Reference: Shadow Market, LLC – Administrative Review for Non-Restaurant Beer and Wine License

Dear Mr. Iglesias,

Please allow this letter to serve as our request that you review our application for a 2COP Beer and Wine license in order to allow us to sell and serve beer and wine as part of our regular business operations as set forth in Sec. 6-4 which requires City Manager approval by the City Commission for retail beverage and retail liquor store licenses issued to non-restaurant facilities.

Shadow Market, LLC would serve as a complement to our Shadow brand and our sister store, Shadow Wagyu, LLC., which is a restaurant. Shadow Market, LLC would serve as a retailer of high-end meats, select beer and wines, and grilling accompaniments, such as seasonings, grillware, etc. We are not requesting open air seating but will sell the aforementioned for tasting and pairing to compliment our wagyu sales. Shadow Market, LLC currently has the Certificate of Use and we are obtaining our Business Tax Receipt.

As two young business owners, we appreciate the opportunity and love we have received from the City of Coral Gables. Please let us know should you need anything further.

Thank you for your assistance and attention to this matter.

Respectfully Submitted,

/s/Alex Prendes
