(2) do not and will not (i) conflict with or result in any material breach of any of the terms, conditions or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Governmental Unit pursuant to any ordinance, resolution, indenture, loan agreement or other agreement or instrument (other than this Agreement) or restriction to which the Governmental Unit is a party or by which the Governmental Unit, its properties or operations are bound as of the date of this Agreement or (ii) with the giving of notice or the passage of time or both, constitute a breach or default or so result in the creation or imposition of any lien, charge or encumbrance, which breach, default, lien, charge or encumbrance (described in (i) or (ii)) could materially and adversely affect the validity or the enforceability of this Agreement or the Governmental Unit's ability to perform fully its obligations under this Agreement; nor does such action result in any violation of the provisions of the Act, or any laws, ordinances, governmental rules or regulations or court orders to which the Governmental Unit, its properties or operations may be bound.

(e) **NO DEFAULTS.** No event has occurred and no condition exists that constitutes an Event of Default, or which, upon the execution and delivery of this Agreement and/or the passage of time or giving of notice or both would constitute an Event of Default. The Governmental Unit is not in violation in any material respect, and has not received notice of any claimed violation (except such violations as (i) heretofore have been specifically disclosed in writing to, and have been in writing specifically consented to by the Commission and disclosed in the Official Statement, and (ii) do not, and shall not, have any material adverse effect on the transactions herein contemplated and the compliance by the Governmental Unit with the terms hereof), of any terms of any agreement or other instrument to which it is a party or by which it, its properties or operations may be bound.

(f) **GOVERNMENTAL CONSENT.** The Governmental Unit has obtained, or will obtain, all permits, approvals and findings of non-reviewability required as of the date hereof by any governmental body or officer for the acquisition and/or installation of the Project, including construction and renovation work, the financing or refinancing thereof or the reimbursement of the Governmental Unit therefor, or the use of such Project, and, prior to the

Loan, the Governmental Unit will obtain all other such permits, approvals and findings as may be necessary for the foregoing and for such Loan and the proper application thereof; the Governmental Unit has complied with or will comply with all applicable provisions of law requiring any notification, declaration, filing or registration with any agency or other governmental body or officer in connection with the acquisition or installation of the Project, including construction and renovation work necessary for such installation, financing or refinancing thereof or reimbursement of the Governmental Unit therefor; and any such action, construction, installation, financing, refinancing or reimbursement contemplated in this Loan Agreement is consistent with, and does not violate or conflict with, the terms of any such agency or other governmental consent, order or other action which is applicable thereto. No further consent, approval or authorization of, or filing, registration or qualification with, any governmental authority is required on the part of the Governmental Unit as a condition to the execution and delivery of this Loan Agreement, or to amounts becoming outstanding hereunder.

(g) COMPLIANCE WITH LAW. The Governmental Unit is in compliance with all laws, ordinances, governmental rules and regulations to which it is subject and which are material to its properties, operations, finances or status as a municipal corporation and this Loan Agreement is a legal and binding obligation of the Governmental Unit enforceable against the Governmental Unit in accordance with its terms, except to the extent that the enforceability hereof may be subject to bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity, and to the sovereign police powers of the State of Florida and the constitutional powers of the United States of America.

(h) USE OF PROCEEDS.

(1) The Governmental Unit will apply the proceeds of the Loan from the Commission solely for the financing of the cost of the Project as set forth in Exhibit A hereto. If any cost of the Project listed in Exhibit A is not paid for out of the proceeds of the Loan at the Closing of the Loan, the Governmental Unit shall, as quickly as reasonably possible, with due diligence, and in any event prior to \_\_\_\_\_, 2021, use the remainder of the amounts listed in Exhibit A and any investment earnings thereon to pay the cost of acquiring or constructing such Project, provided that, such time limit may be extended by the written consent of the Commission and provided further that the Governmental Unit may amend Exhibit A without the consent of the Commission to provide for the financing, refinancing or reimbursement of the cost of a different or additional Project if the Governmental Unit, after the date hereof, deems it to not be in the interest of the Governmental Unit to acquire or construct any item of such Project or the cost of the Project proves to be less than the amounts listed on Exhibit A and the investment earnings thereon. No such amendment will be made unless and until the Governmental Unit shall have received an Opinion of Bond Counsel that such change or modification will not adversely affect the exclusion from gross income for Federal income tax

purposes of interest on the Series 2018A Bonds. Notwithstanding the foregoing all such proceeds shall be expended prior to \_\_\_\_\_, 2021. The Governmental Unit will provide the Trustee and the Commission with evidence of the expenditure of the remaining amounts of the Loan and the investment earnings thereon and the respective date(s) thereof as soon as practicable following the expenditure of all such amounts on costs of the Project.

(2) Items of cost of the Project which may be financed include all reasonable or necessary direct or indirect costs of or incidental to the acquisition, construction or installation of the Project, including the incidental costs of placing the same in use and financing expenses (including the application or origination fees, if any, of the Commission), but not operating expenses. In addition, in the case of refinancings, accrued interest and any prepayment penalty on the obligation to be refinanced may be included.

(3) The Governmental Unit understands that the actual Loan proceeds received by it are less than the face amount of the Loan Agreement in an amount equal to a discount equal to \_\_\_\_\_% of the stated principal amount of the Loan. The amount of Loan proceeds received by the Governmental Unit will thus be smaller than the principal amount of the Loan. The Governmental Unit will accordingly be responsible for repaying, through the Basic Payments portion of its Loan Repayments, the portion of the Series 2018A Bonds issued to fund its Loan, that portion of the underwriting discount and other costs of issuing the Series 2018A Bonds.

