# COMMUNITY RECREATION FEES

Community Recreation Fees are established in a five year plan.

- General formula is to have increase in fees every other year approximately 5% (rounding up/down to nearest denomination).
- Fee categories include specific programming fees, membership fees, and participation fees.
- Fees are set with resident fees and non-resident fees as part of the entire fee plan. Exceptions to this model may occur with memberships and other considerations.

# COMMUNITY RECREATION FEES

## TENNIS

Resident rates for this activity (only tennis) apply to all Miami-Dade County residents:
