Presentation of Litigation Report by City Attorney

Mayor Cason: Let's move onto I-1, your Litigation Report.

City Attorney Leen: So I-1 – this is a list of all the cases. This is a redacted report and by redacted, typically, I just want to be clear to the public, everything is done in the Sunshine, but there is certain information related to litigation that can't be disclosed, because there is pending litigation, so it's protected by law. So if there is any particular case that a Commissioner is interested in, I have additional information in my office regarding all these cases. Also, you can request what's called an Executive Session as to any of these cases if you'd like. We will be having an Executive Session which we are seeking to set right now and maybe set at one of the upcoming meetings, on the two cases related to the Paseo matter, which are on the last page of this document, Friguls et al City of Coral Gables. Both of those cases, one is a petition for certiorari; one is declare an injunctive relief. So those two cases will be having an Executive Session related to them. And with that, that's my whole report.

Commissioner Lago: Thank you Craig.

Mayor Cason: Thank you.
