RE: March 2026 Coral Gables Merrick House Activity Report

ACTIVITY SUMMARY

This month, the House canceled two tour days. On March 4, it closed unexpectedly due to issues related to one of our docents. On March 14 the House hosted the Coral Market, holding the House open for self-guided tours.

***We conducted no regular tours and collected no funds for tours.**

On March 4, we welcomed Deborah Chadwick, Denman Fink's great granddaughter, and her husband to the House. This was her first visit back to South Florida since childhood. It was a pleasure to share the House and its history with them.

The remainder of the month was relatively uneventful except for having the lock and security system changed and a new access code to learn.
