containing 42,821 square feet, more or less (0.98 acres, more or less)

SURVEYOR'S NOTES:

- This sketch represents an "A.L.T.A./A.C.S.M. LAND TITLE SURVEY."
- There are no visible encroachments, other than those shown herein.
- The elevations shown hereon relate to National Geodetic Vertical Datum (N.G.V.D.) of 1929.
- Visible indicators of utilities are shown hereon, however, no attempt was made to locate underground items.
- No attempt was made by this firm to locate wall or fence footers/foundations.
- The distances shown along the property lines hereon are record and measured, unless noted otherwise.
- The property described on this survey does not lie within a Special Flood Hazard Area ("SFHA") as defined by the Federal Emergency Management Agency (the Property lies within Federal Flood Zone "X" of the Flood Insurance Rate Map No. 12086C0457L, identified as Community No. 120650, Panel No. 0457, Suffix L, bearing an effective date of September 11, 2009.
- This sketch has been prepared for the exclusive use of the entity (entities) named hereon. The certification shown hereon does not extend to any unnamed parties.
- All those exceptions, to which they are a matter of survey, as contained in Schedule Bill of that certain title commitment no. 5011612-1062-2944045 prepared by First American Title Insurance Company, effective Date March 28, 2013 at 11:59 p.m., to the extent that can be plotted, are shown hereon.
- Any applicable building setback lines affecting the subject property are based on an approved site plan prepared by a qualified architect and are not shown hereon. Variances from code may exist based on site plan approvals obtained during permitting processes.
- Benchmark A: P.K. nail & brass washer on top of curb at front of sidewalk at the southwest corner of Ponce De Leon Boulevard and Almeria Avenue. Elevation=10.81 N.G.V.D..
- Benchmark B: 2" square on top of curb at the northwest corner of Malaga Avenue and Galiano Court. Elevation=12.46 N.G.V.D..
- The underground water and sewer utility items shown hereon represent an approximate location of said utilities as shown on certain atlas sheets obtained from Miami-Dade Water & Sewer Authority and augmented by field locations by this firm and are subject to the accuracy of the information provided.
- The lands described hereon contain 42,821 square feet, more or less (0.98 acres, more or less).
- Unless stated otherwise, this firm does not certify the extent to which the subject property complies with applicable zoning requirements, regulations and/or restrictions.
- The bearings shown hereon relate to an assumed bearing (East) along the centerline of Palermo Avenue per Plat Book 168, Page 42, of the Public Records of Miami-Dade County, Florida.
- The lots contained within the subject property were first platted and conveyed subject to many standard conditions and reservations established by Coral Gables Corporation in form deeds. Among these reservations were five foot rear easements and three foot easements along side lot lines "when necessary". While encumbering the underlying lands, historically they are generally not enforced unless they are accommodating existing facilities. It is important to note that the particular lands included in this survey have completed a development review process which the current project improvements are part of. Although incomplete, the improvements and utility services related to them have been coordinated and approved by all participating utility providers without the reliance on any of these historic easements.
