The City, as the operator of multiple traffic infraction detectors ("Red Light Cameras"), is required by F.S. § 316.0083(4) to submit an annual report ("Annual Report") to the Florida Department of Highway Safety and Motor Vehicles ("DHSMV") detailing the results of using the Red Light Cameras and the procedures for enforcement.

In its 2024 Session, the Florida Legislature amended F.S. § 316.0083(4) to require that any municipality operating Red Light Cameras present its Annual Report at a meeting of its governing body along with a written summary, to be read aloud at the meeting, containing specific Red Light Camera program statistics.

During this meeting, interested members of the public must be allowed to comment on the Annual Report. This Resolution and its attachments shall be transmitted to the DHSMV once heard and adopted by the Commission.
