**BRIEF HISTORY:**

By Ordinance No. 3278, passed in October 1997, and by Ordinance 2004-50, passed in December 2004, the City has established a cable television franchise agreement whereby all governmental authorities, schools, or persons designated by the City are interconnected by an Institutional Network (I-Net.)

By Resolution No. 2009-345, passed and adopted December 15, 2009 the City approved a Memorandum of Understanding (MOU) for Fairchild Tropical Botanical Gardens (FTBG) to join the City's fiber Institutional Network (I-Net.)

The Addendum amends and modifies the MOU agreement to change Section 3.02 and redact the network failover to DSL functionality section and adds a new Section 3.04, regarding network protection from Internet threats through firewall and intrusion prevention systems.

FTBG intends to use the I-Net connection for educational and institutional purposes and agrees that they will comply with the terms and conditions of the MOU and the Addendum for a three-year term.

The City will provide FTBG with an Internet connection through the I-Net shared fiber network.
