To date, the Owner has not a) submitted the Report; b) completed the required repairs and c) submitted a letter from the architect or engineer who prepared the Report stating that the Structure now meets the minimum requirements ("Compliance Report")(collectively referred to as "Required Action").

**Therefore, this matter is set for hearing before the City's Construction Regulation Board ("Board") in the Commission Chambers, City Hall, 405 Biltmore Way, Coral Gables, Florida 33134, on January 11, 2016, at 2:00 p.m.**

You may appeal the decision of the Building Official to the Board by appearing at the hearing. You have the right to be represented by an attorney and may present and question witnesses and evidence. However, formal rules of evidence shall not apply. Failure to appear at the hearing will result in the matter being heard in your absence. Please be advised that, if someone other than an attorney will be attending the hearing on your behalf, he or she must provide a power of attorney from you at the time of the hearing. Requests for continuance must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134. If the Required Action is not completed before the above hearing date, the Building Official may order that the structure be vacated, boarded, secured, and posted (including, but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy until the Required Action is completed. The Building Official may also order demolition of the Structure and recover the costs incurred against the Property and the Owner of record.

If the Property Owner or other interested party does not take all Required Action or appeal the decision of the Building Official, the Construction Regulation Board may enter an order of demolition and assess all costs of the proceedings and demolition and other Required Action for which the City shall have a lien against the Property and the Property Owner.

### ORDER DECLARING STRUCTURE UNSAFE

This cause was brought before the Construction Regulation Board ("Board") of the City of Coral Gables ("City"), on January 11, 2016, on the Notice of Unsafe Structure Violation for Failure to Recertify and Notice of Hearing ("Notice"). The Board, having heard the arguments of the parties and having considered any evidence presented, hereby enters this Order Declaring Structure Unsafe ("Order") and finds, concludes, and orders as follows:

#### Findings of Fact

1. The City properly served the Notice on the owner, 2530 Ponce, LLC ("Owner"), and any lienholders of record of the two-story commercial building ("Structure"), built in 1924 (90-year recertification required), and located at **2530 Ponce de Leon Boulevard**, Coral Gables, FL 33134-6013, legally described as Lot 27, Block 7, of CORAL GABLES CRAFTS SECTION, according to the Plat thereof, as recorded in Plat Book 10, Page 40, of the Public Records of Miami-Dade County, Florida; and having folio number 03-4117-005-1890 ("Property").

2. The Notice alleges that the Structure is unsafe because an inspection report pursuant to the minimum inspection procedural guidelines as issued by the Miami-Dade County Board of Rules and Appeals, required by Section 8-11 of the Miami-Dade County Code ("Report"), and furnished by or on behalf of the Owner on July 8, 2015, revealed that the Structure did not meet the minimum requirements to be recertified as structurally and electrically safe.

3. The Report revealed that the following items required repair or modification: **Electrical:** 1) electrical service, master electrician to verify and correct entire electrical service to include, but not limited to all overhead panels and electrical grounding, permits will be

required; 2) meter and electrical room; 3) gutters; 4) electrical panels; 5) branch circuits; 6) grounding of service; 7) grounding of equipment; 8) service conduits raceways; 9) service conductor and cables; 10) wiring: conduit raceways; rigid; 11) feeder conductors; 12) emergency lighting; 13) smoke detectors, owner to provide annual fire department inspection showing “no violations”; and 12) exit lights.

4. On July 9, 2015, the City notified the Owner that it must complete the repairs and submit a letter from the architect or engineer who prepared the Report stating that the Structure now meets the minimum requirements (“Compliance Report”).

5. To date, the Owner has not completed the required repairs and has not submitted a Compliance Report (“Required Action”).

#### **Conclusions of Law**

6. The Structure is presumed and is hereby declared unsafe pursuant to Section 105-186(j)(13) of the City Code for failure to timely comply with the maintenance and recertification requirements of the Florida Building Code or Section 8-11 of the Miami-Dade County Code.

#### **Order**

It is, therefore, ORDERED:

7. *Required Action.* The Owner shall take the Required Action as follows: a) the Owner shall obtain all required permits to meet the minimum requirements as noted in the Report (“Permits”) within 30 days of the date of this Order; and b) the Owner shall pass final inspection on all Permits and shall submit a Compliance Report within 150 days from the date that the Permits are issued and, in any event, no later than 180 days from the date of this Order. **The City shall not issue a temporary or final certificate of occupancy and the Owner shall not occupy the Structure or permit the Structure to be occupied until the Owner has completed the re-certification process and obtained a letter of recertification from the City.**

8. *Request for compliance inspection.* It is the responsibility of the Owner to contact the Building Official to request an inspection of City records and of the Property, as applicable, to determine compliance with this Order.

