RE: June 2026 Coral Gables Merrick House Activity Report (House closed)

Due to the Coordinator's lack of ability to fill in for unavailable volunteers, some of whom were indisposed and some of whom were traveling, the House was effectively closed during June. However, some previously scheduled special tours were conducted during the month.

1. Twenty-one ladies forming the group called the *100 Ladies of Deering* were hosted on June 2, 2026. Six dollars for cards plus \$105 in tour sales was collected. Total \$111.00
2. The Classical Arts and Architecture group of eight adults were provided with a tour on June 20, 2026. Total collected \$40.00.
3. The Mayor attended a welcome meeting of new interns who will be spending some time at the City during the summer. June 26, 2026

Total Collected in June 2026 = \$151.00
