

EXHIBIT A

Sec. 74-3. Riding of bicycles and electric bicycles upon pedestrian sidewalks generally.

- (a) The riding of bicycles upon the pedestrian sidewalks on Miracle Mile and where posted shall be prohibited and unlawful with the exception of law enforcement officers in performance of their duties.
- (b) The riding of electric bicycles, as defined in Section 74-239, is prohibited on all the city's public sidewalks.
- (c) Violation of this section shall be punishable pursuant to section 1-7.

Sec. 74-239. Definitions.

For purposes of this article the following definitions apply:

Deploy means the initial daily staging of a shared mobility device by an operator on designated areas of city right-of-way.

Electric bicycle means a bicycle or tricycle equipped with fully operable pedals, a seat or saddle for the use of the rider, and an electric motor of less than 750 watts which meets the requirements of one of the classifications provided for in Florida Statutes Section 316.003 (23), as amended:

- (1) Class 1 Electric Bicycle means an electric bicycle equipped with a motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the electric bicycle reaches the speed of 20 miles per hour.
- (2) Class 2 Electric Bicycle means an electric bicycle equipped with a motor that may be used exclusively to propel the electric bicycle and that ceases to provide assistance when the electric bicycle reaches the speed of 20 miles per hour.
- (3) Class 3 Electric Bicycle means an electric bicycle equipped with a motor that provides assistance only when the rider is pedaling and that ceases to provide assistance when the electric bicycle reaches the speed of 28 miles per hour.

Micromobility device means a motorized transportation device designed for individual use which is typically 20 to 36 inches in width and 50 pounds or less in weight and which operates at a speed of typically less than 15 miles per hour but no more than 28 miles per hour. This term, as defined in Section 316.003(41), Florida Statutes, as amended, includes both a human-powered and nonhuman-powered device such as a bicycle, electric bicycle, motorized scooter, or any other device that is owned by an individual or part of a shared fleet.

Motorized scooter means a vehicle as defined in F.S. § 316.003(4548).

Operator means a company deploying shared mobility devices within the city.

Rebalance means moving shared mobility devices from an area of low demand to an area of high demand, or to return to designated areas of deployment.

Shared mobility device means an individual device including, but not limited to, motorized or electronic scooters, bicycles, and other similar devices, but does not include motor vehicles used in conjunction with ride sharing companies, such as Uber or Lyft.

Shared mobility device program means a program generally, in which mobility devices, including, but not limited to, bicycles and motorized scooters, are made available for shared use to individuals on a short-term basis at no cost or for a fee.