(4) The Governmental Unit covenants that it will make no use of the proceeds of such Series 2018A Bonds which are in its control at any time during the term of such Series 2018A Bonds which would cause such Series 2018A Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

(5) The Governmental Unit, by the Trustee's acceptance of the Indenture, covenants that the Governmental Unit shall neither take any action nor fail to take any action and to the extent that it may do so, permit any other party to take any action which, if either taken or not taken, would adversely affect the exclusion from gross income for Federal income tax purposes of interest on the Series 2018A Bonds.

(i) PROJECT. All items constituting the Project are permitted to be financed with the proceeds of the Series 2018A Bonds.

(j) COMPLIANCE WITH INTERLOCAL ACT AND INTERLOCAL AGREEMENT. All agreements and transactions provided for herein or contemplated hereby are in full compliance with the terms of the Interlocal Agreement and the Interlocal Act.

(k) NOTICE FROM IRS. The Governmental Unit has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the Governmental Unit is an issuer of obligations whose arbitrage certifications may not be relied upon.

(l) TAX REGULATORY AGREEMENT; TAX COVENANTS. The Governmental Unit agrees to comply with all provisions of the Tax Regulatory Agreement; including the obligations contained therein to make all required rebate payments to the United States of America. The Governmental Unit agrees that it will not knowingly take any affirmative action or omit to take any action, which action will adversely affect the exclusion from gross income of interest on the Series 2018A Bonds or amounts paid under this Loan Agreement for federal income tax purposes and in the event any such action or omission is discovered by the Governmental Unit or shall be brought to its attention, the Governmental Unit shall, at its sole expense and promptly upon having any such action brought to its attention, take such reasonable actions as may rescind or otherwise negate or cure such action or omission. In furtherance of this covenant, the Governmental Unit, the Commission and the Trustee have entered into the Tax Regulatory Agreement and the representations, warranties and covenants of the Governmental Unit contained therein are hereby incorporated by reference herein.

SECTION 2.02. COVENANTS OF GOVERNMENTAL UNIT. The Governmental Unit makes the following covenants and representations as of the date first above written and such covenants shall continue in full force and effect during the Loan Term:

(a) SECURITY FOR LOAN REPAYMENT. Subject to the provisions of Section 2.02(m) hereof, the Governmental Unit covenants and agrees to pay when due under this Loan Agreement as promptly as money becomes available directly to the Trustee for deposit into the appropriate fund or account created in the Indenture, amounts of Non-Ad Valorem Revenues of the Governmental Unit sufficient to satisfy the Loan Repayments when due as required under this Loan Agreement, in accordance with the provisions hereof and of Section 2.02(p) below.

Subject to Section 2.02(m), the Governmental Unit covenants and agrees and has a positive and affirmative duty to appropriate in its annual budget, by amendment, if necessary, from Non-Ad Valorem Revenues, amounts sufficient to pay the Loan Repayments as the same shall become due. Such covenant and agreement on the part of the Governmental Unit to budget, appropriate and deposit such amounts of Non-Ad Valorem Revenues shall be cumulative to the extent not paid, and shall continue until such Non-Ad Valorem Revenues or other legally available funds in amounts sufficient to make all such required Loan Repayments shall have been budgeted, appropriated, deposited and actually paid. No lien upon or pledge of such budgeted Non-Ad Valorem Revenues shall be in effect until such monies are budgeted, appropriated and deposited as provided herein. The Governmental Unit further acknowledges and agrees that the obligations of the Governmental Unit to include the amount of such amendments in each of its annual budgets and to pay such amounts from Non-Ad Valorem Revenues may be enforced in a court of competent jurisdiction in accordance with the remedies set forth herein.

Until such monies are budgeted, appropriated and deposited as provided herein, such

covenant to budget and appropriate does not create any lien upon or pledge of such Non-Ad Valorem Revenues, nor does it preclude the Governmental Unit from pledging in the future its Non-Ad Valorem Revenues, nor does it require the Governmental Unit to levy and collect any particular Non-Ad Valorem Revenues, nor does it give the Commission a prior claim on the Non-Ad Valorem Revenues as opposed to claims of general creditors of the Governmental Unit. Such covenant to budget and appropriate Non-Ad Valorem Revenues is subject in all respects to the prior payment of obligations secured by a pledge of such Non-Ad Valorem Revenues heretofore or hereafter entered into (including the payment of debt service on bonds and other debt instruments). The obligation of the Governmental Unit to budget, appropriate, deposit and make payments hereunder from its Non-Ad Valorem Revenues is subject to the availability of Non-Ad Valorem Revenues after the satisfaction of the funding requirements for obligations having an express lien on or pledge of such revenues and the funding requirements for essential governmental services of the Governmental Unit.

(b) LIENS. The Governmental Unit will not create, incur or suffer to exist any lien, charge or encumbrance on the Non-Ad Valorem Revenues, except as permitted hereunder.

(c) [Reserved]

(d) EXPENSES. In addition to the payment obligations otherwise provided for in this Loan Agreement, the Governmental Unit will, upon demand by the Commission, pay all claims from the Non-Ad Valorem Revenues, for costs and expenses and all reasonable costs and expenses whatsoever that the Commission may incur incident to the preparation, execution and delivery of this Loan Agreement, including, but not limited to:

(1) the cost of reproducing this Loan Agreement and other related documents;

(2) the reasonable fees and disbursements of counsel utilized by the Commission and Bond Counsel;

(3) all other reasonable fees and out-of-pocket expenses of the Trustee (including the reasonable fees and disbursements of counsel retained by the Trustee) and the Commission in connection with the Loan and the enforcement thereof; and

(4) any taxes in connection with the execution and delivery of this Loan Agreement and any recording and filing fees or stamp taxes relating to the pledge and assignment of the Commission's right, title and interest in and to this Loan Agreement, pursuant to the Indenture and all expenses, including reasonable attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof.

The provisions of this paragraph (d) shall survive the termination of this Loan Agreement and the payment in full of the obligations of the Governmental Unit hereunder.