9. *Payment of costs and demolition by City.* The Owner shall pay, within 7 days of the date of this Order, the City’s administrative costs to date of \$600, in addition to the costs of recording this Order. If the Owner does not comply with any of the applicable deadlines above, the Building Official may immediately and without further order from this Board, order that the structure be vacated, boarded, secured, and posted (including, but not limited to, requesting the electric utility to terminate service to the Structure) to prevent further occupancy and the City may demolish the Structure. The City may sell as salvage or require the demolition contractor to dispose of the contents of the Structure. **Until the Structure is recertified in compliance the terms of this Order, the City shall not issue any further development approvals for the Property, including, but not limited to, building permits, unless the development approval is required to comply with the terms of this Order.**

10. *Requests for extension of time.* The Building Official, in his sole discretion, may extend any of the above deadlines for good cause beyond the control of the Owner and that the Owner acted in good faith and exercised due diligence in the efforts to take all Required Action, to apply for any required permits, and to request an extension of any deadlines, as applicable.

11. *Lien for costs and notice to subsequent purchasers.* The City shall have a special assessment lien for its administrative costs and the costs of corrective action, including but not limited to, securing the Structure and demolition ("Costs"), against the real and personal property of the Owner, including the Property. The lien for Costs shall have equal dignity with a lien for taxes. In order to have this lien, the City shall record this Order and an affidavit for any additional Costs, as applicable. Once recorded in the Public Records of Miami-Dade County, Florida, a copy of this Order shall constitute notice to any subsequent purchasers, successors in interest, or assigns, and the findings herein shall be binding upon the Owner and any subsequent purchasers, successors in interest or assigns.

12. *City's remedies are cumulative.* This Order notwithstanding, the City may enforce its code by any other lawful means.

13. **NOTICE:** If the Respondent does not comply with the terms of this order, the City may issue a Notice of Non-Compliance ("Notice"). The Respondent may request an administrative hearing that shall be strictly limited to determining whether the Respondent complied with the terms of this Order. Requests for a hearing must be made in writing to Belkys Garcia, Secretary to the Board, at City of Coral Gables, Development Services Department, 405 Biltmore Way, 3rd Floor, Coral Gables, FL 33134-5717, [bgarcia@coralgables.com](mailto:bgarcia@coralgables.com), tel: (305) 460-5229. Failure to request an administrative hearing within seven (7) days after service of the Notice shall constitute a waiver of the Respondent's right to the hearing. The Respondent shall be liable for the reasonable costs of the administrative hearing, if the Respondent does not prevail at the hearing.

DONE AND ORDERED at the City of Coral Gables, Miami-Dade County, Florida, on this 13 day of January, 2016.

BEFORE ME, the undersigned authority, personally appeared Manuel Z. Lopez, P.E., Building Official for the City of Coral Gables ("City"), Florida who, after being duly sworn, deposes and says:

1. I am the City Building Official.
2. On January 11, 2016, the City Construction Regulation Board ("Board") held a public hearing and issued an Order Declaring Structure Unsafe, in the above-styled matter ("Order").
3. The Order found the Structure to be unsafe and ordered the above-listed owner of the Property ("Owner") to take action to recertify the Structure ("Required Action") or to demolish the Structure and pay the administrative costs by a certain deadline.
4. The deadline to take the Required Action or to demolish the Structure expired on February 12, 2016.
5. On February 22, 2016, I completed a review of the relevant City records and determined that the Owner has not taken the Required Action or demolished the Structure and that the Owner has not paid the administrative costs.

RE: Folio 03-4117-005-1890  
2530 Ponce de Leon Blvd.  
Case #: 15-4615

Ms. Goizueta:

Thank you for placing us on the agenda of the Construction Regulation Boards next meeting on February 8, 2016. The purpose of my request is to modify your required 30 day Order of January 13, 2016, as the timeline is beyond the control of the Owner. Please recognize that we are working in good faith and exercising due diligence in the efforts to satisfy all required actions, however, our repair is also subject to The City approving our new renovation plan.

Under the circumstances, your order dated January 13, 2016, "all required permits to meet the minimum requirements..." within 30 days is not feasible for me to comply with because

the interior has been partially demolished to make way for the new restaurant build-out. This interior renovation will include the work required to satisfy the re-certification of the property.

We need the extension to be at least 90 days from receipt of a building permit to do the interior build-out.

**THE BUILDING IS SECURE AND SAFE.** Attached please find copy of letter dated July 8, 2015 from Rick Hernandez Capote, R.A. of ArcBuilders Group, Inc. stating “this building(s) is structurally safe yet requires electrical repair/correction/alteration for a safe continued use and occupancy as provided for Re-Certification” which will be complied with the new build-out.

Sincerely,

Peter Wenzel, Manager  
2530 Ponce LLC
