Cleaning Highlights

Field Observations

Ambassadors dealt with a lot more trash than usual this month, busier streets and more visitors due to holidays led to heavy amounts of face masks on pavers, stains, blood spills, vomit, bird droppings and an increase of trash all around.

Initiatives

Ambassadors worked hard all this month to keep the Mile and Giralda looking sharp for visitors, they even trimmed dead tree limbs and/or bushes that had out grown.

Accomplishments

With the opening of a new business in Giralda our trash cans seem to be overflowing and becoming an issue, our Ambassadors worked with restaurant managers and staff to correct the problem in order to keep Giralda looking great for visitors.

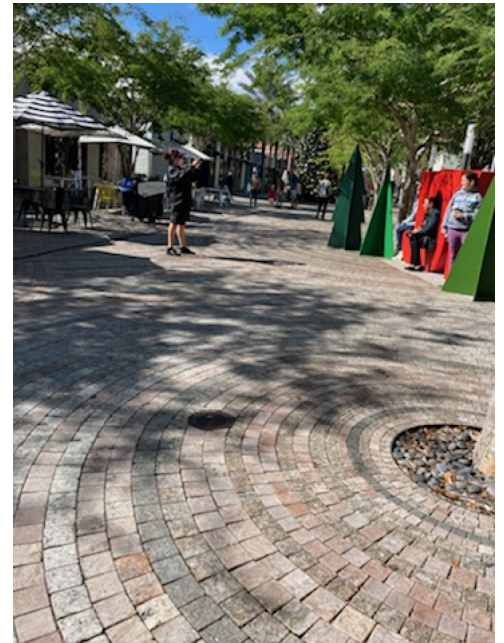

Hospitality Highlights

Field Observations

Keeping our distance hasnt been easy but we still get it done and continue to help visitors with directions and/or running the pay meters. People do seem hesitant to ask for help as they try and keep their distance due to pandemic.

Safety Highlights

Field Observations

With new closing of some businesses on the mile the homeless are making their doorways their home, we have found them sleeping on benches outside or just taking shelter in their doorways.
