

City of Coral Gables
CITY COMMISSION MEETING
COMMISSION MEETING DATE

ITEM TITLE:

Resolution. Resolution approving the IT Department to purchase a GIS Enterprise License Agreement (ELA) from ESRI, the existing vendor of GIS applications, services, and support for Coral Gables.

BRIEF HISTORY:

The City of Coral Gables, through the Gables GIS section, has been using the industry standard, ESRI GIS software architecture for displaying and analyzing geographic information, for over 20 years. The maps, applications, dashboards, and derivative charts and displays produced by Gables GIS have served the City's decision-making processes and presentation needs over the years.

The City licenses all GIS products and services under a Small Government Term Enterprise License Agreement and a Premium Hub ArcGIS Online Community agreement. The Enterprise License Agreement allows for unlimited use of core GIS products and support services, in the estimated of \$49,000.00 for a period of 6 years.

Approving the ELA provides continuity of service for desktop and cloud customers, including ArcGIS initiatives for the City and Public Works, Development Services, Economic Development, Historical Resources, Public Safety, and divisions within these departments.

The annual cost of the continuing license agreement exceeds the normal procurement threshold of \$25,000.00, and so requires commission approval.

ATTACHMENT(S):

1. ESRI Sole Source Attestation.
2. Sole Source Procurement Form
3. ESRI ELA Quotation
4. ESRI ArcGIS Hub Quotation.
5. ESRI Supplemental AGOL Credits Quotation

FINANCIAL INFORMATION:

No.	Amount	Account No.	Source of Funds
1.	\$ 49,000.00	001-3200-519-5401	General Fund-I.T. Operating
Total:	\$ 49,000.00		

Fiscal Impact:

There is no Fiscal impact as this is a recurrent renewal service.

BUSINESS IMPACT:

This renewal ensures the continued availability of full GIS services in the city.
