Dear Sirs,

### Water Witch Workboats

We hereby confirm that this Company is the sole manufacturer and vendor of the unique Mark 2 Water Witch low profile vessel with front loader for recovery of sea weed, aquatic vegetation and debris.

Liverpool Water Witch Marine & Engineering Co Ltd is not represented in the USA and therefore any bid requests should be sent directly for our attention at the above address.

Thank you for your kind attention.

Yours sincerely

Jackie Caddick, Director
