1. The Parties hereby acknowledge and agree that the Landlord shall have a one (1) year period, with an additional one (1) year renewal period, beginning on the Amendment Effective Date of this Amendment, for the amount of Ten (\$10.00) Dollars annually (the "Permit Fee"), which the Landlord shall pay to the Tenant in a one (1) time lump sum payment, within thirty (30) calendar days of the Amendment Effective Date, for the use of a property owned by the Tenant, having Folio No.: 30-6029-000-0030, as more particularly described in Exhibit "C" attached hereto and made a part hereof (the "County Property"). The Landlord is permitted the nonexclusive right to utilize the property for the temporary placement of hurricane debris, in connection with an impending hurricane, or after the occurrence of a hurricane, which hurricane has first been declared as such by the State of Florida Division of Emergency Management, or the Office of the Governor for the State of Florida, or by the President of the United States. The County Property is a former landfill that has been capped and closed. There are currently no monitoring requirements associated with the County Property. The use of the County Property by the Landlord shall be temporary and strictly for depositing vegetation, such as trees, tree branches, leaves, and other natural flora ("Permitted Use"). Further, the Landlord hereby acknowledges and agrees that the Tenant has secured from the Florida Department of Environmental Protection the requisite pre-authorization to utilize the County Property as a Disaster Debris Management Site, as evidenced by the letter, dated February 23, 2026, from the Florida Department of Emergency Management, which is attached hereto, marked Exhibit "D," and incorporated herein by this reference.

2. Prior to mobilizing on the County Property, pursuant to this Article G, in anticipation of or following a declared hurricane, the Landlord shall provide written notice to Tenant stating (i) the anticipated period of Landlord's use of the County Property, (ii) confirmation that all permits and approvals required for such use have been obtained, and (iii) the estimated scope of activities, which at all times must comply with the Permitted Use. Such notice shall be provided as soon as practicable under the circumstances.

3. The Landlord hereby accepts the County Property in its "as-is" and "where-is" condition, with any and all faults, including, but not limited to, environmental concerns and/or hazards. It is further agreed that any clearing, removing, or otherwise improving of the property for it to be utilized by the Landlord, shall be the Landlord's sole responsibility. The Landlord shall be permitted to perform environmental testing on the County Property, including, but not limited to, conducting a Phase II Environmental Assessment, so long as the Landlord removes any and all monitoring wells and otherwise returns the County Property to its prior condition upon the expiration or termination of this Amendment. The use of the County Property by the Landlord shall be subject to any and all applicable laws and regulations, including, but not limited to, Section 403.707.1, Florida Statutes, the Code of Miami-Dade County, the regulations and requirements of the Florida Department of Environmental Protection, as well

as any applicable zoning codes and/or fire department regulations. The Landlord, before utilizing the property, shall be required to secure and maintain any and all permits, certificates, licenses and/or any other necessary governmental approvals for the Permitted Use of the County Property. Any violation of such laws, regulations, or permit conditions shall be the sole responsibility of the Landlord, and the Landlord shall be liable for any enforcement actions, penalties, fines, liens, assessments, remediation obligations, or corrective measures arising therefrom.

4. Within six (6) months from the declaration of the hurricane, the Landlord hereby agrees to remove any and all deposited vegetation (i.e. hurricane debris) from the County Property, at its sole cost and expense (and such obligation to clean the County Property shall survive the expiration or termination of this Amendment). And after the vegetation has been removed, the Landlord shall notify the Tenant, in writing, that all of the hurricane debris has been removed from the County Property, so that the Tenant may inspect the property to verify the complete removal of the hurricane debris. Further, in connection with its Permitted Use of the County Property, the Landlord hereby agrees to maintain the County Property during the one (1) year time period, including any extension thereof, including, but not limited to, removing any and all trash and debris, and otherwise keeping the County Property in good condition and appearance. The Landlord hereby acknowledges and agrees that the use of the County Property by the Landlord will be only during and/or immediately after a hurricane, and as a result, the Landlord will be responsible for undertaking any and all precautions, including training, related to hurricane preparedness, for the protection and safety of the Landlord's employees, agents, contractors, subcontractors, vendors, and assigns in connection with the Permitted Use of the County Property. And the Landlord shall take all necessary and appropriate precautions to safely perform any and all work during a hurricane or hurricane-related conditions, including, but not limited to, taking measures to protect the health and safety of employees, agents, contractors, subcontractors, vendors, or assigns, and any other individuals engaged in such work.

5. Additionally, the Landlord hereby acknowledges that it is strictly prohibited from any transfer of its permit for use of the County Property, and as such, the Landlord shall not assign, transfer, mortgage, pledge, or dispose of its permit for use of the County Property, without first obtaining the written consent of the Tenant, which consent shall be at the sole and absolute discretion of the Tenant.