(e) INDEMNITY. To the full extent permitted under the laws of the State, the Governmental Unit will pay, and will protect, indemnify, save and hold harmless, the Commission, the Trustee, each member, officer, commissioner, employee and agent of any of the Commission, the Trustee and each other person, if any, who has the power, directly or indirectly, to direct or cause the direction of the management and policies of the Commission, harmless from and against, any and all liabilities, losses, damages, costs and expenses (including reasonable attorneys' fees and expenses), suits, claims and judgments of whatsoever kind and nature (including those in any manner directly or indirectly arising or resulting from, out of, or in connection with, any injury to, or death of, any person or any damage to property resulting from the use or operation of the Project) in any manner arising out of action or failure to act of the Governmental Unit, its successors and assigns, or the agents, contractors, employees, licensees or otherwise of the Governmental Unit or its successors and assigns in connection with, the Projects financed with the proceeds of the Loan, or the breach or violation of any agreement, covenant, representation or warranty of the Governmental Unit set forth in this Loan Agreement or any document delivered pursuant hereto or thereto or in connection herewith or therewith. Such indemnification shall not apply to any actions caused by the gross negligence or willful misconduct of the party seeking such indemnification.

Such indemnity shall not be restricted in any way by any limitation on the amount or type of damages, compensation or benefits payable under any workers' compensation acts, disability benefit acts, or other employee benefits acts or any other similar laws but may be limited by State law relating to the ability of governmental units to indemnify parties for the actions of such governmental units, including but not limited to Section 768.28, Florida Statutes.

An indemnified person shall promptly notify the Governmental Unit in writing of any claim or action brought against it, in respect of which indemnity may be sought against the Governmental Unit, setting forth, to the extent reasonably practicable under the circumstances, the particulars of such claim or action, and the Governmental Unit will promptly assume the defense thereof with its in-house counsel or, at its election, the employment of competent outside counsel reasonably satisfactory to such indemnified person and the payment of all expenses.

An indemnified person may employ separate counsel with respect to any such claim or action and participate in the defense thereof, but, except as provided herein, the fees and expenses of such separate counsel shall not be payable by the Governmental Unit unless such employment has been specifically authorized by the Governmental Unit, which such authorization shall not be unreasonably withheld, or unless such employment was occasioned by conflicts of interest between and among indemnified persons and/or the Governmental Unit. If the Governmental Unit shall fail to assume the defense of any action as required

hereunder, or, within a reasonable time after commencement of such action, to retain outside counsel, if it so elects or if it becomes necessary due to conflict, reasonably satisfactory to the indemnified person, the fees and expenses of counsel to such indemnified person hereunder shall be paid by the Governmental Unit.

The provisions of this paragraph (e) shall survive the termination of this Loan Agreement.

(f) [reserved]

(g) SPECIAL COVENANTS AND FINANCIAL RATIOS. The Governmental Unit shall comply with all special covenants and financial ratios set forth in Exhibit E hereto, at the times and upon the conditions as more fully described in Exhibit E hereto, the terms and provisions of which are incorporated by reference as if fully set forth at length.

(h) FURTHER ASSURANCE. The Governmental Unit shall execute and deliver to the Commission and the Trustee all such documents and instruments and do all such other acts and things as may be reasonably necessary or required by the Commission and the Trustee to enable each of them to exercise and enforce its rights under this Loan Agreement and to realize thereon, and record and file and re-record and re-file all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be reasonably necessary or required by any of them to validate, preserve and protect its position under this Loan Agreement.

(i) KEEPING OF RECORDS AND BOOKS OF ACCOUNT. The Governmental Unit shall keep or cause to be kept proper records and books of account, in which correct and complete entries will be made in accordance with generally accepted accounting principles, consistently applied (except for changes concurred with by the Governmental Unit's independent auditors) reflecting all of its financial transactions.

(j) PAYMENT OF TAXES, ETC. The Governmental Unit shall pay all taxes, assessments, and governmental charges or levies imposed upon it or upon its income or profits, or upon any properties belonging to it, prior to the date on which penalties attach thereto, and all lawful claims, which, if unpaid, might become a lien or charge upon any of its properties, provided that it shall not be required to pay any such tax, assessment, charge, levy or claim which is being contested in good faith and by appropriate proceedings which shall operate to stay the enforcement thereof.

(k) COMPLIANCE WITH LAWS, ETC. The Governmental Unit shall comply with the requirements of all applicable laws, including the Act, the terms of all grants, rules, regulations and orders of any governmental authority and the terms of this Agreement and the Interlocal Agreement, non-compliance with which would, singularly or in the aggregate, materially adversely affect its business, properties, earnings, prospects or credit in a manner

which would materially adversely affect its ability to make the payments under this Agreement when and as the same become due and payable, unless the same shall be contested by it in good faith and by appropriate proceedings which shall operate to stay the enforcement thereof.

(l) INFORMATION REPORTS. The Governmental Unit covenants to provide the Commission with all material and information necessary to enable the Commission to file all reports required under the Code (including, if required, Form 8038) to assure that interest paid by the Commission on the Series 2018A Bonds shall, for purposes of the federal income tax, be excluded from gross income for federal income tax purposes.

