Subject: Re: Capital Projects, Parks, Roads & More – Tell Us What Matters Most! Approaching Budget Season...

CAUTION: External Sender. Please do not click on links or open attachments from senders you do not trust.

Good afternoon Commissioner; thank you for keeping the residents informed about the capital improvement plan. Unfortunately I am leaving town in a few days and will be out for 2 months. This is the reason I would like to share with you a couple of concerns.

I live in 2501 Cordova and before on 1346 South Greenway Dr. for a total of approximately 40 years in the neighborhood. I would like to bring up the following:

- I have been dealing with the city for over 6 years regarding the illegal parking in front of my house. It is mostly the school parents/events as well as other events such as tennis tournaments. It is a safety concern as the cars block the visibility. The city has placed NO PARKING signs; however people do not respect them. Are there any plans in this area (Columbus and Cordova, Andalusia and Valencia) for additional parking?

- Salvadore Park needs renovation; although the Biltmore tennis facility was fully renovated recently Salvadore remains pretty much the same for the past 35 + years.

Although I will be out of town feel free to email me at any time.

Thank you in advance for your attention to these matters.

Ana M. Faraci, Ph.D.