6. The Landlord agrees to surrender the County Property to the Tenant, at the end of the one (1) year term, including any extension thereof, without any notice and/or demand. The Landlord is solely responsible for returning the County Property to the Tenant in as good condition as the County Property was in at the time of the Amendment Effective Date, normal wear and tear excepted. This includes, without limitation, clearing of any vegetation and/or hurricane debris, and any other corrective measures needed to return the County Property to the same condition it was in as of the Amendment Effective Date. Further, the Parties hereby acknowledge and agree that the Tenant shall not be liable for any damage or injury which may be sustained by any party or person on or about the County Property other than the damage or injury caused solely by the gross negligence of the Tenant, its officers, employees, agents, or instrumentalities. And the Landlord hereby agrees to indemnify and hold the Tenant harmless from and against any and all costs, expenses, losses and/or damages that the Tenant may incur by reasons of, in connection to, or arising from, the Landlord's use of the County Property, and/or any of the acts or omissions of the Landlord and/or its employees, agents, contractors, subcontractors, vendors and/or assigns.

7. The Landlord shall have the right to terminate this Article G of the Amendment at any time and for any reason, by giving the Tenant at least thirty (30) calendar days' prior written notice, expressly

stating in such notice the effective date of the termination of this Article G, and paying any and all fees any other costs or expenses, and removing any and all hurricane debris, prior to the termination of this Article G.

8. The Tenant shall have the right to terminate this Article G of this Amendment, at any time, without any compensation to the Landlord, upon ninety (90) calendar days' notice to the Landlord.

9. The terms of this Article G, including termination, shall standalone, and do not impact or interfere with the Parties' commitments and obligations with respect to the Tenant's lease of the Property. Should either of the Parties elect to terminate Article G according to its provisions, all other provisions of this Amendment shall remain in full force and effect.

ARTICLE H

Exhibit "B"

LEASE

LEASE AGREEMENT

THIS AGREEMENT made on the 14th day of MARCH, 1996 by and between the CITY OF CORAL GABLES, a municipal corporation of the State of Florida, hereinafter called the "LANDLORD," and DADE COUNTY, a political subdivision of the State of Florida, hereinafter called the "TENANT,"

WITNESSETH:

That LANDLORD, for and in consideration of the restrictions and covenants herein contained, hereby leases to TENANT and TENANT hereby agrees to lease from LANDLORD the property described as follows:

Property situated in the County of Dade, State of Florida and more particularly described in Exhibit "A" attached hereto and made a part hereof, including all improvements thereon, located at 2800 S.W. 72 Avenue, Miami, hereinafter called the "Leased Property,"

TO HAVE AND TO HOLD unto said TENANT for a term of thirty (30) years, commencing after approval by the Board of County Commissioners and upon execution by LANDLORD and TENANT, and terminating thirty (30) years thereafter. TENANT shall pay LANDLORD as consideration for the rights granted:

- a. At commencement of Lease, a cash payment in the amount of One Million Seven Hundred Thousand Dollars and No/100 (\$1,700,000.00), which is approximately equal to the present value of thirty (30) annual Lease payments of One Hundred Twenty-One Thousand Dollars and No/100 (\$121,000.00) discounted at four (4%) percent.
- b. LANDLORD shall receive the waste disposal and transfer fee rates as specified in its Standard Interlocal Agreement for Use of the County Solid Waste Management System, effective coincident with the commencement of this Lease Agreement.
- c. Beginning in the first Lease year, an annual Lease payment of Two Hundred Seventy-Nine Thousand Dollars and No/100 (\$279,000.00). Beginning in the fourth (4th) Lease year, and each subsequent year, the payment shall be increased as outlined in Article XV, "Rent Adjustment."

All payments will be payable at the beginning of each Lease year to the City of Coral Gables, as outlined in Article XIII, "Notices," or at such other place and to such other person as LANDLORD may from time to time designate in writing.

Property #4014-00-00

That certain Lease Agreement between TENANT and LANDLORD dated July 31, 1978, and approved by the Board of County Commissioners under Resolution No. R-804-78, covering the Leased Property, will terminate on commencement of this Lease Agreement.

IT IS FURTHER MUTUALLY UNDERSTOOD AND AGREED BY THE RESPECTIVE PARTIES HERETO:

ARTICLE I
USE OF LEASED PROPERTY

The area of the Leased Property shall be used by TENANT for the operation of the County Solid Waste Management System and for the performance of work incidental thereto.

ARTICLE II
UTILITIES

TENANT, during the term hereof, shall pay all utility charges including water and electricity used by TENANT.

ARTICLE III
MAINTENANCE

TENANT agrees, at TENANT's sole cost and expense, to maintain and keep in good repair, condition, and appearance during the term of the Lease the entirety of the Leased Property.

ARTICLE IV
IMPROVEMENTS

Except for routine facility maintenance and repairs, TENANT may not make any alterations, additions, and/or improvements in or to the existing County building which would require the issuance of a

building permit, without the prior written consent of LANDLORD which consent shall not be unreasonably withheld. All alterations, additions, or improvements shall be at TENANT's sole cost and expense:

Upon termination of the Lease, TENANT, as owner of the existing County building on the premises, may exercise any one of the following options with regard to the building:

- a. Leave the building as is;
- b. Remove any or all contents from the building;
- c. Remove the entire building and return that portion of the property upon which the building was situated to its 1977 condition.