(m) LIMITED OBLIGATIONS. Anything in this Loan Agreement to the contrary notwithstanding, it is understood and agreed that all obligations of the Governmental Unit hereunder shall be payable only from Non-Ad Valorem Revenues as provided for hereunder and nothing herein shall be deemed to pledge ad valorem taxation revenues or to permit or constitute a mortgage or lien upon any assets or property owned by the Governmental Unit and no Bondholder or any other person, including the Commission or the Trustee, may compel the levy of ad valorem taxes on real or personal property within the boundaries of the Governmental Unit. The obligations hereunder do not constitute an indebtedness of the Governmental Unit within the meaning of any constitutional, statutory or charter provision or limitation, and neither the Trustee, the Commission or the Bondholders or any other person shall have the right to compel the exercise of the ad valorem taxing power of the Governmental Unit or taxation of any real or personal property therein for the payment by the Governmental Unit of its obligations hereunder. Except to the extent expressly set forth in this Loan Agreement (including without limitation in Section 2.02(p) hereof), this Loan Agreement and the obligations of the Governmental Unit hereunder shall not be construed as a limitation on the ability of the Governmental Unit to pledge or covenant to pledge said Non-Ad Valorem Revenues or any other revenues or taxes of the Governmental Unit for other legally permissible purposes. Notwithstanding any provisions of this Agreement, the Indenture or the Series 2018A Bonds to the contrary, the Governmental Unit shall never be obligated to maintain or continue any of the activities of the Governmental Unit which generate user service charges, regulatory fees or any Non-Ad Valorem Revenues or the rates for such services or regulatory fees. Neither this Loan Agreement nor the obligations of the Governmental Unit hereunder shall be construed as a pledge of or a lien on all or any legally available Non-Ad Valorem Revenues of the Governmental Unit, but shall be payable solely as provided in Section 2.02(a) hereof and the covenant to budget and appropriate Non-Ad Valorem Revenues is subject in all respects to the provisions of Section 166.241, Florida Statutes, and is subject, further, to the payment of services and programs which are for essential public purposes affecting the health, welfare and safety of the inhabitants of the Governmental Unit.

The Commission and the Governmental Unit understand that the Non-Ad Valorem Revenues available to be budgeted and appropriated to make Loan Repayments hereunder is

subject to the obligation of the Governmental Unit to provide essential services; however, such obligation is cumulative and would carry over from Fiscal Year to Fiscal Year.

(n) LITIGATION. The Governmental Unit covenants to provide to the Commission notice as soon as is reasonably possible of any litigation pending, or to the knowledge of the Governmental Unit threatened, against or affecting the Governmental Unit, in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would materially and adversely affect the properties, prospects or condition (financial or otherwise) of the Governmental Unit in a manner which would adversely affect its ability to make the payments under this Agreement when and as the same become due and payable, or the existence or powers or ability of the Governmental Unit to perform its duties and obligations hereunder.

(o) CONTINUING DISCLOSURE. The Governmental Unit shall, not later than May 1<sup>st</sup> of each year provide to the nationally recognized municipal securities information repositories and the Commission an annual report, which is consistent with the requirements of the Continuing Disclosure Certificate in the form set forth in Exhibit F hereto.

### LOAN TERM AND LOAN CLOSING REQUIREMENTS

SECTION 4.02. TERMINATION OF LOAN TERM. The Governmental Unit's obligations under this Loan Agreement shall terminate after payment in full of all amounts due under this Loan Agreement and all amounts not theretofore paid shall be due and payable at the times and in the amounts set forth in Exhibit D attached hereto; provided, however, that all covenants and all obligations provided hereunder specified to so survive (including the obligation of the Governmental Unit to pay the rebate obligations of the Commission owed on the Series 2018A Bonds and agreed to by the Governmental Unit pursuant to Section 5.03(b)(6) hereof) shall survive the termination of this Loan Agreement and the payment in full of principal and interest hereunder. Upon termination of the Loan Term as provided above, the Commission and the Trustee shall deliver, or cause to be delivered, to the Governmental Unit an acknowledgment thereof.

SECTION 4.03. LOAN CLOSING SUBMISSIONS. Concurrently with the execution and delivery of this Loan Agreement, the Governmental Unit is providing to the Trustee the following documents each dated the date of such execution and delivery unless otherwise provided below:

(f) This executed Loan Agreement;

(g) An opinion (addressed to the Commission, the Trustee and the Governmental Unit) of Bond Counsel to the effect that such financing, refinancing or reimbursement with Loan proceeds (i) is permitted under the Act, the Indenture and the resolution or ordinance authorizing this Loan Agreement, (ii) will not cause the interest on the Series 2018A Bonds to be included in gross income for federal income tax purposes, and (iii) and will not adversely affect the validity, due authorization for or legality of the Series 2018A Bonds;

(h) An Anti-Dilution Certificate; and

(i) Such other certificates, documents, opinions and information as the Commission, the Trustee or Bond Counsel may require.

All opinions and certificates shall be dated the date of the Closing.

## ARTICLE V

### LOAN REPAYMENTS

SECTION 5.01. PAYMENT OF BASIC PAYMENTS. The Governmental Unit shall pay to the Trustee all Loan Repayments in lawful money of the United States of America. No such Loan Repayment shall be in an amount such that interest on the Loan is in excess of the maximum rate allowed by the laws of the State of Florida or of the United States of America. The Loan shall be repaid in Basic Payments, consisting of:

- (a) principal in the amounts and on the dates set forth in Exhibit D; plus
- (b) interest in the amounts and on the dates set forth in Exhibit D; plus

On the fifteenth (15th) day of the month immediately preceding each Interest Payment Date, the Trustee shall give the Governmental Unit notice in writing of the total amount of the next Basic Payment due. The Basic Payments shall be due on each Loan Repayment Date, commencing \_\_\_\_\_ 1, 2018 and extending through April 1, [2042]. Provided however, Trustee's failure to provide such notice shall in no way relieve the Governmental Unit of its obligations hereunder to make such payment.

SECTION 5.02. [THIS SECTION RESERVED].

SECTION 5.03. PAYMENT OF ADDITIONAL PAYMENTS. In addition to Basic Payments, Governmental Unit agrees to pay from the Non-Ad Valorem Revenues on demand of the Commission or the Trustee, the following Additional Payments:

(a) The annual fees of the Trustee; fees of the Registrar and Paying Agent; the annual fees or expenses of the Commission, if any; and the fees of the rating agencies.

(b) All reasonable fees and expenses of the Commission or Trustee relating to this Loan Agreement, including, but not limited to:

- (1) the cost of reproducing this Loan Agreement;
- (2) the reasonable fees and disbursements of counsel utilized by the Commission, and the Trustee in connection with the Loan, this Loan Agreement and the enforcement thereof;
- (3) reasonable extraordinary fees of the Trustee following an Event of Default hereunder;

(4) all other reasonable out-of-pocket expenses of the Trustee and the Commission in connection with the Loan, this Loan Agreement and the enforcement thereof;

(5) all taxes (including any recording and filing fees) in connection with the execution and delivery of this Loan Agreement and the pledge and assignment of the Commission's right, title and interest in and to the Loan and the Loan Agreement, pursuant to the Indenture (and with the exceptions noted therein), and all expenses, including reasonable attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof;

(6) any amounts due and owing by the Governmental Unit pursuant to the Tax Regulatory Agreement; and

(7) any general administrative expenses of the Commission reasonably allocable to the Governmental Unit.

#### SECTION 5.04. CREDIT FOR INTEREST EARNINGS AND EXCESS PAYMENTS.

(a) On each Interest Payment Date the Trustee shall credit against the Governmental Unit's obligation to pay Loan interest and Additional Payments, any interest earnings which were received during the prior Interest Period by the Trustee on the Funds and Accounts held under the Indenture.

(b) The credits provided for in (a) shall not be given to the extent the Governmental Unit is in default in payment of its Loan Repayments. If past-due Loan Repayments are later collected from the Governmental Unit, the amount of the missed credit shall, to the extent of the amount collected, be credited in proportion to the amount of credit missed, to the Governmental Unit from the past-due Loan Repayments.

(c) The credits may be accumulated. If the credit allowable for an Interest Period is more than required on the next ensuing Interest Payment Date to satisfy the current Loan interest repayment, it may be used on the following Interest Payment Date.

SECTION 5.05. OBLIGATIONS OF GOVERNMENTAL UNIT UNCONDITIONAL. Subject in all respects to the provisions of this Loan Agreement, including but not limited to Section 2.02(a) and (m) hereof, the obligations of the Governmental Unit to make the Loan Repayments required hereunder and to perform and observe the other agreements on its part contained herein, shall be absolute and unconditional, and shall not be abated, rebated, set-off, reduced, abrogated, terminated, waived, diminished, postponed or otherwise modified in any manner or to any extent whatsoever, while any Series 2018A Bonds remain outstanding or any Loan Repayments remain unpaid, regardless of any contingency, act of God, event or cause whatsoever. This Loan Agreement shall be deemed and construed to be a "net contract," and Governmental Unit shall pay absolutely net the Loan Repayments and all other payments

required hereunder, regardless of any rights of set-off, recoupment, abatement or counterclaim that Governmental Unit might otherwise have against the Commission, the Trustee, or any other party or parties.

SECTION 5.06. REFUNDING BONDS. In the event the Series 2018A Bonds are refunded, all references in this Loan Agreement to Series 2018A Bonds shall be deemed to refer to the refunding bonds or, in the case of a crossover refunding, to the Bonds and the refunding bonds (but Governmental Unit shall never be responsible for any debt service on or fees relating to crossover refunding bonds which are covered by earnings on the escrow fund established from the proceeds of such bonds). The Commission agrees not to issue bonds or other debt obligations to refund the Series 2018A Bonds without the prior written consent of the Authorized Representative of the Governmental Unit.

SECTION 5.07. PREPAYMENT. The Loan may be prepaid (i) in whole by payment of the Optional Prepayment Price or (ii) in part on the dates and in the amounts on which the Series 2018A Bonds are subject to optional redemption and extraordinary mandatory redemption pursuant to Sections 3.01 and 3.03 of the Indenture.

## ARTICLE VI

### DEFEASANCE

This Loan Agreement shall continue to be obligatory and binding upon the Governmental Unit in the performance of the obligations imposed by this Loan Agreement and the repayment of all sums due by the Governmental Unit under this Loan Agreement shall continue to be secured by this Loan Agreement as provided herein until all of the indebtedness and all of the payments required to be made by the Governmental Unit shall be fully paid to the Commission or the Trustee. Provided, however, if, at any time, the Governmental Unit shall have paid, or shall have made provision for payment of, the principal amount of the Loan, interest thereon and redemption premiums, if any, with respect to the Series 2018A Bonds, then, and in that event, the pledge of and lien on the revenues pledged to the Commission for the benefit of the holders of the Series 2018A Bonds shall be no longer in effect and all future obligations of the Governmental Unit under this Loan Agreement shall cease. For purposes of the preceding sentence, deposit of sufficient cash and/or Governmental Obligations in irrevocable trust with a banking institution or trust company, for the sole benefit of the Commission in respect to which such Governmental Obligations, the principal and interest received will be sufficient to make timely payment of the principal, interest and redemption premiums, if any, on the Outstanding Series 2018A Bonds, shall be considered "provision for payment."

Nothing herein shall be deemed to require the Commission to call any of the Outstanding Series 2018A Bonds for redemption prior to maturity pursuant to any applicable optional redemption provisions, or to impair the discretion of the Commission in determining whether to exercise any such option for such optional redemption.

If the Governmental Unit shall make advance payments to the Commission in an amount equal to the Optional Prepayment Price, all future obligations of the Governmental Unit under this Loan Agreement shall cease, except as provided in Section 4.02 hereof.

## ARTICLE VII

### ASSIGNMENT AND PAYMENT BY THIRD PARTIES

SECTION 7.01. ASSIGNMENT BY COMMISSION. The Governmental Unit expressly acknowledges that this Loan Agreement and the obligations of the Governmental Unit to make payments hereunder (with the exception of certain of the Commission rights to indemnification, fees, notices and expenses), have been pledged and assigned to the Trustee as security for the Series 2018A Bonds under the Indenture, and that the Trustee shall be entitled to act hereunder and thereunder in the place and stead of the Commission whether or not the Series 2018A Bonds are in default.

