to, endorsements evidencing additional insured status on a primary and non-contributory basis, waivers of subrogation, and endorsements amending the standard cancellation clause. The obligations set forth in this paragraph shall survive expiration or earlier termination of this Lease.

If any renovations are made to the Premises, Tenant and its contractors and/or subcontractors shall comply with Florida Statutes Section 255.05, as applicable.

XI. GOVERNMENTAL AND OTHER REQUIREMENTS:

Tenant shall faithfully observe in the use of the Premises all municipal and county ordinances, resolutions and codes and all state and federal statutes, rules and regulations now in force or which may hereafter be in force. Tenant agrees to strictly abide by all applicable laws in the operation of the Premises.

XII. RELATIONSHIP OF PARTIES:

Nothing herein contained to the contrary shall be deemed or construed by the parties hereto or by any third party to create the relationship of principal and agent or of partnership or of joint venture or of any association whatsoever between Landlord and Tenant, it being expressly understood and agreed that neither the computation of Rent nor any other provisions contained in this Lease nor any act or acts of the parties hereto shall be deemed to create any relations between Landlord and Tenant other than the relationship of landlord and tenant. Notwithstanding the fact that the City of Coral Gables (the "City") is the landlord under this Lease and that there exists a landlord/tenant relationship between Landlord and Tenant, Tenant acknowledges that this Lease does not grant Tenant any rights or create any exceptions to its obligation to comply with and meet the requirements of all the City's ordinances, resolutions and codes, and that the landlord/tenant relationship shall have no effect upon the jurisdiction and governing rights of the City over the Premises and Tenant shall be required to fulfill and comply with all applicable laws, rules and regulations, ordinances and resolutions of the City as though no such landlord/tenant relationship existed, including, without limitation, all requirements of the City's Building and Zoning Department or other pertinent City agencies.

XIII. OPERATION, UTILITIES, MAINTENANCE AND REPAIR EXPENSES:

Landlord shall be solely responsible for the installation, operation, and maintenance of all lighting on the Premises and shall be responsible for all electricity costs at the Premises. All electricity provided to the Premises shall be for the sole purpose of providing lighting to the Premises in compliance with applicable law. In no event shall Tenant use electricity from the Premises for any other purposes.

Landlord shall be solely responsible for resurfacing the Premises during the Term, if any when necessary. The determination of whether the Premises is due to be resurfaced will be at the sole discretion of Landlord. Landlord agrees to be responsible for all expenses and costs associated with resurfacing the Premises, if and when said resurfacing occurs.

Except for electricity, lighting, and resurfacing, Tenant shall be solely responsible for all other installation, operation and maintenance expenses of the Premises, including, without limitation, restriping, landscaping, water, sewer, garbage and waste removal, other utility expenses, janitorial service, pest control and insurance (to the extent any of the foregoing are applicable). Tenant, at Tenant's own expense, will keep and maintain the Premises continuously in a neat and attractive manner, in good repair and in tenantable condition during the Term. Tenant,

at its sole cost and expense, specifically agrees to reseal and restripe the Premises every five (5) years during the Term.

Tenant shall not commence any work or make or allow any repairs, replacements, additions or modifications to the Premises (collectively the "Alterations") without Landlord's prior written approval. No later than thirty (30) days prior to commencing any work, Tenant shall submit to Landlord, for Landlord's written approval, details of all proposed work to the Premises, including, without limitation, drawings and specifications prepared by qualified architects or engineers conforming to good architectural and engineering practices (the "Plans"). Within thirty (30) days of obtaining Landlord's approval, Tenant shall, at its sole cost and expense, apply for all permits, licenses and certificates (including all applicable zoning approvals) necessary for the performance of the Alterations.

All Alterations performed by Tenant during the Term shall be performed: (i) at the sole cost of Tenant; (ii) by licensed architects, contractors, subcontractors, and workmen approved in writing by Landlord; (iii) promptly, efficiently, competently and in a good and workmanlike manner by duly qualified and licensed persons or entities, using first grade materials without disruption to the operations of neighboring occupants; (iv) in accordance with the approved Plans; (v) in accordance with all applicable laws and regulations; (vi) subject to the regulations, supervision, control and inspection of Landlord; and (vii) subject to such indemnification against liens and expenses as Landlord requires.

The Tenant warrants any Alterations made to the Premises shall be free from defects in materials and workmanship for a period of one (1) year from the Termination Date. Upon demand by the Landlord, the Tenant shall cause to be corrected all such defects which are discovered within the warranty period or periods as set forth above, failing which the Landlord shall make such repairs and/or replacements of defective work and/or materials and the Tenant shall be liable to the Landlord for all costs arising therefrom. The Tenant also warrants that it shall be solely responsible for the repair of any damages to said improvements and/or alterations caused by Tenant, its employees, representatives and/or agents.