ARTICLE V
DAMAGE OR DESTRUCTION OF PROPERTY

In the event the building or other improvements on and to the Leased Property should be destroyed or so damaged by fire, windstorm, or other casualty, to the extent that TENANT's facilities are rendered unfit for TENANT's purposes, TENANT shall have the option of canceling this Agreement or restoring the facilities. TENANT shall notify LANDLORD within one hundred eighty (180) days of such damage or destruction of its decision to cancel or restore the facilities.

In the event that TENANT exercises its option to cancel this Agreement due to damage or destruction of its facilities, as outlined in this article, it shall be the responsibility of TENANT, at the request of LANDLORD, to remove the damaged structures at its expense and return the premises in a clean and safe condition as existed in 1977.

ARTICLE VI
NO LIABILITY FOR PERSONAL PROPERTY

All personal property placed in or moved to the Leased Property shall be at the risk of TENANT or the owner of such personal property. LANDLORD shall not be liable to TENANT for any damage to said personal property unless caused by or due to the gross negligence or willful misconduct of LANDLORD, LANDLORD's agents or employees.

ARTICLE VII
LIABILITY FOR DAMAGE OR INJURY

TENANT assumes liability, where applicable, for any damage or injury which may be sustained by any party or person on the Leased Property, but only to the extent and within the limitations of Section 768.28, Florida Statutes, as may be amended from time to time.

ARTICLE VIII
INDEMNIFICATION AND HOLD HARMLESS

TENANT does hereby agree to indemnify, defend, and save LANDLORD harmless, to the extent permitted by law, from any and all claims, liability, losses, and causes of action for loss or damage to the property of either party hereto or of third persons and for injuries to, or death of any person, which may arise as a result of any negligent act or omission of TENANT in connection with TENANT's occupation or use of the Leased Property.

ARTICLE IX
INSURANCE

Because TENANT is self-insured for general liability, LANDLORD cannot be named as additional insured: TENANT agrees to defend all claims brought against TENANT or LANDLORD due to TENANT's use and/or occupancy of the property: provided, however, that in this Article IX and in

Articles VI, VII, and VIII hereinabove, TENANT shall not be liable for nor shall it indemnify, defend, or save harmless the LANDLORD from liability for personal property or injuries caused in whole or in part by LANDLORD's actual use of the facility by its trucks, agents, and employees.

TENANT shall be responsible for insuring all improvements within the Leased Property.

ARTICLE X
SUBLET

Consistent with the provisions set forth in this Lease, TENANT may not sublet the Leased Property or a portion thereof without the express written approval of LANDLORD.

ARTICLE XI
PEACEFUL POSSESSION

Subject to the terms, conditions, and covenants of this Lease, LANDLORD agrees that TENANT shall and may peaceably have, hold, and enjoy the Leased Property above described, without hindrance or molestation by LANDLORD, provided, however, that LANDLORD shall always have the use of the Solid Waste Transfer Services that may be provided on the property by TENANT.

ARTICLE XII
SURRENDER OF PROPERTY

TENANT agrees to surrender to LANDLORD, at the end of the term of this Lease, said Leased Property in as good condition as said property was at the beginning of the term of this Lease, ordinary wear and tear, and damage by fire and windstorm or other acts of God excepted.

Unless you receive a subsequent notification from the Department concerning the status of these sites, you may consider them pre-authorized as disaster debris management sites.

In the event of a major storm event or other disaster which results in the Department issuing an Emergency Final Order (the Order) for your county, you may begin using a temporary DDMS as necessary, while also requesting issuance of a field authorization from the Department. Once activated, a DDMS is subject to the following conditions, in addition to the requirements of the Order and Florida Statute 403.7071:

- 1) **The Department must be notified when the site is opened and begins accepting debris, and when the site is closed and all debris has been removed;**
- 2) Standing water must not be allowed to accumulate in or within 50 feet of areas used to store or process disaster debris;
- 3) Access must be controlled to prevent unauthorized dumping and scavenging;
- 4) A DDMS must have spotters to correctly identify and segregate waste types for appropriate management;
- 5) Once the site is open, a spotter must be located in the area where the waste is being deposited in order to spot and remove prohibited waste items;
- 6) A DDMS is limited to managing the waste identified above for each site; any putrescible waste received

at the DDMS must be removed within 48 hours, and all other types of prohibited waste should be managed in accordance with the guidance document (see link below);

7) Unless otherwise approved by the Department in response to a written request from you, the DDMS must cease operation and all disaster debris must be removed from the sites on or before the expiration date of an Order that has been executed by the Department, unless it is modified or extended by further authorization.

Failure to comply with the conditions of the field authorization, or failure to adequately close a site by the required closure date, may result in enforcement action by the Department.

The Department has also prepared a guidance document on the establishment, operation, and closure of a DDMS for disaster debris. This guidance document includes recommended practices, which you are expected to follow as much as practicable, as well as additional requirements from the Order. A copy of this guidance document is available on the DEP website

This guidance is not a substitute for federal requirements and guidance, including those from the Federal Emergency Management Agency (FEMA).