SECTION 7.02. ASSIGNMENT BY GOVERNMENTAL UNIT. This Loan Agreement may not be assigned by the Governmental Unit for any reason without the express prior written consent of the Commission and the Trustee acting at the direction of the Series 2018A Bondholders.

## ARTICLE VIII

### EVENTS OF DEFAULT AND REMEDIES

SECTION 8.01. EVENTS OF DEFAULT; REMEDIES. The following shall be "Events of Default" under this Loan Agreement and the terms "Event of Default" and "Default" shall mean (except where the context clearly indicates otherwise), whenever they are used in this Loan Agreement, any one or more of the following events:

(a) Failure by the Governmental Unit to timely pay any Loan Repayment or any other payment required to be paid hereunder on the date on which it is due and payable;

(b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement (other than for a failure under Section 8.01(a) above) for a period of not less than thirty (30) days, after notice thereof to the Governmental Unit by the Trustee or the Commission, unless the Trustee, the Commission shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Commission or the Trustee, the Commission and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected;

(c) Any warranty, representation or other statement by the Governmental Unit or by an officer or agent of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement, was false or misleading in any material respect when made;

(d) The Governmental Unit or the Legislature of the State shall terminate the corporate existence of the Governmental Unit unless, in the opinion of the Commission, adequate provision is made by law for the obligations of the Governmental Unit hereunder;

(e) Any provision of this Agreement material to the performance of the obligations of the Governmental Unit hereunder shall at any time for any reason cease to be valid and binding on the Governmental Unit or shall be declared to be null and void, or the validity or enforceability thereof shall be contested by the Governmental Unit (provided nothing herein shall be construed to limit the right of the Governmental Unit to judicially determine if it is permitted by law to make indemnity arising under subsection 2.02(e) hereof) or the Governmental Unit shall deny that it has any or further liability or obligation hereunder;

(f) A petition is filed against the Governmental Unit under any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law

of any jurisdiction, whether now or hereafter in effect, and is not dismissed within 60 days of such filing;

(g) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under such law;

(h) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including without limitation a receiver, liquidator or trustee) of the Governmental Unit or any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than 60 days;

(i) An "Event of Default" of the Commission under the Indenture shall have occurred. As used in this subparagraph (i), an "Event of Default" shall only include Events of Default of the Commission not caused solely by a default of the Governmental Unit;

(j) The Governmental Unit shall be in default in the payment of any principal of or interest on any obligation for borrowed money or for the deferred purchase price of any property or asset (unless the failure to make payment of such deferred purchase price is consequent upon a contest or negotiation being diligently pursued) or on any obligation guaranteed by the Governmental Unit or in respect of which it is otherwise contingently liable beyond any period of grace stated with respect thereto in any such obligation or in any agreement under which any such obligation is created, or shall default in the performance of any agreement under which any such obligation is created if the effect of such default is to cause such obligation to become, or to permit any holder or beneficiary thereof, or a trustee or trustee on behalf thereof, with notice if required, to declare such obligation to be, due prior to its normal maturity, and any of the foregoing may (in the reasonable judgment of the Commission) have a material adverse effect on the ability of the Governmental Unit to perform its obligations hereunder. Notwithstanding the foregoing sentence, in order to constitute an "Event of Default" hereunder, any such amount must be for an amount in excess of \$1,000,000 or the debt or the obligation of the Governmental Unit must have been accelerated and be considered due and payable.

SECTION 8.02. NOTICE OF DEFAULT. The Governmental Unit agrees to give the Trustee and the Commission prompt written notice if any petition, assignment, appointment or possession referred to in Section 8.01(d), 8.01(f), 8.01(g) and 8.01(h) is filed by or against the Governmental Unit or of the occurrence of any other event or condition which constitutes a Default or an Event of Default, or with the passage of time or the giving of notice would constitute an Event of Default, immediately upon becoming aware of the existence thereof.

SECTION 8.03. REMEDIES ON DEFAULT. Whenever any Event of Default referred to in Section 8.01 hereof shall have happened and be continuing, the Commission or the Trustee, in addition to any other remedies herein or by law provided, have the right, at its or their option without any further demand or notice, to take such steps and exercise such remedies as provided in Section 9.02 of the Indenture, and, without limitation, take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due hereunder or to enforce any other of its or their rights hereunder.

SECTION 8.04. ATTORNEYS' FEES AND OTHER EXPENSES. The Governmental Unit shall, on demand, pay to the Commission and the Trustee, the reasonable fees and expenses of attorneys and other reasonable expenses incurred by any of them in the collection of Loan Repayments or any other sums due or the enforcement of performance of any other obligations of the Governmental Unit hereunder upon an Event of Default. The provisions of this Section 8.04 shall survive the termination of this Loan Agreement and the payment in full of the Governmental Unit's obligations hereunder.

SECTION 8.05. NO REMEDY EXCLUSIVE; WAIVER, NOTICE. No remedy herein conferred upon or reserved to the Commission or the Trustee is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right, remedy or power or shall be construed to be a waiver thereof, but any such right, remedy or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Commission or the Trustee to exercise any remedy reserved to it in this Article VIII, it shall not be necessary to give any notice other than such notice as may be required in this Article VIII.