XIV. TAXES AND ASSESSMENTS.

A. Taxes and Assessments: Tenant shall be responsible for and shall pay before delinquency all municipal, county or state taxes and assessments, without limitation, if any, assessed during the Term of this Lease against any occupancy interest or personal property of any kind, owned by or placed in, upon or about the Premises by the Tenant (the "Taxes"). Tenant shall have the right to contest, at its sole expense, from time to time, any Taxes levied against the Premises by legal proceedings; provided, however, that such protest is made in accordance with applicable law and that all such Taxes are paid as and when due pursuant to such legal proceedings and further provided that the Landlord is held harmless by the Tenant in connection with such tax contest. Tenant shall be responsible to pay all amounts due hereunder to Landlord within thirty (30) days after receipt of an invoice therefor. In the event that Tenant fails to make the appropriate payment for Taxes when due, Tenant shall be responsible for any penalties imposed on the Landlord as a result of Tenant's delinquency in the payment of said Taxes.

B. Intentionally Deleted.

XV. MECHANIC'S LIENS:

Tenant shall keep the Premises and all parts thereof at all times free of mechanic's liens and any other lien for labor, services, supplies, equipment or material purchased or procured, directly or indirectly, by or for Tenant. Tenant further agrees that Tenant will promptly pay and satisfy all liens of contractors, subcontractors, mechanics, laborers, materialmen, and other items of like character, and will indemnify Landlord against all expenses, costs and charges, including bond premiums for release of liens and attorneys' fees and costs reasonably incurred in and about the defense of any suit in discharging the Premises or any part thereof from any liens, judgments, or encumbrances caused or suffered by Tenant. In the event any such lien shall be made or filed, Tenant shall bond against or discharge the same within ten (10) days after the same has been made or filed. It is understood and agreed between the parties hereto that the expenses, costs and charges above referred to shall be considered as Rent due and shall be included in any lien for Rent.

The Tenant herein shall not have any authority to create any liens for labor or material on the Landlord's interest in the Premises and all persons contracting with the Tenant for the construction or removal of any facilities or other improvements on or about the Leased Premises, and all materialmen, contractors, mechanics, and laborers are hereby charged with notice that they must look only to the Tenant and to the Tenant's interests in the Premises to secure the payment of any bill for work done or material furnished at the request or instruction of Tenant. The provisions of this Article XV shall survive expiration or earlier termination of this Lease.

XVI. LOSS; DAMAGE:

Landlord shall not be liable for and Tenant hereby agrees to indemnify and hold Landlord harmless from all claims, demands, fines, suits, actions, proceedings, order, decrees and judgments of any kind or nature by, or in favor of, anyone whomsoever, and against and from any and all costs, damages and expenses, losses, liabilities, including, without limitations, attorney's fees and court costs (and at trial and all other levels) resulting from, or in connection with any injury or damage to persons or property resulting from fire, explosion, water, rain or leaks from the street or sub-surface or from any other place or by dampness, humidity or by any other cause or nature whatsoever; nor shall Landlord or its agents be liable for any such damage caused by other tenants or persons or caused by construction of any private, public or quasi-public work; nor shall Landlord be liable for any latent defect in the Premises. Tenant shall give immediate notice to Landlord in case of fire or accidents in the Premises or of defects therein or in any fixtures or equipment. Landlord shall not be responsible or liable for the theft, loss or damage to person or property in, on or about the Premises.

XVII. ESTOPPEL STATEMENT:

Tenant agrees that from time to time, upon not less than ten (10) days' prior request by Landlord, Tenant will deliver to Landlord a statement in writing certifying (a) that this Lease is unmodified and in full force and effect (or, if there have been modifications, that the Lease as modified is in full force and effect and stating the modifications); (b) the dates to which the rent and other charges have been paid; (c) that Landlord is not in default under any provisions of this Lease, or, if in default, the nature thereof in detail; and (d) other matters reasonably requested by

Landlord. Failure to provide such estoppel statement as required shall be a material default of this Lease.

XVIII. SUBORDINATION.

This Lease is subject and subordinate to any and all mortgages now or hereafter encumbering the Premises, and to any renewals, extensions and/or modifications thereof, and in the event Landlord's interest in the Premises is transferred by reason of foreclosure or other proceeding for enforcement of any such mortgage, Tenant agrees to attorn to and recognize the rights of the transferee of Landlord's interest in the Premises as if such transferee were the Landlord under this Lease. This provision shall be self-operative without the execution of any further instruments. Notwithstanding the foregoing, however, Tenant hereby agrees to execute any instrument(s) which Landlord may deem desirable to further evidence such attornment the subordination of this Lease to any and all such mortgages.
