Ms. Catherine Cathers
2327 Salzedo St
Coral Gables, FL 33134

Dear Ms. Cathers,

This letter serves to update our letters from April 7th and May 13th to the City of Coral Gables regarding two adjustments to Area Stage's 2025-2026 activity calendar.

Leadership at the Coral Gables Museum continues to turnover and our previously scheduled dates seem to get lost in the transitions. In our April 7th letter we mistakenly submitted The Christmas Tree Lighting event, this letter serves to correct that error. We apologize for the inconvenience of a late adjustment, the updated activities from the original application are as follows.

1. ORIGINAL

Talent Showcase
Date: October 2025
Location: Coral Gables Museum

NEW

Performance at the ArtLabbé Liberté 2026
Date: May 23, 2026
Location: ArtLabbé Coral Gables

While the event title and venue have changed, the core mission of the activity remains the same: providing performance opportunities for individuals with developmental and intellectual disabilities. Participants in the Inspire Theater Project will perform pieces connected to the exhibition theme, "My Dreams." The opening performance will feature selections from Broadway musicals celebrating the pursuit and achievement of dreams through music, dance, and artistic expression.

ArtLabbé is an interdisciplinary initiative that brings together performing and visual arts, creating meaningful opportunities for neurodiverse artists to express themselves creatively and connect with the community. We believe this collaboration will have a meaningful and lasting impact by promoting inclusion, accessibility, and artistic expression.

2. ORIGINAL

Autism Awareness Month Concert
Date: April 2026
Location: Coral Gables Museum

NEW

Music and Movement Interactive Performance

Date: June 27th, 2026

Location: Coral Gables Museum

Though the event date and title have changed, the core mission of the activity remains the same. This free interactive performance will focus on classical and Cuban music. Members of the Inclusion Theater Project will perform, with a portion of the event dedicated to audience participation. Participants will explore rhythm, movement, and musicality in a relaxed, supportive, and creative environment designed for individuals with developmental and intellectual disabilities and their families.

All other scheduled dates and activities remain unchanged. Please let me know if you have any questions or need further clarification.

With gratitude,

Anjali Kaufman
