Dade County Board of County Commissioners
111 Northwest 1 Street, Floor 29
Miami, Florida 33128

Dear Ms. Hudak:

It gives me great pleasure to award Dade County the second and final payment for emergency medical services (EMS) county grant ID Code C0013. The amount is \$125,667.00 which is 45 percent of your county's traffic fine surcharge deposits into the state EMS Trust Fund between January 1 and June 30, 2011. We have submitted a request to our disbursements office for the full advance payment of the grant funds, and your county should receive the funds within the next 30 days.

This grant program is authorized and required by section 401.113(2) (a), *Florida Statutes*. It is grant program number 64.005 in the *Florida Catalog of State Financial Assistance*. The grants are paid from the Department of Health's EMS Trust Fund and there are no federal funds involved. This grant must improve and expand pre-hospital emergency medical services.

The grant ends April 13, 2012. There is a remaining expenditure and activity report due by November 18, 2011, and the final expenditure and activity report, including documentation of purchases, is due by May 4, 2012 based on activities and expenditures throughout the grant.

Your previously submitted signed grant application acknowledges that you have read, understand, and will comply fully with the terms and conditions for this grant in the "Florida EMS County Grant Program Application Packet, June 2008."

Thank you for your participation. If you have questions or need assistance, please contact the state grant manager for this project, Mr. Alan Van Lewen, Health Services and Facilities Consultant in the Bureau of EMS, at (850) 245-4440, extension 2734.

Sincerely,
