ON-STREET RESIDENTIAL ACCESSIBLE PARKING PROGRAM NORTH GABLES

- On-street accessible parking spaces :
 - Will be considered when off-street parking is not available for an applicant or parking demands in the neighborhood impede the ability of the applicant to have general use of on-street parking convenient to their residence
 - Shall provide the shortest, most reasonable, and accessible path of travel to the residence.
 - Are available for use by anyone possessing a valid handicap placard or license plate issued by the DMV.
 - Must comply with ADA requirements.
- On-street accessible parking spaces are NOT:
 - A reserved parking space for the applicant.
 - Intended as a means to reserve a private parking space in front of an individual's house.
 - For temporary or short-term use by the applicant.

ON-STREET RESIDENTIAL ACCESSIBLE PARKING PROGRAM NORTH GABLES

- Application Process (no cost):
 - Applicant must submit:
 - Completed application.
 - Proof of a valid FL DMV disabled person (DP) parking placard or license plate from the applicant.
 - Proof of residency.
 - Written justification for requesting the installation of an on-street accessible parking space in-lieu of using the driveway.
 - Annual proof of residency and disability.
- Application will be reviewed, and the following criteria, among others, will be taken into consideration
 - The availability, condition, and slope of the applicant's existing driveway and garage.
 - The location and accessibility of the on-street parking space requested by the applicant.
 - The availability and demand of on-street parking in the neighborhood.
 - The specific needs of the applicant.