OPINION OF GOVERNMENTAL UNIT'S COUNSEL

[Letterhead of Counsel to Governmental Unit]

[Date of the Closing]

City Council of City of Coral Gables  
Coral Gables, Florida

Sunshine State Governmental Financing  
Commission  
Tallahassee, Florida

U.S. Bank National Association  
Orlando, Florida

[Underwriter]

Ladies and Gentlemen:

I am Counsel to the City of Coral Gables, Florida (the "Governmental Unit"), and have been requested by the Governmental Unit to give this opinion in connection with the loan by the Sunshine State Governmental Financing Commission (the "Commission") to the Governmental Unit of funds to finance all or a portion of the cost of a certain project (the "Project") as defined in, and as described in Exhibit A of the Loan Agreement, dated as of the date hereof (the "Loan Agreement"), between the Commission and the Governmental Unit.

In this connection, I have reviewed such records, certificates and other documents as we have considered necessary or appropriate for the purposes of this opinion, including applicable laws, Resolution No. \_\_\_\_\_, adopted on \_\_\_\_, 2018 (the "Bond Resolution"), the Loan Agreement, and a Trust Indenture dated as of \_\_\_\_\_, 2018 (the "Indenture") between the Commission and U.S. Bank National Association, as trustee (the "Trustee"). Based on such review, and such other considerations of law and fact as I believe to be relevant, I am of the opinion that:

(a) The Governmental Unit is a municipal corporation duly organized and existing under the laws of the State of Florida. The Governmental Unit has the legal right and all requisite power and authority to enter into the Loan Agreement and to consummate the transactions contemplated thereby and otherwise to carry on its activities and own its property.

(b) The Governmental Unit has power to enter into the Loan Agreement and to purchase or construct the Project and/or receive reimbursement for the costs of the acquisition or construction thereof and/or refinance the indebtedness to be refinanced with the proceeds of the loan and has been duly authorized to execute and deliver the Loan Agreement and to purchase or construct the Project and/or receive reimbursement for the costs of the acquisition or construction thereof and/or refinance the indebtedness to be refinanced with the proceeds of the loan under the terms and provisions of a resolution of its Governing Body.

(c) The Governmental Unit has duly authorized, executed and delivered the Loan Agreement and the Loan Agreement (including, but not limited to the terms and provisions of Section 2.02(a) thereof) constitutes a legal, valid and binding obligation of the Governmental Unit enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, reorganization, insolvency and other similar laws affecting enforceability of creditors' rights generally and to the application of equitable principles if equitable remedies are sought. The Governmental Unit is authorized to and has lawfully granted a lien upon and pledge of the Non-Ad Valorem Revenues for the payment of all amounts to be paid by the Governmental Unit under the Loan Agreement. The foregoing notwithstanding, the covenant to budget and appropriate as contained in Section 2.02(a) of the Loan does not create any lien upon or pledge of the Non-Ad Valorem Revenues superior to claims of general creditors of the Governmental Unit determined and liquidated as to amount prior to the time an appropriated amount is deposited in the Funds and Accounts created pursuant to the Indenture nor does it preclude the Governmental Unit from pledging in the future its Non-Ad Valorem Revenues, to the extent the Governmental Unit is in compliance with the provisions of the Loan Agreement, nor does it require the Governmental Unit to levy and collect any particular Non-Ad Valorem Revenues. However, the covenant to budget and appropriate in its general annual budget for the purposes and in the manner stated in the Loan Agreement, has the effect of making available for the payment of the obligations of the Governmental Unit the Non-Ad Valorem Revenues of the Governmental Unit placed in such Funds and Accounts and placing on the Governmental Unit a positive duty to appropriate and budget, by amendment, if necessary, amounts sufficient to meet its obligations under its Loan Agreement; subject, however, in all respects to the restrictions of Section 166.241, Florida Statutes, which makes it unlawful for any municipality to expend moneys not appropriated and in excess of such municipality's current budgeted revenues. The obligation of the Governmental Unit to make such payments from its Non-Ad Valorem Revenues is subject to the availability of money in the treasury of the Governmental Unit and funding requirements for essential services of the Governmental Unit; however, such obligation is cumulative and would carry over from Fiscal Year to Fiscal Year.

(d) Neither the execution and delivery of the Loan Agreement, the consummation of the transactions contemplated thereby, the purchase or construction of the Project or the reimbursement for costs of the acquisition or construction thereof or the refinancing of the indebtedness to be refinanced with the proceeds of the loan nor the fulfillment of or compliance with the terms and conditions of the Loan Agreement conflicts with or results in a

breach of or default under any of the terms, conditions or provisions of any agreement, contract or other instrument, or law, ordinance, regulation, or judicial or other governmental order, to which the Governmental Unit is now a party or it or its properties is otherwise subject or bound, and the Governmental Unit is not otherwise in violation of any of the foregoing in a manner material to the transactions contemplated by the Loan Agreement.

(e) There is no litigation or legal or governmental action, proceeding, inquiry or investigation pending to which the Governmental Unit is a party or of which any property of the Governmental Unit is subject, or to the best of our knowledge, threatened against the Governmental Unit or its properties, which has not been disclosed in writing to the Commission, which would individually or in the aggregate (i) materially and adversely affect the validity or the enforceability of the Loan Agreement or (ii) otherwise materially adversely affect the ability of the Governmental Unit to comply with its obligations under the Loan Agreement or the transactions contemplated by such documents or (iii) materially and adversely affect the properties, prospects or condition (financial or otherwise) of the Governmental Unit or the corporate existence of the Governmental Unit.

(f) The Governmental Unit has the full legal right, power and authority to adopt the Bond Resolution. The Bond Resolution has been duly adopted.

Very truly yours,

### SPECIAL COVENANTS AND FINANCIAL RATIOS

Pursuant to Section 2.02(a) hereof, the Governmental Unit has covenanted and agreed to budget and appropriate in its annual budget, by amendment, if required, and to pay when due directly to the Trustee for deposit into the appropriate Fund or Account created in the Indenture, sufficient amounts of Non-Ad Valorem Revenues of the Governmental Unit or other legally available funds sufficient to satisfy the Loan Repayment as required hereunder. The obligation of the Governmental Unit pursuant to Section 2.02(a) includes an obligation to make amendments to the budget of the Governmental Unit to assure compliance with the terms and provisions thereof.

