Okay. I will. Is it something that will be relatively easy to rectify and be in compliance with?

Thank you,

Hello,

We are writing in response to the violation notice we received that is referenced above. We of course want to be in compliance and would like to take the necessary steps to correct the violation. Please let us know what those steps are so that we can address it before the re-inspection date of 6/19/2023.

We are hoping that we will be allowed to keep the parking spaces with a permit issued. Please advise.

Sincerely,

Lisa & Joe LoMonaco

P.S. I apologize for the delay in replying. I tried several times to call the building department at the number listed with no luck and finally decided it would be best to email.
