Subject: Replacement Smith & Loveless Equipment

To Whom It May Concern:

Smith & Loveless, Inc. is a manufacturer of Water, Wastewater treatment equipment and prefabricated Pump Stations. When replacement of S&L products is required, replace with OEM parts manufactured by Smith & Loveless and supplied through Sanders Company, Inc., our exclusive representative for the State of Florida.

The State of Florida is assigned to Sanders Company, Inc whereas no other Smith and Loveless representatives may sell in Florida. As well, Sanders Company may not sell Smith and Loveless products outside of Florida.

This is to certify that Sanders Company, Inc. is the exclusive OEM municipal representative for Smith & Loveless Package Pump Stations, Water and Wastewater Treatment equipment in the State of Florida. In this capacity, they function as our local sole source supplier for all new and replacement Smith & Loveless products.

Sincerely,