### ADDITIONAL DEBT

As certified in the Anti-Dilution Certificate, attached hereto, the Governmental Unit may incur additional debt secured by or payable from all or a portion of the Non-Ad Valorem Revenues only if the total amount of Non-Ad Valorem Revenues for the prior two fiscal years were at least 2.00 times the maximum annual debt service of all debt (including all long-term financial obligations appearing on the Governmental Unit's most recent audited financial statements and the debt proposed to be incurred) to be paid from or secured by Non-Ad Valorem Revenues (collectively, "Debt"), including any Debt payable from one or several specific revenue sources.

For purposes of calculating maximum annual debt service if the terms of the Debt are such that interest thereon for any future period of time is to be calculated at a rate which is not then susceptible of precise determination ("Variable Rate Debt"), interest on such Variable Rate Debt shall be computed as follows:

(a) if the principal amount of Variable Rate Debt (including any Variable Rate Debt proposed to be incurred) is less than or equal to 25% of the principal amount of all Debt (including the Debt proposed to be incurred), an interest rate equal to the higher of 12% per annum or The Bond Buyer 40 Index shall be assumed; or

(b) if the principal amount of Variable Rate Debt (including any Variable Rate Debt proposed to be incurred) is more than 25% of the principal amount of all Debt (including the Debt proposed to be incurred), the maximum rate which could be borne by such Variable Rate Debt shall be assumed.

For purposes of any loan, including the Loan, where the lender obtains the right to put the loan back to the Governmental Unit at a specific date, the Governmental Unit shall assume that the loan is amortized over the full term (put is not exercised) when calculating maximum annual debt service. In the event that the Governmental Unit is required to fund a reserve

fund, the funding of such reserve fund shall be included in the calculation of debt service. For the purposes of calculating maximum annual debt service, the Variable Rate Debt with a bullet maturity shall be assumed to amortize in up to 20 years on a level debt service basis.

FORM OF ANTI-DILUTION CERTIFICATE

I, Diana Gomez, the undersigned, Finance Director, of the City of Coral Gables, Florida, hereby certify in connection with the Sunshine State Governmental Financing Commission Capital Improvement Revenue Bonds, Series 2018A (Coral Gables Program) that:

1. The total amount of Non-Ad Valorem Revenues for the two prior fiscal years were at least 2.00 times the maximum annual debt service on all outstanding debt of the Governmental Unit payable from or secured by Non-Ad Valorem Revenues (including all long-term financial obligations appearing on the Governmental Unit's most recent audited financial statements and the debt proposed to be incurred) (collectively, "Debt"), including Debt payable from one or several specific revenue sources.

(d) Notwithstanding the foregoing, each MSIR to which information shall be provided shall include each MSIR approved by the Securities and Exchange Commission prior to the issuance of the Bonds. In the event that the Securities and Exchange Commission approves any additional MSIRs after the date of issuance of the Bonds, the Governmental Unit shall, if the Governmental Unit is notified of such additional MSIRs, provide such information to the additional MSIRs. Failure to provide information to any new MSIR whose status as a MSIR is unknown to the Governmental Unit, shall not constitute a breach of this covenant.

(e) The requirements of Section 4 above do not necessitate the preparation of any separate annual report addressing only the Bonds. The requirements of Section 4 may be met by the filing of an annual information statement or the Governmental Unit's Comprehensive Annual Financial Report, provided such report includes all of the

required Annual Information and is available by May 1 of each year for the preceding year.

(f) The Governmental Unit reserves the right to modify from time to time the specific types of information provided or the format of the presentation of such information, to the extent necessary or appropriate in the judgment of the Governmental Unit, provided that the Governmental Unit agrees that any such modification will be done in a manner consistent with the Rule and Section 7 hereof.

SECTION 7. AMENDMENT; WAIVER. Notwithstanding any other provision of this Disclosure Certificate, the Governmental Unit may amend this Disclosure Certificate with the consent of the Issuer, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the Governmental Unit, or the type of business conducted; and

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, and does not materially impair the interests of the Beneficial Owners, as determined by disclosure counsel or other independent counsel knowledgeable in the area of federal securities laws and regulations.

This Disclosure Certificate may also be amended if all or any part of the Rule, as interpreted by the staff of the Securities and Exchange Commission at the date of the Loan Agreement, ceases to be in effect for any reason, and the Governmental Unit elects that the Disclosure Certificate shall be deemed amended accordingly.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the Governmental Unit shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Governmental Unit. In addition, if the amendment relates to the accounting principles

to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(c), and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

SECTION 8. ADDITIONAL INFORMATION. Nothing in this Disclosure Certificate shall be deemed to prevent the Governmental Unit from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is required by this Disclosure Certificate. If the Governmental Unit chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Governmental Unit shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

SECTION 9. DEFAULT. In the event of a failure of the Governmental Unit to comply with any provision of this Disclosure Certificate, the Issuer or the Beneficial Owner of the Bonds (as described in Section 6 hereof) may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Governmental Unit to comply with its obligations under this Disclosure Certificate; provided, however, the sole remedy under this Disclosure Certificate in the event of any failure of the Governmental Unit to comply with the provisions of this Disclosure Certificate shall be an action to compel performance. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Indenture or the Loan Agreement.

SECTION 10. BENEFICIARIES. This Disclosure Certificate shall inure solely to the benefit of the Governmental Unit, the Beneficial Owners of the Bonds and the Issuer, and shall create no rights in any other person or entity; provided, however, that nothing contained herein shall prevent the Issuer from furnishing to the rating agencies, or other interested parties, a copy of each document, instrument and statement received by the Issuer or any MSIR from the Governmental Unit pursuant to this Disclosure Certificate.
